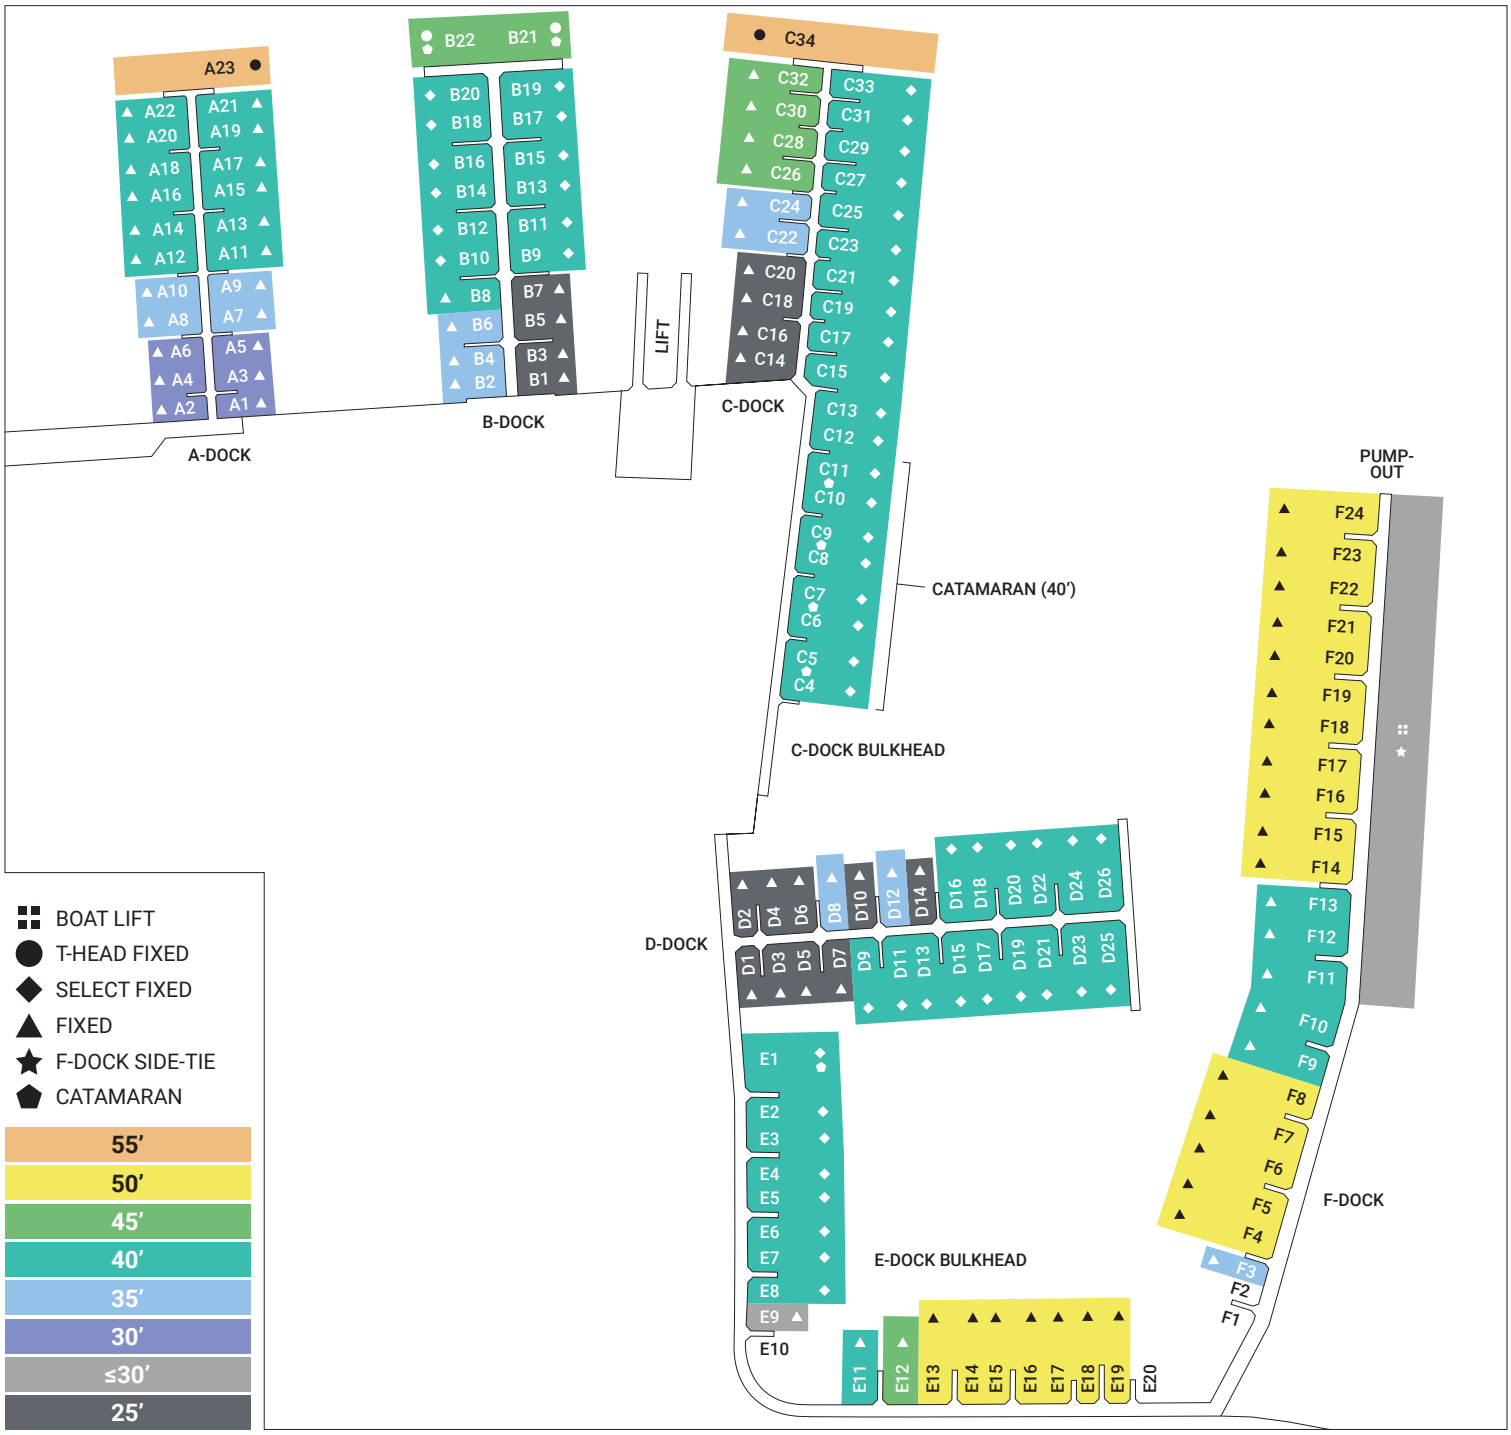
All pricing subject to change without notice



