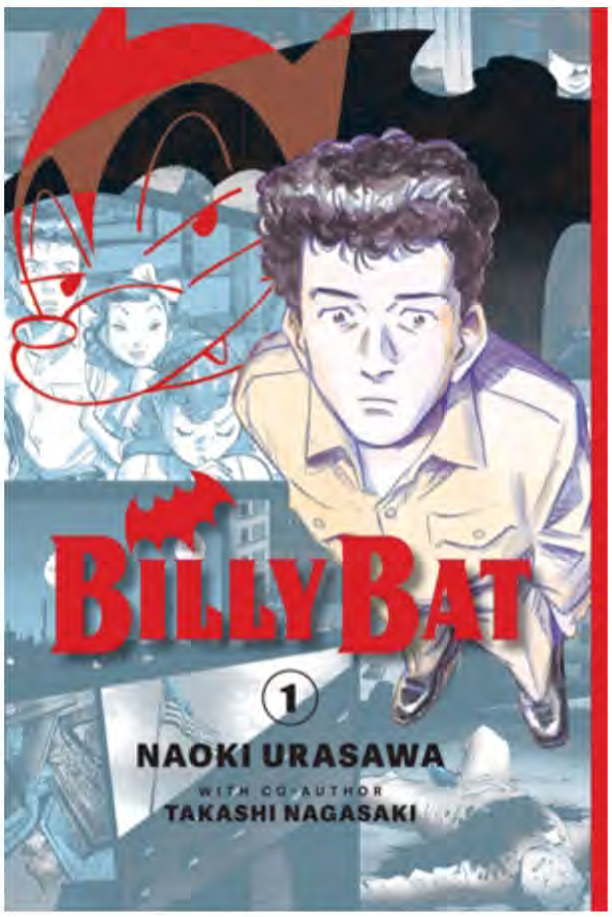
BILLY BAT#1

Billy Bat Volume 1

- BY NAOKI URASAWA AND TAKASHI NAGASAKI

A highly requested title from Naoki Urasawa and Takashi Nagasaki, the in–demand manga Billy Bat, historical conspiracy–thriller meta–manga spanning multiple millennia following a Japanese American comic artist's search for the truth regarding the origins of his character "Billy Bat."



A thrilling sci–fi mystery by Naoki Urasawa and Takashi Nagasaki.

It's 1949 Los Angeles, and Kevin Yamagata, a Japanese American comic book author, is drawing his bestselling comic book character, Billy Bat: a quick–witted detective who is, unsurprisingly, a cartoon bat. Everything is going well for Kevin until he discovers an unfortunate truth: He may have unintentionally plagiarized his beloved character from a drawing he once saw in Japan. Devastated by the news, Kevin returns to war–torn Japan to find the drawing's original artist . . . but the character's origins turn out to be far older and more perplexing than he had ever imagined.

Naoki Urasawa is a master manga artist described to have changed the history of contemporary manga. He has won numerous awards, including the Shogakukan Manga Award three times, the Tezuka Osamu Cultural Prize twice, and the Kodansha Manga Award. He is known for authoring *Monster, 20th Century Boys, Billy Bat,* and *Pluto* (which was adapted by Netflix). **Takashi Nagasaki** is an author and manga writer known for titles such as *Monster, 20th Century Boys,* and *Pluto*. He worked as editor at Shogakukan before leaving to work as a freelance artist.

