Catholic Campaign for Human Development

Please be generous in this week's special collection for the Catholic Campaign for Human Development. In the United States, over **10%** of the population lives in poverty. Through this collection, you support programs that address the root causes of poverty and provide a sustainable future for those struggling across the county. In addition, **25%** of the funds we collect remain in our diocese to fund local antipoverty projects. Please prayerfully consider how you can support this collection and those working on the margins. More information can be found at **www.usccb.org/cchd**

Thirty-Third Sunday in Ordinary Time

Hello Friends,

Below is an update that will affect both Immaculate Conception and St. Barbara Parishes.

Weekend Mass Intentions (Implementing Pro Populo Mass)

Effective January 2027 we will actively implement the canonical standard of a weekend Mass intention known as **Pro Populo, Mass for All the People** (of the parish/parishes).

Canon Law (534.1) states that pastors are required to offer such a weekend Mass (Vigil Mass or Sunday Mass) that does not take a stipend and is not to be combined with other particular Mass intentions. As this is Canon Law, it is also the law in the Diocese. But, as we may know, for various reasons, regulated Mass Intention norms at the parishes have not always been properly implemented at the parishes. Parishes in our deanery have been making progress in following the norms.

How will this look? In viewing our situation at Immaculate Conception and St. Barbara the majority of the Pro Populo Masses in 2027 will be celebrated at St. Barbara.

Through the year, we typically have the same dozen or so Mass intentions at St. Barbara. This reflects the fact that St. Barbara is one of the smallest faith communities in the Diocese with even the smallest number of annual funerals in the entire Diocese. (So, there are few intentions and "new" intentions.)
Also, the St. Barbara 8:00am Mass is the most integrated of all of our Masses with perhaps 25% of our average 125 Sunday congregants being Immaculate Conception parishioners (or other visitors). Moving forward at **St. Barbara** (as is the current policy at Immaculate Conception), there will be a **limit on household requests for Mass intentions with up to 3 per year: 1 for an available Sunday Mass and 2 for a daily Masses.**

All this being the case, **one Pro Populo Mass will be offered at Immaculate Conception per month either at the 4pm Vigil Mass or the 10:30 Sunday Mass.** (In a twined assignment, the Pastor is only required to do one such Mass per weekend at whatever location is most prudent.) As many know, nearly all the weekend Masses at Immaculate Conception for 2027 have been reserved for particular intentions. In 2028 there will be more IC Pro Populo Mass opportunities. Simply put, there are many more intentions at Immaculate Conception than St. Barbara and we try to provide a fair allocation for all families.

Also of note...The Diocese of Toledo, referencing canon law, permits a pastor to celebrate a Mass (once or twice per week) with more than one intention (but only 1 stipend) if the Mass intention parties are agreeable to it. So, the Thursday daily Mass (in particular) at St. Barbara will have the opportunity to have more than one intention (but only one stipend) if that is desirable.

The Pro Populo Mass is of spiritual benefit for all the people and the pastor. Thank you for your patience and understanding as we actively implement this canonical Catholic norm beginning in January. –Fr. George Mahas—

St. Barbara update: A year after the elimination of the Vigil Mass our active parishioners at St. Barbara now stands at less than 100. (For perspective, Immaculate Conception Parish has 336 enrolled Religious Ed students.) As hard as it is to acknowledge, our demographic trends and modern mobility (we have four active and vibrant parishes all within ten miles of St. Barbara) have reduced the parish experience and community in many respects. For years now, our ministries (especially Religious Education) have merged with a larger parish, Immaculate Conception. This model is fitting for the lifestyles of Ottoville School families and for the consolidation of Catholic personnel and resources. Presently, we have Religious Education at St. Barbara, but we are now down to two students and one teacher. Due to our parish statistics, we have been flagged by the Diocese as a "Struggling Parish" in the Diocese's Intentional Planning Department. A spokesperson from the Diocese even presented possible alternative local parish arrangements to our Parish Council and staff and a few volunteers earlier this year. We continue to trend in a direction where we will be asked to discern our future. While our finances and buildings are very good, we are "struggling" in a fundamental sense: we are running out of Cloverdale Catholics and the "signs of life" of a parish (Sacraments, ministries, community services). If not for our visitors on Sunday, the issue would be even more obvious.

So, what are we to do? Project how you see the future of St. Barbara. The Diocese will continue to do the same. It's important to think hopefully but also realistically and to be open to new models given our demographics and even the shortage and allocation of priests (including retired priests.) The church is beautifully and heroically maintained and preserved. As we move forward how will we be a St. Barbara Catholic community for who we are now and who we can be in the future?
