Dear Residents of Doddington

Christmas is well and truly on the way and how splendid does our village look! Well done to everyone involved, whether you have been up ladders hanging lights, working behind the scenes all year or have dropped money into the donation envelopes the results are spectacular.

Santa will have no trouble seeing his way around the village when he visits for his annual "Santa Run". You can follow him via the live tracker, just follow the link on the carnival website. The proposed route is also on page 23.

The following week, the Fenland Farmers will be driving through the village with their annual Tractor Run. In an attempt to keep traffic flowing, this year they will set off in three groups with a five minute break between them, so do wait to see all three groups. They should be here between 4 and 4.30pm.

There is no doubt that Christmas is a great time for everyone to get together, but spare a thought for those who may find Christmas a difficult time. We especially think about those who have lost a loved one and the thought of an empty chair on Christmas Day can be upsetting. Perhaps you know someone who would appreciate a Christmas visit?

It is my pleasure to continue to pull all of the village news together for you each month. It never ceases to amaze me how many people are working tirelessly for the good of our community. Together we have impressed the National Lottery and I am delighted to say that they have made a further donation towards the running costs of the Diary, so our future is looking good!

Supported by: COMMUNITY FUND

Thank you to everyone involved in **producing** and **delivering** your village magazine. T**hank you all** or your continued support, without your contributions and enthusiasm, there would be no magazine.

We wish you, and all you love, good wishes for Christmas and the New Year

From Sally, the Editor

Christ the Light in the Winter Darkness

As I write these words, Advent is almost upon us. The days are drawing shorter, the temperatures are falling, and the familiar signs of winter are beginning to appear all around us. Before long, we shall gather around Advent wreaths, sing the cherished carols of the season, and once again hear the wonderful story of God stepping into the world through the birth of Jesus Christ.

For our family, this Christmas will feel particularly special. It will be our first Christmas in a rural community, and we are genuinely excited to experience the season in a new way. There is already much excitement in our home as the children count down the days, imagining what Christmas in the countryside might be like. Having spent much of our lives in towns and cities, we were accustomed to evenings illuminated by streetlights, shop windows and the constant glow of urban life. Here, when darkness comes, it truly comes. The fields disappear into shadow, the lanes grow quiet, and the stars seem brighter than we ever remember.

Yet perhaps one of the unexpected gifts of living here is that the light seems brighter too. A single lamp shining from a cottage window catches the eye. The glow of a church at the heart of a village feels warm and welcoming. Even a torch carried along a dark lane can be seen from a remarkable distance. Light matters more when darkness surrounds it.

As I have reflected on this, I have found myself drawn back to the words of Scripture that describe Christ as the Light of the World. Advent is a season of waiting and watching. We remember His coming at Bethlehem, look forward to His coming again, and celebrate the reality that He continues to change lives today.

Into a world often marked by uncertainty, conflict, loneliness and fear, God sent His Son. Into the darkness came light. The message proclaimed by the angels to the shepherds remains just as true today as it was two thousand years ago: there is hope because Christ has come.

As a family, we are looking forward to all that Christmas will bring. We are excited for carols by candlelight, festive gatherings, and the joy of celebrating our first Christmas in these villages we are privileged to call home. Yet the season also invites us to look beyond ourselves and remember those for whom Christmas may feel difficult. In our own community and across the world there are people carrying burdens of grief, isolation, persecution, anxiety and hardship, and for some the darkness can feel far deeper than the winter nights around us.

The hope of Christmas is not ours to keep. It is ours to share.

On behalf of my family, thank you for the kindness and encouragement you have shown us since our arrival. We are deeply grateful to be sharing life, faith and ministry with you here in the Fens. As Advent begins and Christmas draws near, may the Light of Christ shine brightly in your homes and hearts. And may He use each one of us to bring that same light, hope and joy to others, especially where it is needed most.