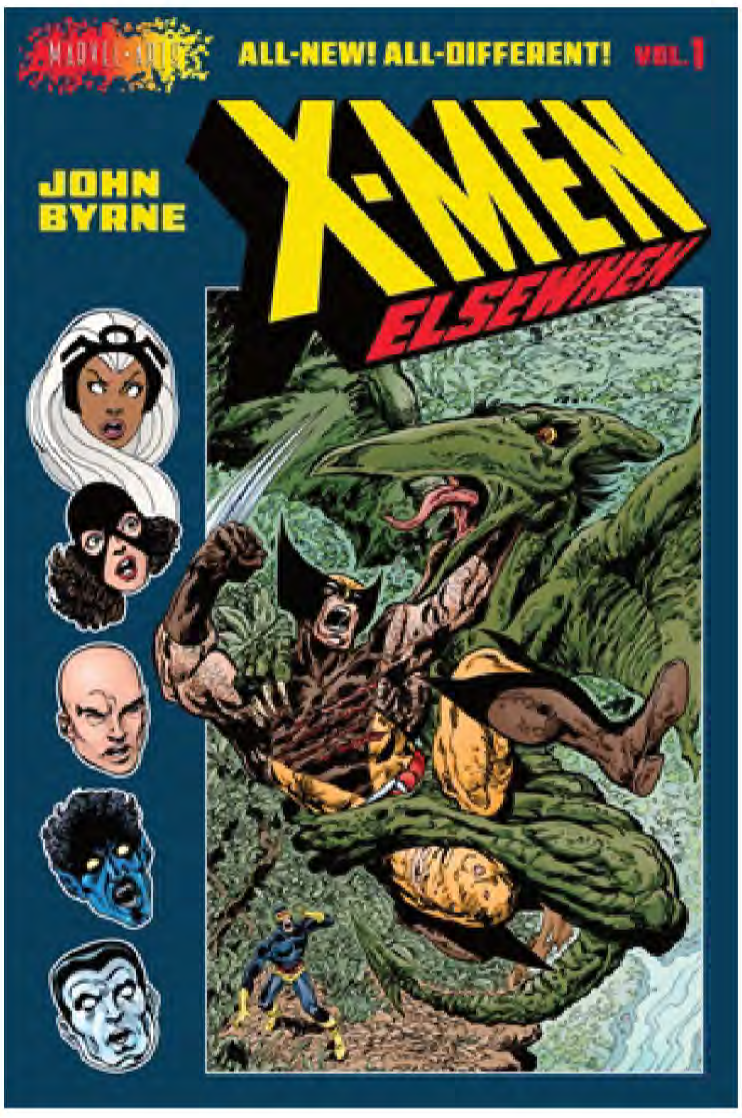
X-Men: Elsewhen (Volume 1 of 3)

A GRAPHIC NOVEL

- WRITTEN AND ILLUSTRATED BY JOHN BYRNE

Legendary comic book creator John Byrne returns to the characters he first drew 50 years ago, the X–Men, with this all–new, one–of–a–kind graphic novel series, *X–Men: Elsewhen*. This special three–volume series picks up the story from Byrne's original run on *Uncanny X–Men*, taking the characters in thrilling and unexpected directions.



In Volume 1 of *X–Men: Elsewhen*, the Dark Phoenix Saga is over and Phoenix is . . . alive?! Diverging from the epic finale of the original storyline from 1984, *X–Men: Elsewhen* presents a universe where Jean Grey's powers and intellect have been greatly reduced, and from there, everything you thought you know about the X–Men is forever changed. John Byrne's monumental return to the X–Men heads in entirely new and surprising directions, as the X–Men head back to the Savage Land, face their climactic adventure with the Sentinels, and contend with special guest–stars such as the Avengers and the Fantastic Four along the way.

X–Men: Elsewhen is a three–volume graphic novel series in the Marvel Arts line that sees the return of acclaimed X–Men artist Byrne decades after his last work on the series. Byrne has written and penciled every page and inked multiple chapters, all of which pick up the story from where his first go–round ended, taking this beloved lineup of characters—and his fans—in exciting new directions.

John Byrne is a British–born American comic book writer and artist who has worked continuously in comics since 1975. Byrne got his start at Charlton Comics before moving to Marvel Comics on series such as *Iron Fist* and *The Champions*. He took over penciling duties on *Uncanny X–Men* in 1977, where he co–plotted and illustrated one of the most acclaimed and influential runs in comic book history. He went on to revitalize *Fantastic Four*, *Alpha Flight* and *She–Hulk* before leaving Marvel for DC Comics in the mid–1980s. There, he relaunched *Superman* for a new generation of readers. He is also the creator of series such as *John Byrne's Next Men*, *Danger Unlimited*, and *Cold War*. Byrne entered the Will Eisner Awards Hall of Fame in 2015 and the Harvey Awards Hall of Fame in 2025. He lives in Connecticut.

LEGENDARY CREATOR: John Byrne, the Eisner Hall of Fame comic book writer/artist who co–plotted and illustrated some of the most memorable *Uncanny X–Men* comics of all time, returns to write and draw new X–Men graphic novels—his first time creating new adventures for this iconic team in more than two decades.

