**-April 18: Habitat in
Wayne County turns
40!**

**-3rd Annual Golf
Outing**

Restore Helps Build Homes

Did you know the ReStore is more than just a place to buy furniture and quality construction materials? Habitat for Humanity in Wayne County sees 40% of the annual budget come from ReStore sales! That means we build two houses per year as a result of our community donating items and coming out to shop.

Recently, we were given a boat! This generous gift found a new home and as a result, we can provide someone a reliable home in 2026.

Over the Hill

Habitat for Humanity in Wayne County is turning 40 this year. As we celebrate this benchmark, we are looking to the future by remembering the past. We will be celebrating throughout the year in various ways.

History in the Making

We are starting off the year with our 40th Anniversary Legacy Puzzle.

Help us celebrate by forming part of our Jigsaw Journey as we have 500 puzzle pieces that need filled in.

Through the years, we have seen many people give their time, resources, and talent to further the mission of creating

a world where everyone has a decent place to live. So many companies,

churches, and individuals have come alongside us to help create a framework of stability through housing. As we reflect and honor where we are today, we invite you to purchase a puzzle piece for \$40. In doing so, you will get to write the name of your choosing on the puzzle piece. This can be in honor of someone, the name of an area company or church, or your personal name. It will then go into the montage that makes up the Habitat Home at the ReStore. To participate, stop by the

ReStore at 2700 Akron Road-Wooster or email acochrell@waynehabitat.org. We are excited to ponder what the future holds and thank everyone for the last forty years. Let's make history together as we build this home and many more to come!

True Dedication

We will dedicate our newest home on March 24th at 4 p.m. We are thrilled for our partner family to have reached this milestone. The key ceremony is the culmination of a lot of work, sweat, tears, and

prayers. It takes true dedication, on the part of the homeowner, to stick with the process and cross the finish line. We invite you to join us at 624 McGill Street in Orrville for this exciting event.

New Beginnings

As we wrap up one home, we are ready to spring into action for our 95th house! Join us on April 10th at 11 a.m. as we will break ground at 363 West Larwill Street in Wooster. This project is our

Corporate Build house as we are inviting area businesses to get involved in making this family's dream become a reality.

Each house built has a significant cost that we offset to ensure the homes are affordable. This opportunity to help and encourage others is a true privilege. We invite area business to help make a dream come true by donating finances and through volunteering.

Grab the Bull by the Horns

Wooster Bulls Professional Hockey team reached out to us for the purpose of partnering together. The passion of this team is to give back to the community.

We enthusiastically agreed to team up with the Bulls. There are two upcoming games where Habitat for Humanity will be highlighted. Come out to Alice Noble Ice Arena on January 24 or bring your Valentine to the game on February 14th. Both games begin at 7:30. Tickets are \$12 cash or \$13 if paying with credit card. \$1 per ticket will go to Habitat for Humanity to help with the Corporate Build Home. You can purchase tickets at the door or online by scanning the QR code.