Girlguiding

The Rainbows and Brownies both enjoyed a mini campfire and made their own s'mores, they all had a Sparkler, waving it about to write their name. Guides also had Sparklers and working in groups made apple crumble. They prepared the ingredients and then cooked on the fire. Once ready this was served with custard, very tasty! Rangers prepared pitta bread pizzas and used the campfire to cook them. They also made s'mores and waved a sparkler about.

Brownies have been learning about where they live. In groups they drew out large maps of the village they live in, Doddington, Wimblington, Manea and Benwick. This was to show everyone landmarks and their journey to Brownies. To further our knowledge we have been to March Museum learning more historical facts and looking at local artefacts from our surrounding villages. Thank you very much to everyone at the Museum for showing us around.

Well done to all the Guides that slept out in their cardboard box dens. It was a chilly night, but they all did well, they should be so proud of themselves. We raised a fantastic £900 to share between The Ferry Project, a local charity supporting people experiencing homelessness and our own Guide unit for our future adventures. Thank you very much to everyone who donated. Thank you to One Stop, Doddington for donating food for our tea and to Smurfit Kappa for cardboard boxes.

Rangers have had a variety of meetings, from making their own hockey sticks and ball for a very lively indoor game to road safety skills with remote control cars. Rangers have made Christmas decorations to sell on our Christmas fundraising stalls and will be looking forward to their end of term Christmas dinner!

We would like to wish everyone a very Merry Christmas and best wishes for the New Year. Thank you to everyone who has supported us throughout the year, by donating, visiting our fundraising stalls and coming along to our Sip and Paint events.

The Child Who Was Always There

Most families have someone who quietly takes on more than their share of responsibility.

The person who is always there to help, who makes time for appointments, offers practical support and ensures that an ageing parent is never left struggling alone.

But when one child has spent years caring for a parent, should that be reflected in their inheritance?

It's a sensitive question, particularly when other family members may have contributed in different ways.

In this month's article, we explore the delicate difference between equality and fairness, and why recognising someone's contribution doesn't have to mean putting a price on love. Scan the QR code to read the full article and discover how thoughtful planning today can help avoid misunderstandings and protect family relationships tomorrow.

Regards,

Colin Barrett - Peritum Wills

Women's Institute

Members were welcomed to the meeting held on 2nd November. Sally Shortland said the recent Harvest Celebration in St Mary's Church had been very successful and Sally Graham was thanked for all her hard work.

Congratulations were given to Jo Dale who had come second in the recent 10 pin bowling event. Information was given of forthcoming events and the proposed Resolutions from the NFWI were read out. These will have to be voted on in the new year. Jo Dale will lay the wreath at the Remembrance Sunday service.

Volunteers were needed for the Christmas Lights Switch-on and some donations for the tombola had been received with others to be dropped off later. The Centennial Competition for 2027 will be Christmas chutney. At this year's Christmas meeting there will be a secret Santa and there are plans for a Christmas Meal in the New Year. This will be at the Three Tuns on 14th January at 12.30 pm for 1.00 pm.

Our speaker for the evening was Geoff Watts who is a magistrate. He gave a very interesting talk about his work. Although Magistrates are voluntary, they do get their expenses paid. Local Magistrates attend the Courts in Peterborough, Huntingdon and Cambridge three times a month. This means that many magistrates are needed as three sit together at each session. All court cases go to the Magistrates Court with the more serious ones going on to the Crown Court. Geoff also visits primary schools to give talks in an attempt to deter children from ending up in court in the future. Geoff then answered questions from members and was thanked by Elaine Stratford.

Refreshments were served by Margaret Neesom and Brenda MacKenzie. There were four entries into the competition for a Firework Collage and the winner was Diana Philpot with 20 points.

Next meeting will be on 3rd December at 7.15pm. The competition will be for a Christmas Fairy and the committee will provide a buffet. Lorraine Hand will give a talk and presentation about Lindy Hop.