SINGULAR GRAPHIC NOVELS: Byrne's initial work on *Uncanny X–Men* is one of the most lauded runs in Marvel Comics history, with stories that served as inspiration for multiple big–screen films and animated series alike. Byrne created over 600 pages of new stories that pick up where he left off, with one key difference: In the original comics, the character of Phoenix made the ultimate sacrifice to save the galaxy . . . but in the original ending that Byrne and writer Chris Claremont envisioned, Phoenix survived, albeit her powers greatly diminished. Our new trilogy of graphic novels from Byrne picks up from this point, telling divergent stories as though he never left the title.

- WRITTEN BY RAMIN ZAHED

The official behind–the–scenes companion to the Disney+ animated series

Cover to be revealed....

The Art of Your Friendly Neighborhood Spider–Man documents Marvel Animation's development of the first season of the critically–acclaimed Disney+ animated series. Interviews with key creatives accompany sketches, storyboards, character and costume designs, animation cels, and other ephemera from the making of the series.

Kirby: King of Comics

Previously Offered through Other Distributors

ANNIVERSARY EDITION

- BY MARK EVANIER; INTRODUCTION BY NEIL GAIMAN

The first authorized celebration of the one and only King of Comics and his groundbreaking work—now revised and expanded

"A landmark work, this is essential reading for comics fans and those who want to better understand the history of the comics medium—or those who just want to enjoy Kirby's incredible artwork."
—*Publishers Weekly*

". . . for a comics fan, Evanier's book is an essential purchase."—*The Guardian*

Jack Kirby created or co–created some of comic books' most popular super heroes, including Captain America, The X–Men, The Hulk, The Fantastic Four, The Mighty Thor, Darkseid, and The New Gods. More significantly, he created much of the visual language for fantasy and adventure comics. There were comics before Kirby, but for the most part their page layout, graphics, and visual dynamic aped what was being done in syndicated newspaper strips. Almost everything that was different about comic books began in the 1940s on the drawing table of Jack Kirby. This is his story by one who knew him well—Mark Evanier. First issued in 2008, *Kirby: King of Comics* was the first overview of the legendary comic book creator's career. It is now available in a smaller, more affordable package, revised and expanded for Kirby's centennial.

Mark Evanier, an award–winning writer and historian, has three Emmy Award nominations and received the Lifetime Achievement Award for animation from the Writers Guild of America. He lives in Los Angeles.

Artists include Jack Kirby, John Buscema, John Byrne, Frank Miller, Walter Simonson, Gil Kane, George Perez, Gene Colan, Jim Starlin, Sal Buscema, Mike Ploog, and dozens of others. The Art of Star Wars: Andor (The Complete Series)

- WRITTEN BY PHIL SZOSTAK

The official behind–the–scenes companion to the Emmy, WGA, SAG, Golden Globe, and BAFTA–Award nominated Disney+ series

The Art of Star Wars: Andor (The Complete Series) gives readers an exclusive inside look at the production art, visual development, concept art, creature designs and FX, graphics, props, and more that went into creating the Tony Gilroy helmed Disney+ series. Through extensive interviews with Gilroy, star Diego Luna, and the talented Lucasfilm visualists, author Phil Szostak documents every step of *Andor*'s production from discussions following the initial release of *Rogue One: A Star Wars Story* up through post–production on the final episodes of season two. With deep dives into the locations that defined the series, including Kenari, Ferrix, Aldhani, Narkina 5, Mina–Rau, Ghorman, and Yavin 4, among many others, this essential volume celebrates the legacy of all twenty–four critically acclaimed episodes and the hurdles the filmmakers, cast, and crew had to overcome to bring their vision to life.

Every facet and detail of the Rebellion and Empire's inner workings and the day–to–day existence within the world of *Star Wars* that *Andor* lovingly depicted are explored in great detail along with reflections on the series overall and its espionage roots and political relevance. The lived–in, battered costumes, ships, and locales that are so crucial to the DNA of *Star Wars* are on full display in this volume alongside the elegant formalism of the Galactic Senate and Coruscant. Every piece of concept art—from ISB uniforms to Ferrix workwear to sleek speeders to the sterile prison cells of Narkina 5—has a tactility that leaps off the page. Cassian Andor's journey from thief to spy to rebel to martyr, and the stories of his allies, uneasy partnerships, Imperial schemes, and galactic revolution took audiences on an emotionally resonant adventure and *The Art of Star Wars: Andor* spotlights the exceptional work that made it all possible.

