ABOUT OUR GENERAL PRICE LIST

Turner Funeral Home was chosen to be this area's only international "Golden Rule Funeral Home." Since 1936, our dedicated family and staff have tried to, *"do unto others as we would want others to do for us."* Turner's is the oldest "Full Service" Funeral Home in Chattanooga still owned and operated by the founding family for over 90 years. We offer you full or basic traditional funeral services and full or basic cremation services for your family. Our facilities have a big entrance foyer, large visitation parlors with a beautiful 200 seat chapel, convenient parking access and a large coffee room for your family and friends to enjoy food brought by your guests or a caterer. We provide these items and more all at the same location

In Our Highway 58 Full Service Funeral Home.

Believing that our families are best served when as much information as possible is available when needed, we are providing you with the attached price list for the services, facilities and other items you may purchase. Since there is a broad range of needs and preferences among different families, there are some items listed that will not apply to your arrangements. All funeral and cremation options carry a charge for the services of the Funeral Director and Staff including compliance with governmental regulations and overhead. Some other items may be necessary for the type of funeral/cremation services you arrange or may be required because of state regulations. Cash advance items that you select are provided by third party businesses but are billed through us. Your Funeral Director will provide you with specific information about these cash advance items: obituary/photo charges, certified death certificates, flowers, open / close grave charges, etc. Most of these items contain a description to help you to determine whether you should include it in your arrangement. At the end of your discussion with the Funeral Director, you will be provided with a cost statement itemizing and totaling the various items you selected, so that you will know the total cost of the service arrangements.

Our normal office hours are 8 a.m. - 4 p.m., Monday – Friday and 9 a.m. – 3 p.m. on Saturday. The funeral home is open at other times by appointment or when needed to accommodate arrangement conferences, visitations and/or services. A licensed funeral director is available by phone 24 hours a day, 7 days a week. We do not allow overnight visitation due to safety regulations and the high cost of liability insurance. We try to provide the best services possible and to offer them at reasonable prices. We appreciate the opportunity to be of service to you and your family. Let us help you with preplanning any type of service you need.

Always remember, Turner's Golden Rule Funeral Home will be here to help you before the services are needed, during, and after all the services are completed.