Please contact Elaine Stratford secretary for more information
(tel. 462057) or elainestratford@tiscali.co.uk

Doddington Recreation Committee

Our final Prize Bingo of the year will be held on Thursday 10th December, and this will be our Christmas Special! Doors open at **7pm,** with eyes down at 7.30pm. As always, it promises to be a great evening, with lots of festive prizes, a fun atmosphere and plenty of Christmas cheer. Our bingo evenings are always popular, so come along, enjoy a good night out and join us in celebrating the festive season.

As the year draws to a close, we would like to thank all our regular hirers and everyone who has hired the Pavilion throughout the year. Your continued support means so much to us. Without the support of our community, the Pavilion simply wouldn't be the facility it is today.

Everything is run by volunteers, and every penny we raise goes straight back into maintaining and improving the Pavilion and Recreation Ground for everyone to enjoy. We are incredibly grateful to all who supports us, whether by attending our events, hiring the Pavilion, volunteering or helping with fundraising.

We wish everyone in Doddington a very Merry Christmas and a happy, healthy New Year!

Remembrance Sunday

There was another excellent turnout for this year's Remembrance Day parade and service. The youngsters marched the short distance from the Three Tuns to the church, where they gathered around the war memorial for the annual village Act of Remembrance.

David Edwards read out the names of the villagers who lost their lives in WWI and WWII. The poppy memorials made by the Scouts were once again displayed on the trees.

Wreaths were laid by the Parish Council, 100th Club, Christmas Lights, Horticultural Society, Street Pride, Recreation Committee, Women's Institute, Cllr Michael Fisher, Guides and Scouts.

Bugler Andrew Salisbury played the Last Post. This was followed by two minutes' silence which was observed with great respect.

A Scout and a Guide took part in the readings, and everyone joined together in the hymns and prayers. A collection was held at the end of the service in aid of the Royal British Legion.

It was a very fitting and respectful tribute, and sincere thanks go to everyone who helped, participated or contributed in any way.

Christmas Lights

Apart from a few technical issues, the Christmas Lights Switch-On and Christmas Fair was a huge success this year. The Village was absolutely buzzing with people soaking up the wonderful, friendly atmosphere and we were blessed with a lovely crisp day. So the festivities are officially now open!

We are, as always, totally indebted to so many people for helping to make the Christmas Lights a success. So, we would like to give a huge thank you to:

- James Welcher and his trusty teleporter, who helps us put up the lights,
- Brian Elmore for supplying us with the poles and ferrying them around to the locations where they will be set.
- Adam Chambers for his help and the use of his truck to carry the heavy items around to their locations.
- All the helpers who work so hard to put the poles and lights up and take them down again in the New Year.
- A special thank you to the residents who provide the electricity to power our lights and decorations.
- All the residents who allow us to set poles in their gardens.
- Jason Shepherd for lending us a trailer for our stage at the Christmas Fair.
- All the stallholders who attended the Christmas Fair. We really hope it was a successful day for you.
- David Connor for his big part in the Christmas Fair.
- The Lionel Walden School Choir who melt our hearts with their singing.
- All our wonderful sponsors and donors whose money goes towards maintaining and hopefully extending the lights each year.
- Skylark Garden Centre, Delfland Nursery and Doddington Garden Centre for their very generous donations of raffle prizes.
- Ruth Hufton for her support of the Christmas Lights.
- Joanne Humphries for the use of her barn for the past 3 years.
- The Village Hall volunteers who provided the lights and sound for the school choir.

- Tesco for their kind donations.
- Elgoods for the use of their car park for the festivities
- Allpress Farms for their help.
- The Electric Cable Company, Whittlesey for the donation of cable reels for our lights.
- And of course, our lovely Christmas Lights Committee, who all work so hard all year to make sure we make the Doddington Lights as special as we can

All that remains is for the Doddington Christmas Lights Committee to wish you and yours

A VERY MERRY CHRISTMAS AND A HAPPY, PEACEFUL AND HEALTHY NEW YEAR

Fenland Farmers' Tractor Run

This year's Tractor Run will be held on Sunday 20th December. The procession will consist of three groups of tractors and will leave from White Fen Farm, Benwick. They will make their way along the 40ft river, arriving in Doddington from Primrose Hill between 4pm and 4.30pm, before heading off to City Road car park, March.