Lucasfilm creative art manager **Phil Szostak** has worked in conjunction *with Star Wars* art departments since 2008. A graduate of the School of Visual Arts in New York, Szostak ran the JAK Films Art Department on Skywalker Ranch for more than three years before joining the narrative design team on LucasArts's *Star Wars: 1313*. CHIISAKOBEE

Chiisakobee Volume 1

- BY MINETARO MOCHIZUKI

A quirky, poetic manga about a young, gruff carpenter's attempt to keep his family business afloat, all amidst a wacky, found–family drama and romance.

After a fire burns down his family business and claims the lives of his parents, the young heir and master carpenter Shigetsugu vows to rebuild the failing venture with his late father's words in mind: "No matter how much the times change, what's important is for our kind to have compassion and dedication."

And then Ritsu, a housemaid with no relatives to rely on, comes rolling into his life with a group of children from a welfare facility who have nowhere to go, thus begins the dramatic last–ditch way–of–life story of a shaggily bearded carpenter!

This bold and ambitious reinterpretation of Shūgorō Yamamoto's classic historical novel *Chiisakobee* is brought to life with the full flourish of Minetaro Mochizuki's bohemian brush!

Minetaro Mochizuki is a prolific, celebrated manga author–illustrator known for manga titles *Dragon Head*, *Zashiki Onna*, and the manga adaptation of the Wes Anderson film *Isle of Dogs*. His works *Bataashi Kingyo*, *Dragon Head*, and *Shark Skin Man and Peach Hip Girl* have been adapted into pulp films. He received a Tezuka Osamu Cultural Prize Award for Excellence, Award for General Manga at the 21st Kodansha Manga Award, and for *Chiisakobee*, he received an Excellence Award at the 17th Japan Media Arts Festival in 2013 and the prestigious Fauve D'Angoulême: Prix de la Série at the 2017 Angoulême International Comics Festival. He cites heta–uma styles as influence and follows the cult legacy of popular alternative–manga magazine *Garo*. Mochizuki's own distinct New Wave style has had profound influence on manga authors succeeding him. He is an avant–garde trendsetter in the manga world. **Shimizu Satomu,** better known by the penname Shugoro Yamamoto, is a Japanese novelist and short–story writer prolific during the Showa period of Japan. Despite the Yamamoto Shugoro Prize being named after him, he modestly refused prestige in his lifetime, noting that his writing for a popular audience should not be considered literature. His works may be known for adaptation such as the Akira Kurosawa film *Sanjuro*, an adaptation of the short story *Nichinichi hei–an* (*Peaceful Days*), and *Dodes'ka–den*, an adaptation of the book *Kisetsu no nai machi* (*The Town Without Seasons*). Cult director Takashi Miike also adapted the novel *Sabu* into film.

Chiisakobee won the Fauve D'Angoulême – Prix de la Série (Prize for a Series) award at the 44th Angoulême International Comics Festival in 2017 and 17th Japan Media Arts Festival Excellence Award in 2013.

ENDEARING ART: With bohemian flourish, Mochizuki lines the pages with elaborate, charming art. There is astonishing attention dedicated to the paneling and mise–en–scène, reminiscent of legendary film director Ozu Yasujiro. Subjects and objects are minimalist by design, clean and pleasant to read, and yet still with a perfectly timed scowl and cute shriveled frowns, the characters burst forth as endearingly human. A merging of unorthodox technical prowess and a zany taste for the adorable, this title invites readers to pour their eyes over the art in affectionate glee.

HEARTFELT STORY:
Chiisakobee is a touching story of found family overcoming grief and adversity beyond one's control. Relatable themes include lofty aspirations, anger at skeptics, and feeling as though the world will continue to exist with or without you. The extended found family and beyond have diverse characters: maladjusted kids, vexingly creepy father, and even annoying bureaucrats. A thoughtful and heartfelt manga!

