Product Specifications

Lifetime Edge Chip Resistance
Provides edge chip resistance in certain items, ensuring long-lasting use.

Reactive Glaze
Offers an artisanal appearance, making each product uniquely different.

Translucency
Provides a clean and elegant appearance with high light translucency.

Colored Glaze
Offers vibrant hues, enhancing the visual appeal and consistency of each piece

Glaze Damage Resistance
Ensures scratches and damage on the surface, offering a durable and aesthetically pleasing use.

Digital Printed
Offers high resolution and a range of tones, applying detailed and customized designs directly to the surface.

Stackable Design
Ensures space efficiency and operational convenience by allowing products to be neatly stored.

Lifetime Color Resistance
Ensures that its colors remain vibrant and do not fade over time, providing enduring aesthetic appeal.

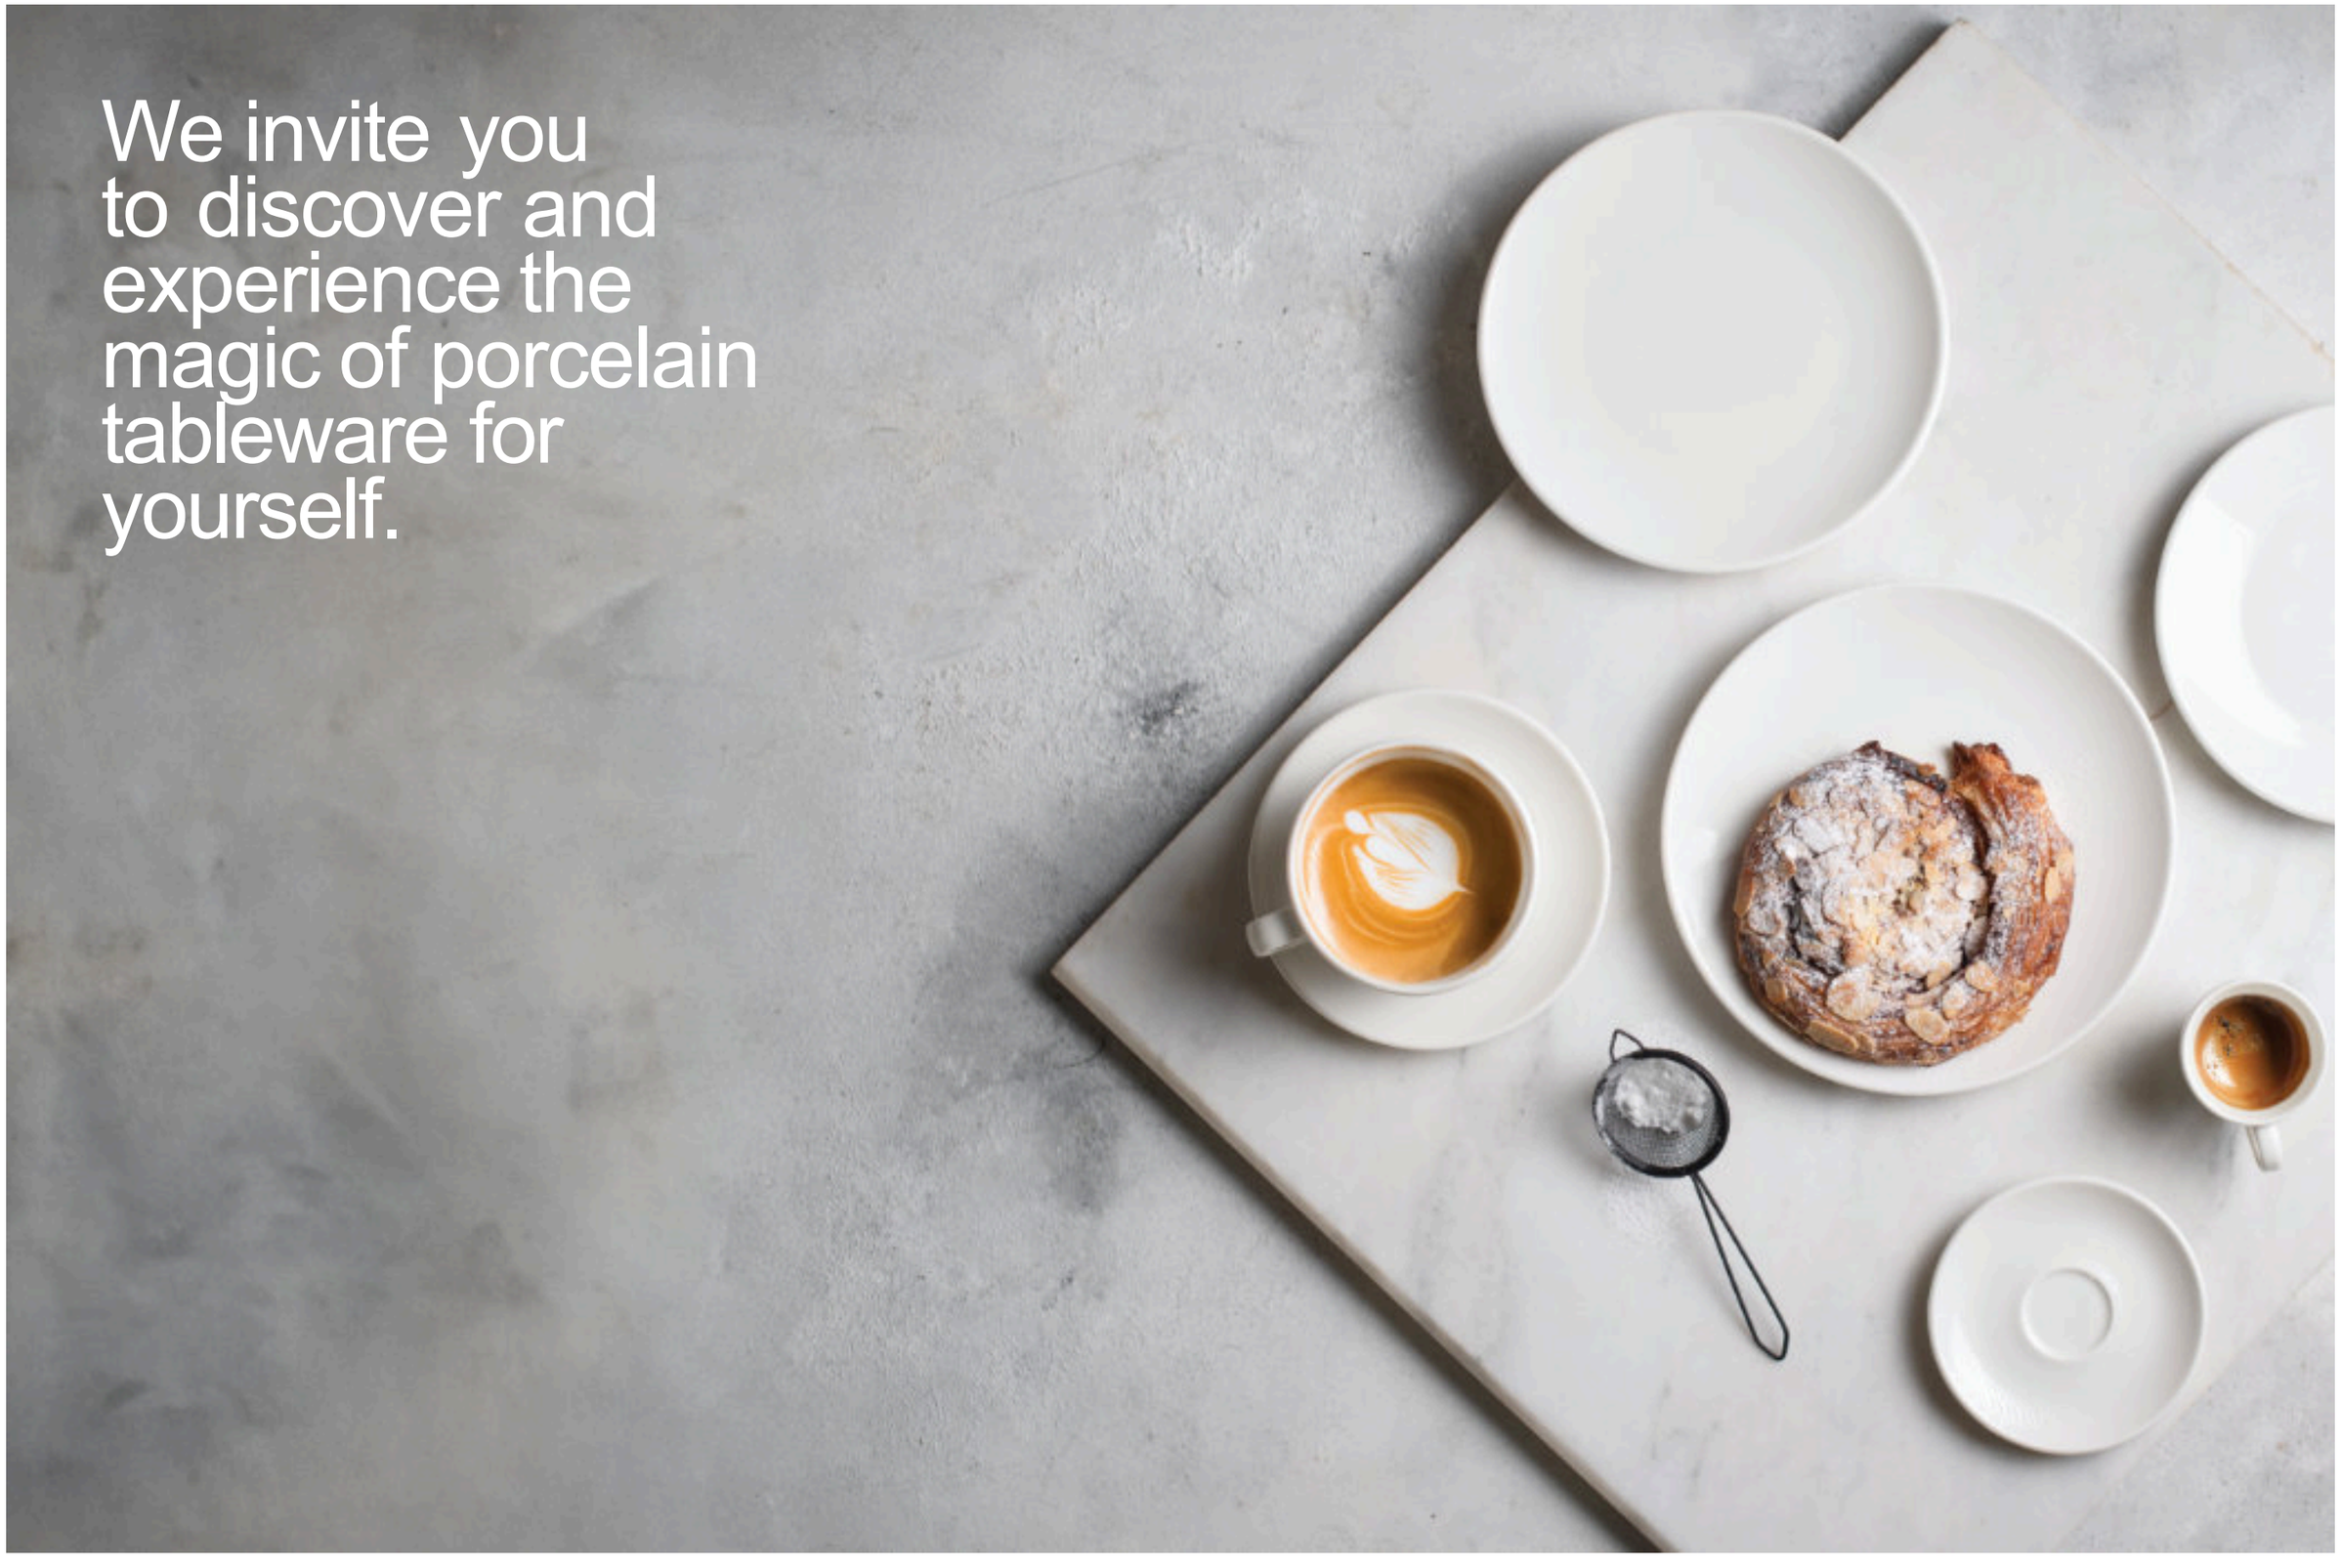
Microwave & Oven Safe
Enables quick heating and cooking of meals, with high-temperature resistance ensuring safe and dependable use.

