1 **JAPAN** — ***Winsome Lau***
For many Japanese, Christmas is simply a cultural event marked by special cakes and decorations with no deeper meaning. Pray that God will use this wonderful season to draw many to understand that Jesus is God's only son, born to bring them salvation and new life to all people.

2 **CROATIA** — ***Kenny & Brittany Beacham***
We're excited about a Christmas concert in the main square of Slavonski Brod to kick off Advent! Pray that this will not be just a musical event, but an opportunity for people in our city to hear the hope of the gospel and be reminded of the incredible gift of Jesus.

3 **UKRAINE**
Pray for AM as he travels into Ukraine this month. Ask God to help him connect with Bible college and seminary students, keep him safe, and use him to encourage brothers and sisters amid increasing violence in the war.

4 **RUSSIA**
Pray for the TELA youth ministry staff as they host a youth conference today and tomorrow, with 200 expected to attend. Ask the Lord to give all the young people safe travel from other provinces and move them to commit more deeply to follow Jesus as Lord.

5 **CANADA**
Ask the Lord to bring lasting gospel fruit through our Chinese Diaspora Ministry team's December outreach in Colombia, to guide new missionary appointments and January preparations for Georgia, to provide generously through our year-end campaign, and to strengthen partnerships with Canadian churches to send more workers to unreached peoples.

6 **INDONESIA** — ***IC***
Continue to pray for fast processing of my work visa, that this waiting period will be fruitful, and that God will continue to prepare me for the ministry opportunities ahead. Pray for me to develop practical skills for daily life and ministry, such as riding a motorcycle!

7 **SPAIN** — ***David Neufeld***
As we establish the new church in Uribe Kosta, pray that all members will be involved in one vision to serve, lead, and be part of small groups. As we lay the foundation now, pray for wisdom to plan the next steps for this young church, and for other church plants to follow.

8 **MUSLIM SE ASIA**
Pray for smooth and easy preparation for an upcoming medical clinic in January where we will serve 1000+ patients over the course of four days. Preparations can be logistically difficult in the midst of the holiday season.

9 **SLOVENIA** — ***Ptuj Team***
This month we will have Christmas parties with our kids and youth groups, and read the Christmas story together as a Bible study. Pray for open hearts to the reason that Christ came in human form as we share this with children, teens, and adults here in Ptuj.

10 **VIETNAM** — ***Mark & Rebecca***
Pray for Rebecca as she trains the teachers at the blind center to develop a program focused on early intervention and development of individual education plans for the children. Pray for Mark as he helps another English club plan a Christ-filled Christmas program for college students on December 16.

11 **BULGARIA** — ***Gisli & Nora Jonnson***
Pray that the counseling training this weekend will prepare the trainees to listen well to people. Pray Proverbs 20:5 'The purposes of a person's heart are deep waters, but one who has insight draws them out' over this training session.

12 **CZECH REPUBLIC** — ***Jeremy & Svatia Mueller***
As we host our second annual Christmas Quiz party at Charles University, pray that non-believing students will come, enjoy their time together, and respond to the short gospel presentation.

13 **SEND NORTH**
This month we have incredible opportunities to share about SEND North and the Project Caribou capital campaign with two key partner churches in Anchorage during their main services. Pray that people will respond with generosity, and that God will raise up new missionaries from within these churches.

14 **GLOBAL CHINESE MINISTRIES** — ***Michael & Christine***
Pray that our church plant in Taiwan will continue to grow together as a gospel-centered community. As we look ahead to the coming year, ask the Lord to deepen our appreciation of the gospel and let it transform how we live, love, serve one another, and share the good news.

THAILAND

Pray for the Christmas parties for our 183 education students—first, second, and third-year groups will meet different days this week. As we share the Christmas story and the gospel, ask God to prepare their hearts so that many will come to know Jesus and receive his gift of salvation.

17

MUSLIM SE ASIA

The campus team will host a culmination event and several fun activities to support the mental health of students they tutor during this heavy month of exams and research papers. Pray for the students during this time as they finish classes and many return back to their homes in the provinces.

18

SPAIN *Brooke Nagel*

As we continue to work towards sending our first Spaniard to minister with one of our teams here in Spain, pray for the new opportunities that we are seeking to open with local ministries like Amar, new cities such as Granada, and a ministry to Muslims.

19

MUSLIM SE ASIA

Pray for our celebration of health with clinic patients from the Ummi community as we thank God for the opportunity to serve them this year through small clinics. Those whose chronic conditions were held stable will receive a certificate of appreciation for the effort they have shown this year.

20

THAILAND *Caleb & Raquel*

As we host Christmas outreaches in four unreached communities, pray for the hearts of those who hear the message to be open! Pray also for our national partners and local believers as they share and as they follow up connections afterwards. The biggest part of the Christmas outreaches is follow-up!

21

SEND NORTH

Today is the shortest day of the year and some will not see the sun rise. Pray that the Holy Spirit will move through SEND North workers to bring love, encouragement, and gospel truth to the people of the North. May this light outshine any physical or spiritual darkness that exists.

22

SPAIN *Franklin & Kaitlyn Sequera*

Pray for the new challenges and progress Kaitlyn is experiencing in her work with Amar Dragoste. Pray for the resources needed to continue reaching out to help rescued women. Pray that God will strengthen and add people to the first five home groups in our local church.

23

GLOBAL CHINESE MINISTRIES *Ver & Melody*

We had planned to leave Batam in December and return to Manila to begin our next ministry assignment, but due to Ver's ongoing cancer treatment, we had to adjust. Pray for Ver's healing and strength, and for God's wisdom and guidance as we discern the right timing to transition to Manila.

24

SLOVENIA *Ptuj Team*

We will visit two retirement homes in Ptuj to sing Christmas carols and share the gospel with the residents, as well as give out calendars with Bible verses. Join us in praying that our visits are an encouragement and for God's message to dwell in their hearts.

30

THAILAND

As a new teacher starts at our school beginning of January, pray for new English learners to fill up her schedule and also top up the other teachers' schedules. All of our teachers are excited to teach English and look for ways to be Jesus in the lives of students.