You can expect to see 60-70 new and old tractors, with Santa in his "sleigh" and maybe even the Grinch! They will hold a collection along the way and all money raised will go to local charities.

They will also be collecting new toys for the children of Holly Ward at Hinchingbrooke Hospital, **you can also drop off your gifts at The Three Tuns** - thank you.

For more information or to donate gifts please contact Steve 07837 733248

Village Hall

Doddington Village Hall has a number of events coming up in December with the most notable being The Anglian Players production of The Wonderful Wizard of Oz as their annual pantomime.

In early December, we are starting a coffee and cake morning, where you can come along, play some board games, read a book or just have a chat with someone. Enjoy a nice cup of tea or coffee along with a lovely bit of cake. Our prices are cheap and we have a great atmosphere for people to enjoy. The first of these mornings will be on the 7th December 2026 and will be every first and third Monday of the month, from 9am to 11.30am.

We have also started a new fundraiser on a website called EasyFundraising. It works in the background and will donate money towards the hall every time you spend over a certain amount in different shops. To join up, find the website, register an account and search for Doddington Village Hall Management Committee or use our charity number 1078767. Thank you for your support.

Throughout December the Anglian Players are getting ready for their annual pantomime. This year it is The Wonderful Wizard of Oz, written by Andrew Clark and based on the book instead of the 1939 film starring Judy Garland.

There are more characters this time for you to love and hate, and big changes to some of the characters that you know and love. Dorothy and her dog find themselves in Oz after a tornado that takes them away from their home and their family. Along her journey, she meets the Scarecrow, the Tin Man and the Cowardly Lion and together they all make their way to the Emerald City to meet with The Wonderful Wizard of Oz. But all is not what they expected! The Wizard is a bit of a fraud, he's not magical and the requests that are made from the main four are granted by themselves, not by the Wizard! The Wicked Witch of the West is on the hunt for Dorothy, and she will not rest until she finds her!

Book a ticket for the show to see if Dorothy finds her way home and what happens to the Wicked Witch! Tickets are £5 each, with a total of six shows from the 17th to the 20th December 2026. You can buy tickets online from TicketSource via The Anglian Players website or in person from The Green Welly in Chatteris.

Doddington Village
Sports & Carnival Committee

There's lots happening behind the scenes as we start looking ahead to Doddington Carnival 2027! While Carnival Day might still be a little way off, there are plenty of ways to get involved with us over the coming weeks and months. Here's what we've got coming up:

SANTA IS COMING!

We're delighted to confirm that our ever-popular **Santa Run** will be back this December! This is when on **Friday 11th, Saturday 12th and Sunday 13th December** we bring SANTA CLAUS to your house, so that children (of all ages!) can come out and tell Father Christmas what they'd like this year. (He can even check if you've been Naughty or Nice!)

Lots of information is on our website, including a LIVE SANTA TRACKER plus full routes of our journey throughout the village over the three evenings: **www.doddingtoncarnival.co.uk/santarun**

WIN OUR CHRISTMAS BARROW!

We are selling raffle tickets for just **£5 each** for our fantastic Christmas Barrow! The barrow is already starting to fill up, and we've estimated its contents are worth an impressive **£112 already** — and there's more to come! (We expect this to be worth £300+ by the time it's full!)

Can you help us fill it?

We're looking for donations of items to go into the Christmas Barrow. Whether you're a local business or an individual who'd like to contribute, we'd love to hear from you. Booze, chocolate, Christmas food and gifts are all welcome - we'll even come and collect donations from you!