Hand Painted
Offers a unique and artisanal touch to each piece, hand-painted with meticulous craftsmanship.

Dishwasher Safe
Ensures effortless cleaning and long-lasting durability with high-temperature resistance, making it ideal for dishwasher use.

Thermal Shock Resistance
Ensures durability against sudden temperature changes, allowing safe use in both hot and cold environments.

Decal Printed
Ensures long-lasting visual appeal, by transferring durable, heat-resistant designs onto the surface.



We invite you
to discover and
experience the
magic of porcelain
tableware for
yourself.

TOI

Designed for chefs who set their own limits or deliberately choose to ignore them.

TOI is a pure, understated fine casual collection designed for chefs who define their own space. Its flat coupe form is calm and confident —reduced to what truly matters, free from visual noise.

At the center, a naturally formed, gently recessed area appears. There is no sharp rim, no defined line. This subtle depth creates an intuitive working zone: composition remains controlled, yet the plate never imposes strict boundaries. It supports the chef without dictating the outcome.

Toi means “you” in French. It speaks directly to the chef, placing them at the center of the plate. The plate becomes a quiet dialogue between the chef and the guest —a natural extension of ID Fine’s Define Dining philosophy.

A considered choice for fine casual restaurants, banqueting, and catering environments where elegance and consistency matter, TOI offers a balanced platform for confident, personal expression.

MODEST

Modest collection is defined by its timeless design and understated simplicity, making it the perfect choice for any occasion.

What sets Modest apart from other tableware collections is its hand-painted rims in rich brown, maroon, deep navy blue, black and warm green. These rims frame the food, drawing the eye and creating a beautiful visual contrast. The hand-painting process adds a touch of human warmth and artistry to each piece, making them truly one-of-a-kind.

MIZU

new

In Japanese culture, “Mizu” —water —symbolizes the flow of life, renewal, and continuity. The concentric ripples evoke the gentle waves on the water’s surface, while delicate sakura patterns recall nature’s fleeting yet graceful beauty. Everydetail embodies the essenceof the Japanese wabi-sabi philosophy — celebrating the beauty of imperfection —translated into the refined aesthetic of modern gastronomy. Mizu brings a senseof quiet poetry to chefs’ presentations and a meditative balance to the dining table.

TIFFANY

Tiffany: A Timeless Revival in the HORECA Scene

Originally introduced in 2003, the Tiffany collection is making a striking comeback, now redefining elegance in the HORECA sector. A seamless blend of timeless aesthetics and contemporary refinement, Tiffany encapsulates the enduring charm of French bistro culture while offering a fresh perspective on classic design.

Rooted in sophistication, this collection pays homage to history, reviving the grace and allure of past decades with an understated yet distinctive touch. As the French bistro trend continues to captivate the culinary world, Tiffany effortlessly aligns with this movement, bringing a sense of heritage and authenticity to modern hospitality spaces.

More than just tableware, Tiffany is an experience—an invitation to savor moments with a refined aesthetic that transcends time. Its delicate yet durable craftsmanship makes it a staple for elegant dining, proving that true design is not bound by eras but enriched by them. With Tiffany, the past finds new meaning in the present, offering an exquisite balance of tradition and modernity.

As it reclaims its place in the world of hospitality, Tiffany stands as a testament to enduring beauty and thoughtful reinvention. A collection designed to be lived with, cherished, and celebrated—yesterday, today, and beyond.

PATINA

Patina brings together traces of the past with today's sophisticated design approach. Inspired by French bistro culture, the collection creates an aesthetic shaped by natural surface transitions and subtle distressed effects, evoking the beauty of time-worn elegance.

Timeless forms and balanced tones make Patina an ideal foundation for both classic and contemporary presentations. Patina is a collection with character and a story of its own—quiet, refined, and enduring.

VISTO

Enhance your space with Visto'snatural texture and refined color options, creating a distinctive atmosphere.

Visto Black
A seamlessblend of black and deep brown tones creates a monolithic appearance, while subtle tonal variations across the surface add depth. Its matte, natural finishoffers a clean yet characterful aesthetic.

Visto Green
Soft transitions of creamy green combined with deep mint tones are enriched by brown undertones that harmonize with earthy shades. The result is an elegant look from every angle, defined by a natural flow. Both color options feature a monochromatic structure that pairs effortlesslywith different products and interiors.