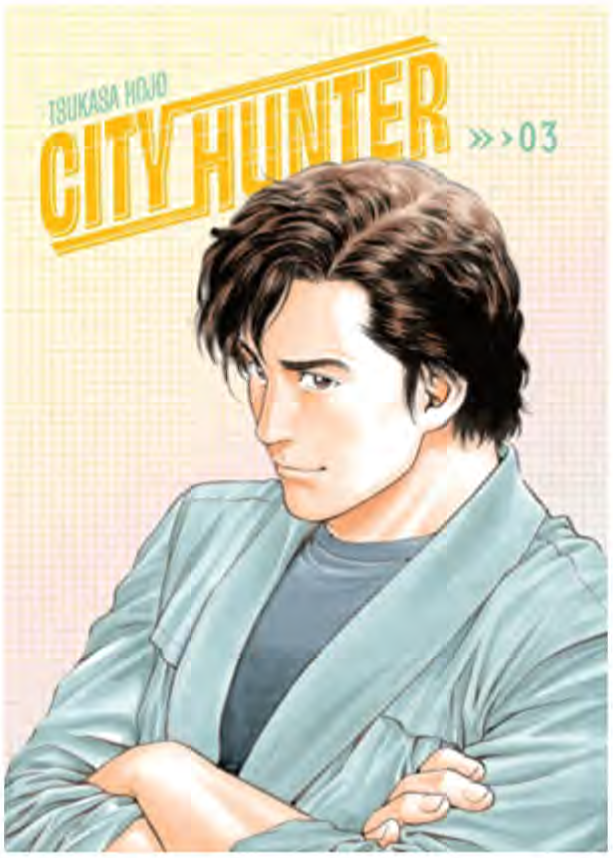
CITY HUNTER#3

City Hunter Omnibus Volume 3 (Three Volumes in One)

- BY TSUKASA HOJO

James Bond meets Lupin the Third! A stylish cocktail of hard–boiled action and raunchy comedy, manga classic *City Hunter* follows exceptional marksman and compassionate sleazeball Saeba Ryo as he sweeps corruption from the lavish '80s Tokyo nightlife one evil at a time



The infamous Phantom Thief No. 305 is making waves in the news, but City Hunter Saeba Ryo is too captivated by a mysterious silhouette dancing in the night sky to do much about it. But when the dancer's true identity is revealed to be a high school girl who is also descended from a long line of famous thieves, Ryo is just more ensnared. She has a mission for Ryo too, an item she's not been able to steal: the black tulip. The owner of the targeted tulip in question? A self–proclaimed mad scientist and researcher of paranormal phenomena!

Tsukasa Hojo is a manga author–illustrator known for legendary series *CITY HUNTER* and *CAT'S EYE*. Representative of the '80s, his works showcase the stylish glamour of a generation characterized by nightlife.

ABRAMS

SELLING POINTS

SUPERSTAR AUTHOR: Tsukasa Hojo is a generation–defining author with a lifetime of adaptations; *CAT'S EYE* anime is being adapted anew, slated for Fall 2025, timed with our English release.

SENSATIONAL STORIES: Bold and compassionate, a unique sensibility commands the stories of *CITY HUNTER*. In an almost James Bond manner, every few chapters are a vignette following the perilous circumstances of a newly introduced heroine and the escapades of Saeba Ryo that solve these issues. The stories are interspersed with fast–paced, page–turning action, frequent close calls at death's door, and catharses reminiscent of *Mission: Impossible*.

UNFORGETTABLE ART: *CAT'S EYE* is immediately recognizable thanks to Tsukasa Hojo's distinctive style. Flashy, sharp, and with a subtle touch of granular realism, each heist feels like a glamorous action flick with a heavy breath of life. *CAT'S EYE* captures the romantic midday breeze—museums, cruise ships, villas and cafes—reminiscent of the bright seaside images of City Pop. *CAT'S EYE* is bubbly, warm, and—dare we say—timeless.

GIFTY: This paperback, dust–jacket 3–in–1 omnibus is a beautiful collector's edition for longtime fans, with cross volume spine art, but at an accessible price point for fans to gift and introduce the series to a friend.

In this horror graphic novel, the new dog that aspiring musician Bobbie has adopted is cute, but also stealing her life.

Bobbie's life is going nowhere fast. She's working at a bar, wanting to play music but never having the time or energy. The only bright spot is her dog – always cheerful, always cuddly, and always there for her.

As the relentless day-in, day-out of work piles up, music and roommates and social plans begin to seem less and less important as Bobbie struggles to make rent and have any time to be creative. The only thing she has time for outside her job is her dog . . . and her dog is going to do everything he can to keep it that way.

This debut solo graphic novel from breakout author Nicole Goux explores the struggles of a young artist – haunted not only by debt and society, but by more sinister (though adorable) canine forces.

"Sometimes I think I see things. Out of the corner of my eye, behind a door, I catch a glimpse of something. It's like a curtain caught in the wind, and then it's gone."

From hospitals to hell to the wilderness, George Wylesol's short stories take place in liminal spaces where nothing is as it seems; the surreal becomes real; and something is lying in wait around every corner. As our main characters navigate through corridors, passageways, and highways, they sink deeper and deeper into everyday strangeness that slips into peculiarity, creating an internal journey from normalcy to the supernatural.