If you'd like to donate something, please drop us an email. Every contribution is very much appreciated: **info@doddingtoncarnival.co.uk**
Santa will draw the winning ticket on Sunday 13th December.

CHRISTMAS COLOURING COMPETITION

Get those colouring pencils ready, as our Christmas Colouring Competition posters are now available to download from our website:**www.doddingtoncarnival.co.uk/santarun**

Once completed, entries can be posted into our special competition post box inside **OneStop, Doddington**. Who will decide the winner? None other than **Santa himself!** He'll be choosing his favourite on Sunday 13th December, just as we finish-up on the Santa Run! Good luck, and yes, children of all ages can enter!

WHAT SHOULD OUR 2027 CARNIVAL THEME BE?

This one's down to YOU! We're asking the community to help choose the theme for Doddington's Carnival Day 2027. We've already had some brilliant suggestions submitted, but we'd love to hear more. Whether it's something colourful, imaginative, nostalgic or completely bonkers, we want to hear your ideas! Remember, that it needs to be something that lends itself well to both Scarecrows, Floats and Fancy Dress. **The deadline for suggestions is Sunday 13th December.** Get your thinking caps on and help us make next year's Carnival one to remember!

JOIN US ON DISCORD!

Want to know what's happening with Carnival? Come and join us on Discord! **discord.doddingtoncarnival.co.uk**

It's not just somewhere for us to share news and updates — it's a place where YOU can get involved too. You can ask questions, share suggestions, tell us what you'd like to see on Carnival Day and have a say in what happens.

We want the Carnival to be something the whole community feels part of, and Discord gives us a great way to make that happen, so come and join the conversation!

More info: www.doddingtoncarnival.co.uk

Thank you once again for supporting Doddington Carnival!

We look forward to seeing you at our upcoming events.

Doddington Horticultural Society

Thank you to our hard-working friends on the Doddington Christmas Lights committee for organising another fantastic event last month and allowing the Doddington Horticultural Society to be involved. Having a presence at village events such as the Lights Switch-On and the Doddington Carnival and Sports Day helps to raise our profile, helps us to raise funds for our show and most importantly gives us chance to say hello and catch up with so many friends and supporters.

It has been said many times that these events would not be possible without all the volunteers and generous financial support from residents and local businesses. Following our shout out earlier this year, we are pleased to welcome some new members to our committee, and they have already brought us lots of new ideas for the future.

After several years of generous support, our main show sponsor has decided not to sponsor the 2027 show which leaves us with a huge funding gap. We are therefore looking for new main sponsors for our 80th Show on **Saturday 31st July 2027**. Ideally, we need to get them confirmed and in place as soon as possible so we can include them in all our publicity. If you know of any companies who may be interested, please make that introduction so that we can discuss what might work for them.

We are also looking for more sponsors of the sections to cover the certificates and trophy engraving and contribute towards the fixed costs (marquee and venue hire, insurance and first aid cover). Section sponsorship is £100.

This year we started the "Friends of the Village Show" and that will continue. It's a great way to show your support and makes a big difference. The cost is a minimum £25 donation.

We are starting to take bookings for stalls at the show already. If you are interested, please email doddingtonsummershow@gmail.com for more information.

However, before then we have the **Great Doddington Scone and Bake-Off Competition** on **Saturday 20th March** in the Village Hall – open to everyone and special classes for children.

Following requests, this year we have extended the competition to include cakes and bakes. We hope lots of you will enter your goodies and join us for a cream tea after judging – whether you entered or not. There will be more information nearer to the date. In the meantime, so you can start planning the classes are:

Adult Baking Section:

- Scones (Savoury & Sweet)
- Tray Bakes (Brownies & Flapjacks)
- Biscuits (Cookies & Shortbread)
- Large Cakes (Victoria Sponge, Chocolate Cake, Lemon Cake)

Children's Section:

- Scones (Savoury & Sweet)
- Tray Bakes (Brownies & Flapjacks)
- Biscuits (Cookies & Gingerbread)
- Cakes (Cupcakes)

This is our last update for 2026, thank you for your support and we wish you all a very Happy Christmas and a healthy and prosperous New Year.
If you are interested in joining our committee and volunteers, please get in touch.

