SPAIN
RUSH-SPF
INTERNATIONAL FOOTBALL ACADEMY

ABOUT US

In the heart of Valencia, Spain, our Elite Football Academy develops talented players to reach their highest potential.

At SPF, we believe that training with local clubs and Spanish teammates immerses players in the true intensity of Spanish football.

Meanwhile, our UEFA-certified coaches accompany each player throughout their journey, helping them strengthen weaknesses, improve physical performance, and build a deeper tactical and strategic understanding of the game: all to shape them into the best players they can be.

DISCOVER VALENCIA

Valencia is a vibrant city in eastern Spain, known for its beautiful Mediterranean beaches, rich history, and modern architecture, such as the City of Arts and Sciences.

The city has a strong football culture, being home to Valencia CF, a historic La Liga club, and the iconic Mestalla Stadium. Nearby clubs like Villarreal CF, Levante UD and Elche CF enhance the region's football scene, making Valencia a dream destination for players and fans.

OUR TEAM

Our UEFA PRO coaches customize each program to provide every player with a personalized plan that reflects their individual skills and requirements as a footballer. The aim of these programs is to develop and maximize their potential through rigorous training routines, accompanied by comprehensive...
SPAIN RUSH-SPF is dedicated to nurturing intelligent players who possess a keen understanding .

This mental agility along with appropriate physical, technical, tactical, and psychological training, produces players who are not only more confident but also more competent. We are committed to operating year round, assisting players in achieving the highest possible positions within Spanish clubs.

Participation in our program involves a selection process during trials. Scholarships may be awarded to outstanding players based on their football skills and academic performance, acknowledging their potential on and off the field.

SPAIN RUSH-SPF ACCOMMODATION

At Spain Rush-SPF, players live and train in a complete high-performance environment designed for both athletic and personal development.

Our facilities offer full accommodation with 24/7 reception service, modern student residences, classrooms, offices, restaurant and café areas, lounge spaces, gym facilities, and outdoor leisure areas including a swimming pool and playgrounds.

Athletes have access to top-level sports infrastructure across multiple disciplines. The facilities include indoor training grounds, football pitches (11-a-side and 8-a-side), six clay tennis courts, rapid tennis courts, padel courts, pickleball courts, street basketball courts, and multi-sport playgrounds.

Everything is located within the same facilities, creating a safe, professional, and international environment where students can study, train, compete, and live comfortably throughout the year.

OUR SERVICES

Our academy offers professional physiotherapy support focused on recovery, injury prevention, and physical performance. Each player receives personalized attention from qualified specialists to help maintain optimal condition throughout training and competition.

In addition, we provide organized transportation services to ensure players can travel safely and comfortably between training facilities, schools, medical appointments, airports, and other essential locations. This includes both airport pick-up and drop-off services, allowing athletes to maintain a structured routine and stay fully focused on their academic and athletic development.