With surprising twists and turns, cleverly combining the strange and realism, smart, surprising, and sometimes terrifying – these stories make it clear that George Wylesol is like no one else in short comics-format fiction.

Crime has descended on the normally tranquil Riviera – a solid gold sculpture on loan from the Gurgleheim Museum has been stolen, and the local police force are well out of their depth. They need help and they need it fast. But local Henshin hero King Gianthead Fighter Policeman O.X. is lost in a waking reverie of lucid dreams, and his potential replacements aren't faring much better. And why are people going into the Great Exhibition of 11851, the pop-up selfie experience in the middle of town, but not coming out again?

Fortunately, Marge Maggiore has picked up the trail and has a plan to catch the villains and save the day – if only she can clear her name for a crime she didn't commit!

Told through the twisted creative lens of esteemed comics-maker Hurk in his long-awaited full-length technicolor debut, Jinx Freeze is a heist story unlike any you've read before!

SHORTLISTED FOR THE BRITISH BOOK AWARDS!

It's Lyndsay Grockle's first day as the manager of the Lakeview Hotel. Her boss has handed her the keys and departed for vacation. And then the convention attendees start showing up, each more peculiar than the last.

Lyndsay's a confirmed skeptic—so she's surprised to be woken up in the middle of the night by her convention attendees, telling her that there's been a murder . . . of the Loch Ness Monster. The guests at the hotel are all cryptids from around the world, and now one of them is dead. Which means that one of them must be the murderer.

And it's up to Lyndsay to solve the case!

TANKERS

VS ANCIENT ALIENS

THE MOST INSANE COMIC EVER DEVISED

BAD IDEA™

BAD IDEA™ BAD IDEA™ BAD IDEA™ BAD IDEA™ BAD IDEA™

THE MOST INSANE COMIC OF ALL TIME!

New York Times best-selling writer **Robert Venditti** (SUPERMAN '78) joins forces with visionary artist **Tomás Giorello** (PLANET DEATH), industry powerhouse **Trevor Hairsine** (DCEASED), and a battalion of comic all-stars for a bone-crushing action blockbuster.

The Tankers were sent back 65 million years into the past with a simple mission. To use their weaponized mech-suits to divert the asteroid that annihilated the dinosaurs and buy a little more time before extinction – and a lot more future oil reserves.

But deep in Earth's prehistoric past, something far deadlier than dinosaurs lies in wait. A species of star-faring, super-advanced ancient aliens! Battle-hardened by millennia of galaxy-spanning civil war, this alien race has come to Earth armed to the teeth and ready to unleash the most fearsome arsenal unknown to man. Now the Tankers must wage an all-out war against ancient aliens and monstrous super-dinosaurs alike if they hope to fight their way back to a future worth saving!

These ancient Gwion Gwion rock paintings were found on the Barnett River in Mount Elizabeth Station, Australia. The oldest date back over 17,000 years ago. Some theorize these large, haloed, mouthless figures described in myth as "star people" were in fact ancient astronauts.

COLLECTING THE BEST-SELLING SERIES

New York Times best-selling writer **Robert Venditti** (SUPERMAN '78, ORDAINED) joins forces with superstar artist **Juan José Ryp** (WOLVERINE) to deliver an epic action-adventure extravaganza in this brand-new, bone-crushing collection.

Texas-based Greenleaf Oil has discovered that the world only has 50 years of oil left. Which means Greenleaf only has 50 years of profit left. But their enterprising CEO has a harebrained scheme to change history. Using time-travel technology they will send a team of mercenaries armed with weaponized mech suits -- aka TANKERS -- back to the end of the Cretaceous Period and deflect the asteroid that hit the Earth and killed all the dinosaurs.

Just a small deflection though, they aim to have it make one more orbit around the solar system before impact. More time means more dinosaurs are born which means more oil in the present which means more profits for Greenleaf. This, of course, is a horrible plan and it goes horribly wrong.

The Tankers return to Earth to find the planet overrun by primeval jungle and gigantic hyper-evolved dinosaurs. The Tankers must fight off these modern super-dinosaurs to once again return to the past and fix their mistake.