Follow us on Facebook "Doddington Village Summer Show" for all the latest news. Phone: Ruth Hopkins – 07815 462796 or email: doddingtonsummershow@gmail.com

Free of charge inc all refreshments. Everyone welcome!
Supported by Cambridgeshire ACRE

Come and join us for refreshments, games and a good old chat!

1st Doddington Scout Group

As usual there has been lots happening for our members over the last month. Our Beavers, Cubs and Explorers have taken part in activities and camps organised by our District team. Our Beavers joined other groups for a day of activities to celebrate the section being 40 years old. The Cubs enjoyed a camp at Clip and Climb in Cambridge along with other Cub Packs across the District. They had an evening of climbing, food and a movie before setting up camp. The following morning, after breakfast, they had another climbing session. A great time was had by all. Our older Explorers also had a District Activity Camp in St Ives, where they did a scavenger hunt around the town, baking, tomahawk throwing, played wide games and took part in some taskmaster style challenges.

Squirrels – our youngest members have been making art from natural items they picked up during a previous hike, enjoying Halloween activities. They have talked about the importance of remembrance and they have worked on their musician badge by making musical instruments then creating a beat with them.

Beavers – it's never too early to start talking about money and trying to equip our young people with the skills to deal with everyday situations. Our Beavers have been taking part in games and activities to help develop these skills. Halloween saw them making lots of spooky snacks to share with their friends. Like our Squirrels, the Beavers talked about remembrance, discussing the part that Tom, the Messenger Scout, played in delivering messages that couldn't be sent by phone, these messages helped the emergency workers to know where they were needed. Tom wasn't a soldier but he played an important part and one that he was very proud of.

Cubs – along with taking part in the Clip and Climb camp our Cubs have been working on their photography badge, they have looked at cameras and how to recreate images. They are also learning about space, starting with the characteristics of each planet and then looking at what it takes to become an astronaut. As with other sections the importance of remembrance was also talked about prior to attending the Remembrance Sunday Service.

Scouts – our Scouts took part in a Jamboree on the Internet and Jamboree on the Airwaves camp when they used the internet and the radio to connect with other scouts across the world, discussing the differences in scouting in each country. They had a fantastic camp. Not wanting to miss out, the Scouts took part in an evening of taskmaster style challenges. They also took part in various activities in readiness for remembrance.

Explorers – a group of our Explorers and adult volunteers took part in a timed incident hike in Great Staughton, competing against other explorers and adults from across the county. Our Explorers did incredibly well, being crowned the winning youth group, only being beaten overall by an adult group. They have set themselves a goal for next year, to be overall winners.

As a group we were immensely proud to join the community at the Remembrance Sunday Service and very proud of all who attended, those who carried flags, did the reading and honoured our fallen. We will remember them.

Contact us: Scouting is for everyone aged 4-18y, and 18+ as an adult volunteer. Want to find out more about Scouting; either for a child to join, or volunteering (from the age of 14y) to undertake a task or two? You don't need to have Scouting experience to volunteer or be an expert at navigation or at lighting fires!

Contact our Group Lead Volunteer for more information on
Jonathan.harwood@doddingtonscouts.org.uk

Seeking adult volunteers to join our team

Providing fun and adventure from age 4

Scouts is where young people make new friends, have amazing adventures, and learn new skills.

Scouts has lots to offer both Young People & Adult Volunteers - why not join the fun and adventure in 2026!

Contact us to find out more about how Young People aged 4 - 18 can join.

Or, to find out more about getting involved as an adult volunteer, supporting a whole range of tasks to suit your skills & interests.

