Growing Up In North Yorkshire Results for Dacre Braithwaite 2024

Recently, we received the results of our school's data from the Growing up in North Yorkshire survey which was carried out in the Summer Term last year. Here you can see the headline figures for how our children compared to a data set of over 2,000 children in KS1 (year 2/3) and over 4,500 KS2 (Year 5/6). Overall, it paints a very positive picture for our children.