DiscoverVisto for a touch that is both understated and refined.

PIETRA

Pietra draws inspiration from the mosaic heritage of Mesopotamia, bringing traces of the past into a contemporary aesthetic. At the core of this heritage liesa mosaic approach that emphasizesthe strength of a unified whole formed through the harmony of diverse elements. Reflecting the same philosophy, the olive branch symbolizespeace, abundance, and enlightenment. Together, these elements allow Pietra to interpret its connection to the past through a refined, strong, and timelessdesign language.

SCORIA

Scoria is inspired by one of nature's most powerful transformations: the moment fire becomes earth. Traces left by flowing lava evolve into a calm yet profound expressionacross the surface of the collection. The balance between charred dark tones and warm earthy huescreates a natural contrast, while subtle textures and transitions add a layered character shaped by time and nature. The matte surface gives Scoria a refined yet strong presence, allowing it to integrate seamlesslywith different presentations and collections. A subtle framing detail draws the focus toward the center, bringing balance and cohesion to the design. Scoria interprets the raw power of nature through a restrained, understated aesthetic—quiet, strong, and timeless.

REFLECTION

Witness the seamless dance of design between the saucer and coffee cup. As the intricate pattern on the saucer meets the cup's surface, it's more than mere aesthetics—it's a reflection of meticulous craftsmanship and attention to detail. The harmonious blend amplifies the elegance of your coffee experience, adding a touch of sophistication to your daily ritual.

HERITAGE

It represents a narrative that brings together the traditional motifs of Eastern culture with a modern aesthetic, creating a deliberate connection between past and present. Inspired by rug and carpet patterns, the design language establishes a balanced and timeless rhythm across the surface. Each detail offers a refined yet powerful interpretation that carries cultural memory into contemporary dining settings. This approach makes the collection versatile and well-suited for both traditional and modern presentations.

MOCHA

The gentle froth dancing on the surface of a steaming cup of Mocha has been our inspiration, and the Mocha Collection emerged as the elegant reflection of this enchanting experience. Each piece is designed to evoke the warmth and serenity cherished by coffee enthusiasts.

The Mocha Collection is an expressionof warmth and intimacy in your presentations. With its delicate details and graceful curves, it will elevate your presentations and special moments even further. Infuse the warmth and luxury of Mocha into your presentations and add an unforgettable flavor to your guests' memories.

ADEL

Adel, defined by its timeless design and stunning salmon reactive glaze, which adds a splash of color to any tabletop.

The warm, inviting color of the glaze adds a touch of warmth to any dining experience, making it the perfect choice for defining the ambiance of your restaurant or catering business.

However, Adel isn't just about style - it's also practical and functional. The porcelain material is resistant to scratching and staining, making it perfect for everyday use. And with its mix and match options with the Adel collection, which features an antrasite color, you can create a cohesive, stylish tabletop that will appeal to a wide range of diners.

PRODUCT SPECIFICATIONS

Reactive Glaze	Digital Printed	Stackable Design	Microwave& Oven Safe	Dishwasher Safe	Thermal Shock Resistance	Lifetime Color Resistance

* Our reactive glazed collections feature unique color variations on each piece.

Use & Care Guidelines

✧ Stacking & Storage
Improper stacking may cause surface scratches.
Store items vertically, not flat.
Only products designed for stacking should be stacked.

✧ Heat & Temperature Use
All white and colored porcelain products are suitable for use in oven, microwave, and freezer under normal conditions.
Products must not be used directly on open flame.

Avoid sudden temperature changes.
Do not transfer products directly from freezer to oven or from oven to freezer.

✧ Dishwasher Use & Cleaning
Porcelain products are suitable for dishwasher use. Follow the dishwasher manufacturer's instructions for detergent dosage and program selection. Do not use abrasive materials, metal tools, or harsh cleaners.

✧ Surface Marks
Grey marks may occur due to metal transfer. They are not scratches and can be removed with mild cleaners.
Scratch-resistant products maintain surface integrity under normal professional use.

✧ Edge Durability
Products marked with the edge-strength icon are designed with enhanced edge durability for professional use.
Despite this reinforcement, edge chips may still occur due to impact or improper handling during use or storage.