The Fens Reservoir

Consultation on our proposed earthworks trials is now open and will run until Wednesday 9 December.

We've been carrying out ground investigations to help us understand more about the area and how the reservoir could be designed and built. This includes surveys, boreholes and trial pits, all of which help us further our understanding of the conditions beneath the surface of the main reservoir site.

We're now proposing to take the next step in this work by carrying out temporary works on site, called earthworks trials.

The earthworks trials will build on what we have already learned and will help us understand the most effective way to build the reservoir, including how the clay should be handled and compacted, what construction methods work best, and how quickly the work can be carried out.

Before we can carry out the earthworks trials, we need to secure separate planning permission from Fenland District Council. This would allow the trials to commence as early as 2027 and ahead of our planned Development Consent Order application for the Fens Reservoir in 2028.

This is an exciting milestone in the project's journey. There is still more work ahead as we continue to develop and refine our plans, but these trials are an important step towards a final application and our longer-term ambition for a new reservoir where water, people and nature come together.

Our vision for the project goes beyond securing a sustainable water supply. We want to create a place where people, nature and water come together.

This vision is at the heart of everything we do, and we've now brought together more information about how we hope to make the Fens Reservoir a destination for communities, visitors and nature on a new Benefits page on our website.

To learn more about our proposals for the earthwork trials, give us your feedback or explore what the reservoir could bring to the Fenland area, including: creating stronger community connections, supporting health and recreation, protecting and enhancing nature and reducing pressure on chalk streams visit **The Project** and **Benefits** pages of our website.

Doddington 80 Years Ago : December 1946

Mr RR Driver was appointed a parish councillor to replace Mr FA Wood who resigned, and Mrs Doris Hardy was elected unopposed to replace Mr Wood on the North Witchford Rural District Council.

A number of items concerning the village came up at the Isle of Ely County Council meetings. Concern was expressed that a number of elderly evacuees from Essex who had been at Doddington Hospital since May 1944 had not been able to return home. Essex County Council saying that they had no accommodation available at present. It was agreed to write to Essex again on the matter.

The Education Committee agreed to erect a kitchen and dining hall to accommodate 64 children in one sitting at the school. It was also agreed that the senior children would be able to return to the Cromwell School Chatteris as soon as possible in the New Year.

At the annual meeting of the Women's Institute Mrs N Payne was re-elected President and Mrs Darwood continued as secretary and Mrs Buckley as treasurer.

An initial meeting was held to form a Women's Section of the British Legion, 20 ladies attended and it was agreed to hold a further meeting in the new year to finalise the details.

At the annual New Year's Eve family party in the British Legion Hall, Old Father Time was played by Mr C Miller and Miss 1947 by Eileen Kingham. A short play was presented by Misses D and J Tibbett and Masters G Clarke and R Hurndell. An amusing sketch "Gert and Daisy" was performed by Mrs Clapham and Mrs Hardy. The church bells tolled out the old year and welcomed the new.

To be continued.. .David Edwards

Doddington 50 Years Ago : December 1976

The Parish Council agreed to call a public meeting in January to discuss celebrations for the Queen's Silver Jubilee.

Plans for a 30 place psychiatric day unit at Doddington Hospital were discussed.

This photograph of Doddington Unted FC appeared in the Cambs Times.

Doddington United are pictured before their second league defeat of the season. Back row from left to right: Syd Garratt (manager), Gordon Ashman, Dave Townshend, Neil Boyden, Andy Thomas, Terry Harrison, Kevin Cashon. Front row: Kenny Fisher, Dennis Brownlow, David Middlemass, Chris Ward, Chris Cowell, Sid Eastol (substitute).

