Materials Fee: $35 per person (payable in cash to your tutor)
This fee covers a generous resource pack containing a range of pre-dyed mixed fabrics prepared by your tutor, and additional materials and equipment provided by Fibres West Inc for your use in the workshop.

Your tutor has requested you bring the following to the workshop:

- Fabrics and threads in your chosen colour palette. The use of recycling and re-purposing found fabrics, off cuts, yarns and threads is very much encouraged. Think distressed/worn/torn fabrics, cut up old clothes, bedsheets, tea towels, scraps of string/twine/yarns, tangled left-overs. One of these can be used as a backing fabric. There is no minimum or maximum amount to bring; the advice is to *not* bring the whole studio and focus on learning techniques and approaches rather than output and quantity
- Two or three reels of sewing machine threads to suit your chosen colour palette
- hand sewing needles
- embroidery scissors
- 2-3 small pieces of finer fabric (silk, muslin, scrim, ramie, organdie, thin linen etc)
- a selection of small pieces of different fabrics (see suggestions about distressed/worn/torn frbaics above)
- a small piece of wadding/old cushion stuffing

Optional

- Embroidery threads (including an embroidery needle)
- embroidery hoop
