Student Requirements List

Tutor: **Angela Ferolla**
Course Title: **Extreme Appliqué**
Facebook: Angela Ferolla Instagram: angela_ferolla

Please give yourself time to prepare, as your materials will be central to the development of your work and enjoyment of the workshop on offer.

Please bring a mug or cup for morning and afternoon tea in the classroom, and a Name Tag!

Your tutor has asked you to bring the following:

- Sewing machine in good working order, and with darning/machine embroidery foot
- Extension cord and power board
- Machine needles and spare bobbins
- Assorted threads for machine embroidery
- Sewing kit: pins, needles, fabric scissors, unpicker, tailors chalk
- Scrap fabrics and larger piece for base. These fabrics should reflect the theme or inspiration you would
- like to go with. They can be any type of fabric. Plain, patterned, coloured, textured, old, new, tea towels, etc etc.

As an example, Angela notes: "I like to use scraps from my costume making job, thus it can be metallic or fluoro lycra or an old vintage upholstery fabric for a romantic Shakespearean skirt. The fabric will really impact on the final design as it already has a story to it. We will also be printing or changing the colours of the fabrics so bring an assortment. The picture on the right shows a work by local artist Matt Mcveigh. He had collected a big bag of Hi vis uniforms which he gave me with a large map of indigenous language groups in Australia, and I collaborated with him to create his artwork."

- Inspiration pictures. Choose images that you like to look at, to give you ideas about colours and fabrics to choose, shapes to cut, and design to unfold. It could be anything from the natural environment, micro worlds, architecture, patterns, abstract. The list goes on. No rules. Can also be your own 'doodling' or drawings!
- Hand stitching needles, embroidery thread if you would rather do this instead or machine embroidery. Or you might like to try both and choose.
- Note book or sketch book and pencil

PTO >>>>

For this workshop we will need the following equipment for general use:

- Two irons
- Two ironing boards
- Two drying racks

If you can bring any of these items, please let Martien know asap on info@fibreswest.com.au
Our thanks in advance!

Student Material Fee: $75 per person to be paid in cash to your tutor at the start of the workshop.
It covers a range of materials and use of equipment your tutor will provide including foil and glues, vliesofix, acetate and Permaset inks, containers and brushes, scissors, paper, pens, carbon and tracing papers, threads and needles.