Parish Council Report

The Council met on Wednesday 11 November and agreed to progress the Doddington Neighbourhood Plan to the Regulation 16 public consultation stage. This is a huge milestone and the Chair thanked the Neighbourhood Plan group for their hard work over a prolonged period in bringing the plan to this point. If adopted, the plan will help shape future development in Doddington and guide decisions on planning applications, giving the village a stronger say in its future. Moving to this next stage does not mean the plan has been finally approved, residents will still be able to read it and submit comments during the public consultation. The consultation notice will explain how to comment and the deadline. You can view the Regulation 16 report on the Neighbourhood Plan section of our website.

Community Living Room
The Community Living Room welcomed 126 visitors during October. The possibility of free health checks for visitors is being investigated. The Community Living Room runs a range of free activities and refreshments and is a fantastic opportunity to socialise with other residents. If you haven't visited the Community Living Room before, it runs every Friday from 10:00-13:30 in the Church Rooms.

Nature Recovery – From the Ground Up
Peterborough Environment City Trust (PECT) and the Community Nature Engagement team at Cambridgeshire County Council have arranged a workshop and a big thank you to residents and organisations in the village who have volunteered to be involved. We will keep you informed as the project progresses.

Highways and Village Issues
The Council continues to raise concerns about local roads and footpaths to the Highways team. It's really important that faults are logged, so if you spot an issue please do report it using the Cambridgeshire County Council 'Report a Highways Fault' page on their website. Alternatively if you email our Clerk she is happy to report them on behalf of residents, photos are useful but not essential.

Abbey Recreation Ground
A replacement sign and fixings have been delivered for the skatepark railings and will be installed. Maintenance work is being arranged at the skatepark to ensure it remains useable for residents.

The Council agreed to revisit the overflow car parking proposal in the spring, this will allow for better weather conditions, give us the opportunity to investigate grant funding options and also work alongside the fantastic Multi Use Games Area (MUGA) project that will progress with Fenland District Council in the new year.

Did you know the Parish Council has a Facebook page? If you didn't this QR code will take you straight to it!

The Parish Council's website **www.doddingtonparishcouncil.gov.uk**, is where you will find agendas for upcoming meetings, minutes from previous meetings and other useful information.

There is also a contact page for the Clerk of the Parish Council, who works primarily on Mondays and Wednesdays from 09:00 to 15:00.

The Chair can be contacted on **01354 740323** or **07787 631153**, or by email at **chair.ruthhufton@doddingtonparishcouncil.gov.uk**..

100th Club

Everyone who attended our November meeting is now well into the Christmas spirit following the visit of the Chatteris Community Choir. Under the direction of their choirmaster Chris, they sang a selection of Christmas songs and hymns with lots of help from the members!

We are staying with Christmas for our December meeting when we will meet at The Three Tuns for our Christmas lunch, on Friday 11th December.

The lunch is for members only, sorry no guests, BUT we look forward to opening the doors to the pavilion to guests and new members when we meet on 21st January 2027!. A reminder to current members that your membership will need to be renewed in January, a bargain at just £15.

Merry Christmas and all good wishes from everyone at the 100th Club.

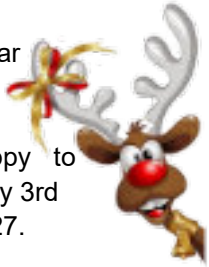
For further details please contact:
Heather Kilby (Treasurer 07870 483195
email: Doddington100thClub@outlook.com
(supported by Cambridgeshire County Council)

THRIFT SHOP

Bargains, bakes, baubles and banter....
all were plentiful and enjoyed at November's Thrift shop!

An impressive £800 (£156 from cafe sales) was raised for the improvements and upkeep to the Church rooms as well as to our chosen charity MAGPAS.

"It's the best social club ever!" said one of our regular customers.



Whatever your reason for visiting, we're always happy to see you! We'll have our last Thrift shop of 2026 on Thursday 3rd December, 9am to 12.30pm, then reopen in March 2027.

If you have items to donate (sorry, no electrical items), please bring them along 9 to 11am on 2nd December.
See you then!