THE NEXT NIGHTMARISH CHAPTER FROM DYSART, LAPHAM & SIENKIEWICZ

Eisner-nominated writer **Joshua Dysart** (UNKNOWN SOLDIER) and Eisner Award-winning artists **David Lapham** (STRAY BULLETS) and **Bill Sienkiewicz's** (NEW MUTANTS) tighten the noose in the next terrifying chapter of their groundbreaking horror tour-de-force.

A deadly biological agent is ripping through The Hab. It's in the drinking water, it's in the plumbing, and now, it's infiltrated the ventilation system and gone airborne. The infected are faced with gut-wrenching hallucinations driving them to violence, murder–even suicide. Dr. Farooqi has administered antipsychotics to the few survivors, but its effects are temporary. The remaining crew's only chance at survival is to find a cure. A retrieval team must blast their way into the ancient freshwater vault buried beneath The Hab, sample the source of contamination, and hope their hi-tech containment suits hold out long enough to burn the rest.

But deep within the spore-choked dark, amongst swarms of infected bats and the corpses of the former construction crew entombed within concrete walls, the team will find that nothing in The Hab stays buried for long.

THE HEART-STOPPING FINALE!

New York Times best-selling writer **Robert Venditti** (SUPERMAN '78, PLANET DEATH) and world-renowned comics legend, **David Lapham** (STRAY BULLETS, THE HERO TRADE), hit the accelerator in the explosive finale to their two-part, high-stakes action extravaganza.

While Detective Hank Howard was busy getting hot and heavy with an old flame, Big Caligula customer George Horvath's body grew colder than day-old pizza. Now, South Florida's favorite regional pizza chain is under fire, assailed by wrongful death accusations from the grieving widow he left behind. But something smells fishy, and it's not the anchovies. Hank knows Horvath was murdered by someone looking to get their palm greased and he's out to prove it. Locked in a deadly game of cat and mouse, Hank must brave a den of thieves – The Gasparilla Pirate Festival – to hunt down the killer and bring them to justice. But he better stay frosty because someone's packing heat and this festival promised fireworks.

WORLD'S FIRST PIZZA RECIPE, SECRETLY DEVELOPED FOR POPE PIUS V!

For the uninformed, pizza was invented by Italian chefs in the mid-1800's. But the true history of the world's greatest doughy dish goes back far further than the 19th century. And we have the first-ever documented pizza recipe to prove it!

Presenting the HANK HOWARD, PIZZA DETECTIVE SECRET RECIPE EDITION! Recognized as one of the first-ever, internationally-known celebrity chefs, Bartolomeo Scappi, head chef to not one, but two popes, Pope Pius IV and V, changed the world as we know it in 1570 with the release of his monumental cookbook, *Opera Dell'arte Del Cucinare.* Hidden inside are the earliest-known recipes for pizza.

And we're giving one of these top-secret recipes to you on the back of this cover! Simply pick up this HANK HOWARD cover, translate the recipe from italian, pre-heat your oven and dinner is served!

