The LGBT ASYLUM PROJECT

Every LGBTQ+ life deserves *safety* and *refuge*.

Help us provide free legal representation to LGBTQ+ asylum seekers fleeing persecution, imprisonment, and violence.

WHO WE ARE & WHAT WE DO

The **LGBT Asylum Project** is the **only San Francisco nonprofit** exclusively dedicated to providing free, accessible legal representation for LGBTQ+ asylum seekers fleeing persecution based on sexual orientation, gender identity, or HIV status.

Located in the heart of the **Castro District**, we serve as a beacon of hope for those who have survived imprisonment, torture, and violence - simply for being who they are.

We serve immigrants in the **San Francisco Asylum Office Jurisdiction from Bakersfield, CA to Alaska**.