1 All slipholders must be members of Haven Harbour Marina. Membership includes the following services and amenities: Use of all recreational amenities, picnic pavilion, gazebos and barbecue grills, swimming pool, laundry facility, heads and showers, waste pump-out system (at $10.00/ea.), on-site dock bars and restuarants, Reception Center lounge, Waterman's Museum, dockside water, complimentary bicycle and kayak use, fitness room, discount fuel purchases, daily dock checks and storm vessel safety checks.

2 Dockage fee includes (1) 30-amp electric service. Any vessel exceeding the total length of a slip will have additional length prorated based upon the given slip rate.

3 Weekend and overtime rates will be charged at time and one-half. An Environmental Compliance Charge of 3.5%, as well as a Consumable Shop Supply Charge of 2% will be added to all service work orders. Involved sanitation system services are billed at $150.00/hr.

4 In-season power wash includes a tow to lift, haul, power wash of bottom and inspection of running gear while in slings, relaunch and return tow to slip ($12.00/ft.). For vessels with heavyfouling, additional labor charges may apply. Power wash with blocking must be in-season with repair work done by Haven Harbour Yacht Services only ($20.00/ft). For vessels with heavy fouling, additional labor charges may apply.

5 Painting of bottom includes labor for basic prep. Bottom paint and materials not included, billed separately.

6 Battery and bilge check special includes check of battery water level, the plugging-in of charging system, charge for eight (8) hours, checking of bilge, pump-out of any water and adding of Camco as needed.

7 Sandblasting includes ground cover, disposal of hazardous and sandblasting materials. Does not include tenting of vessel.

8 Contact for estimate regarding winterization pricing.

9 Monthly storage is billed at vessel LOA with a minimum of 30' ($420.00/mo.). Vessels smaller than 30' will be billed at this minimum rate.

10 Dinghy rack and locker storage billed monthly on a calendar year basis. Dinghies must be kept in designated areas at all times and be tagged with owner and boat names.

11 Transient dockage includes use of all marina amenities, including heads, showers, swimming pools, waste disposal services and more.

12 Dry storage rates do not include the following required services: Hauling and launching, power washing, blocking and towing to/from slip (see reverse). All wet-stored vessels must have automatic bilge pumps. No electric resistance heat permitted while not on-board.