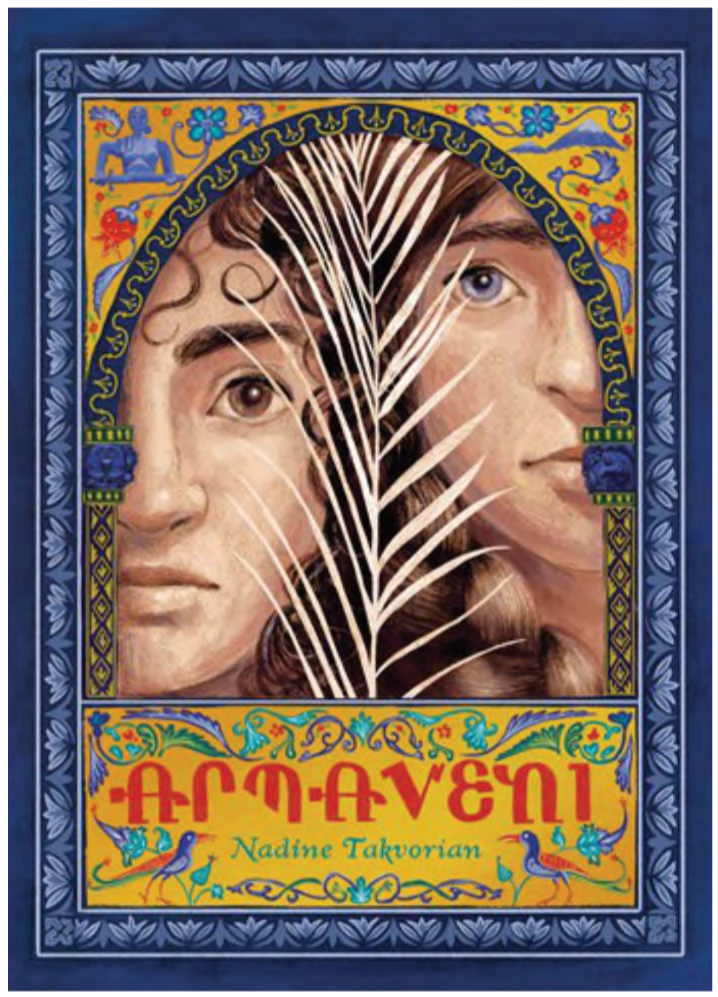
Armaveni

A Graphic Novel of the Armenian Genocide

PREVIOUSLY OFFERED THRU OTHER DISTRIBUTORS

BY NADINE TAKVORIAN

A bold, autobiographical graphic novel chronicling one girl's quest to uncover her family's history during the Armenian genocide.



Nadine loves stories and her mother loves to tell them—all but one. Nadine would give anything to learn about her family's history in Armenia and Turkey—where they came from and how they came to America—but it is just too painful for her parents. All Nadine knows is that they were caught up in the Armenian genocide. Until one day the dam bursts. And through that flood of stories and memories, and a trip back to their people's homelands, Nadine discovers a key to unlocking her own heritage and the courage to speak up when injustice rears its head again.

Told in interwoven historical, contemporary, and fantastical sequences, *Armaveni* is a gripping graphic novel debut and a much-needed historical document.

And when things boil over and Krypton begins to burn, Kara and her infant cousin will find themselves trapped together in a prototype rocket, struggling to survive in a hostile universe that doesn't care if they live or die...and which might prefer the latter!

Breakout writers Ethan Parker and Griffin Sheridan (Eisner Award nominee *Kill Your Darlings*) join visionary artist Rod Reis (*New Mutants*) to tell the story of teenage Kara and infant Kal, sent on their journey through the stars together, not apart...that is, as long as Kara can keep him alive!

The Deadman enters the Next Level!

In the millisecond following his murder, the soul of shifty circus aerialist Boston Brand was commandeered by the goddess Rama Kushna, who deputized the erstwhile performer's ghost with a sacred spectral assignment: the Custodian of All Souls! Now Brand floats—begrudgingly—through this blue-green purgatory we call Earth, upholding the Laws of Spiritual Math and protecting humanity from evil—even if they can't see or hear him. Open up to this new era of DC's most lively deceased superhero—the Deadman—in a story about life, death, and everything in between...replete with paranormal activity, possessions, and a profusion of other poignant peculiarities.

DECLARATION/ EMANCIPATION ILLUSTRATED

R. SIKORYAK

R.Sikoryak revisits the Declaration of Independence on the 250th anniversary of its signing.

R. Sikoryak, the cartoonist who cemented his reputation as the king of the visual mash-up with *Masterpiece Comics* and *The Unquotable Trump*, sets his sights on the documents that shaped the United States during the Revolutionary and Civil Wars. A prequel of sorts to his *Constitution Illustrated*, Sikoryak presents the unabridged text of the Declaration of Independence alongside the Emancipation Proclamation and the Gettysburg Address in a double sided book, rendered in the bright, bold, and iconic styles of over 100 different American comics, cartoons, and graphic novels from over a century.

The severing of colonial ties to Great Britain and the critical turning points in American history that followed have never been more vividly manifested than in the skillful hands of Sikoryak, who doesn't hesitate to dream up Jeffy from *Family Circus* as Thomas Jefferson and Mr. Magoo as a British loyalist. King George III is deliciously portrayed as pop culture's most famous villains, such as Thanos, The Joker, Scar from *The Lion King*, and many more. Sikoryak also skillfully adopts the styles of such comic artists as Will Eisner of *The Spirit*, Allie Brosh of *Solutions and Other Problems*, Morrie Turner of *Wee Pals*, Mark Beyer of *Amy and Jordan*, and Floyd Gottfredson of *Mickey Mouse*. The Civil War era pays homage to *Black Panther*, *Barney Google and Snuffy Smith*, Steenz's *Heart of the City*, *Justice League*, and many more.

Declaration/Emancipation Illustrated is an entertaining, multilayered trip through American history and American comics.

In Congress, July 4, 1776
The unanimous Declaration of the thirteen united States of America,

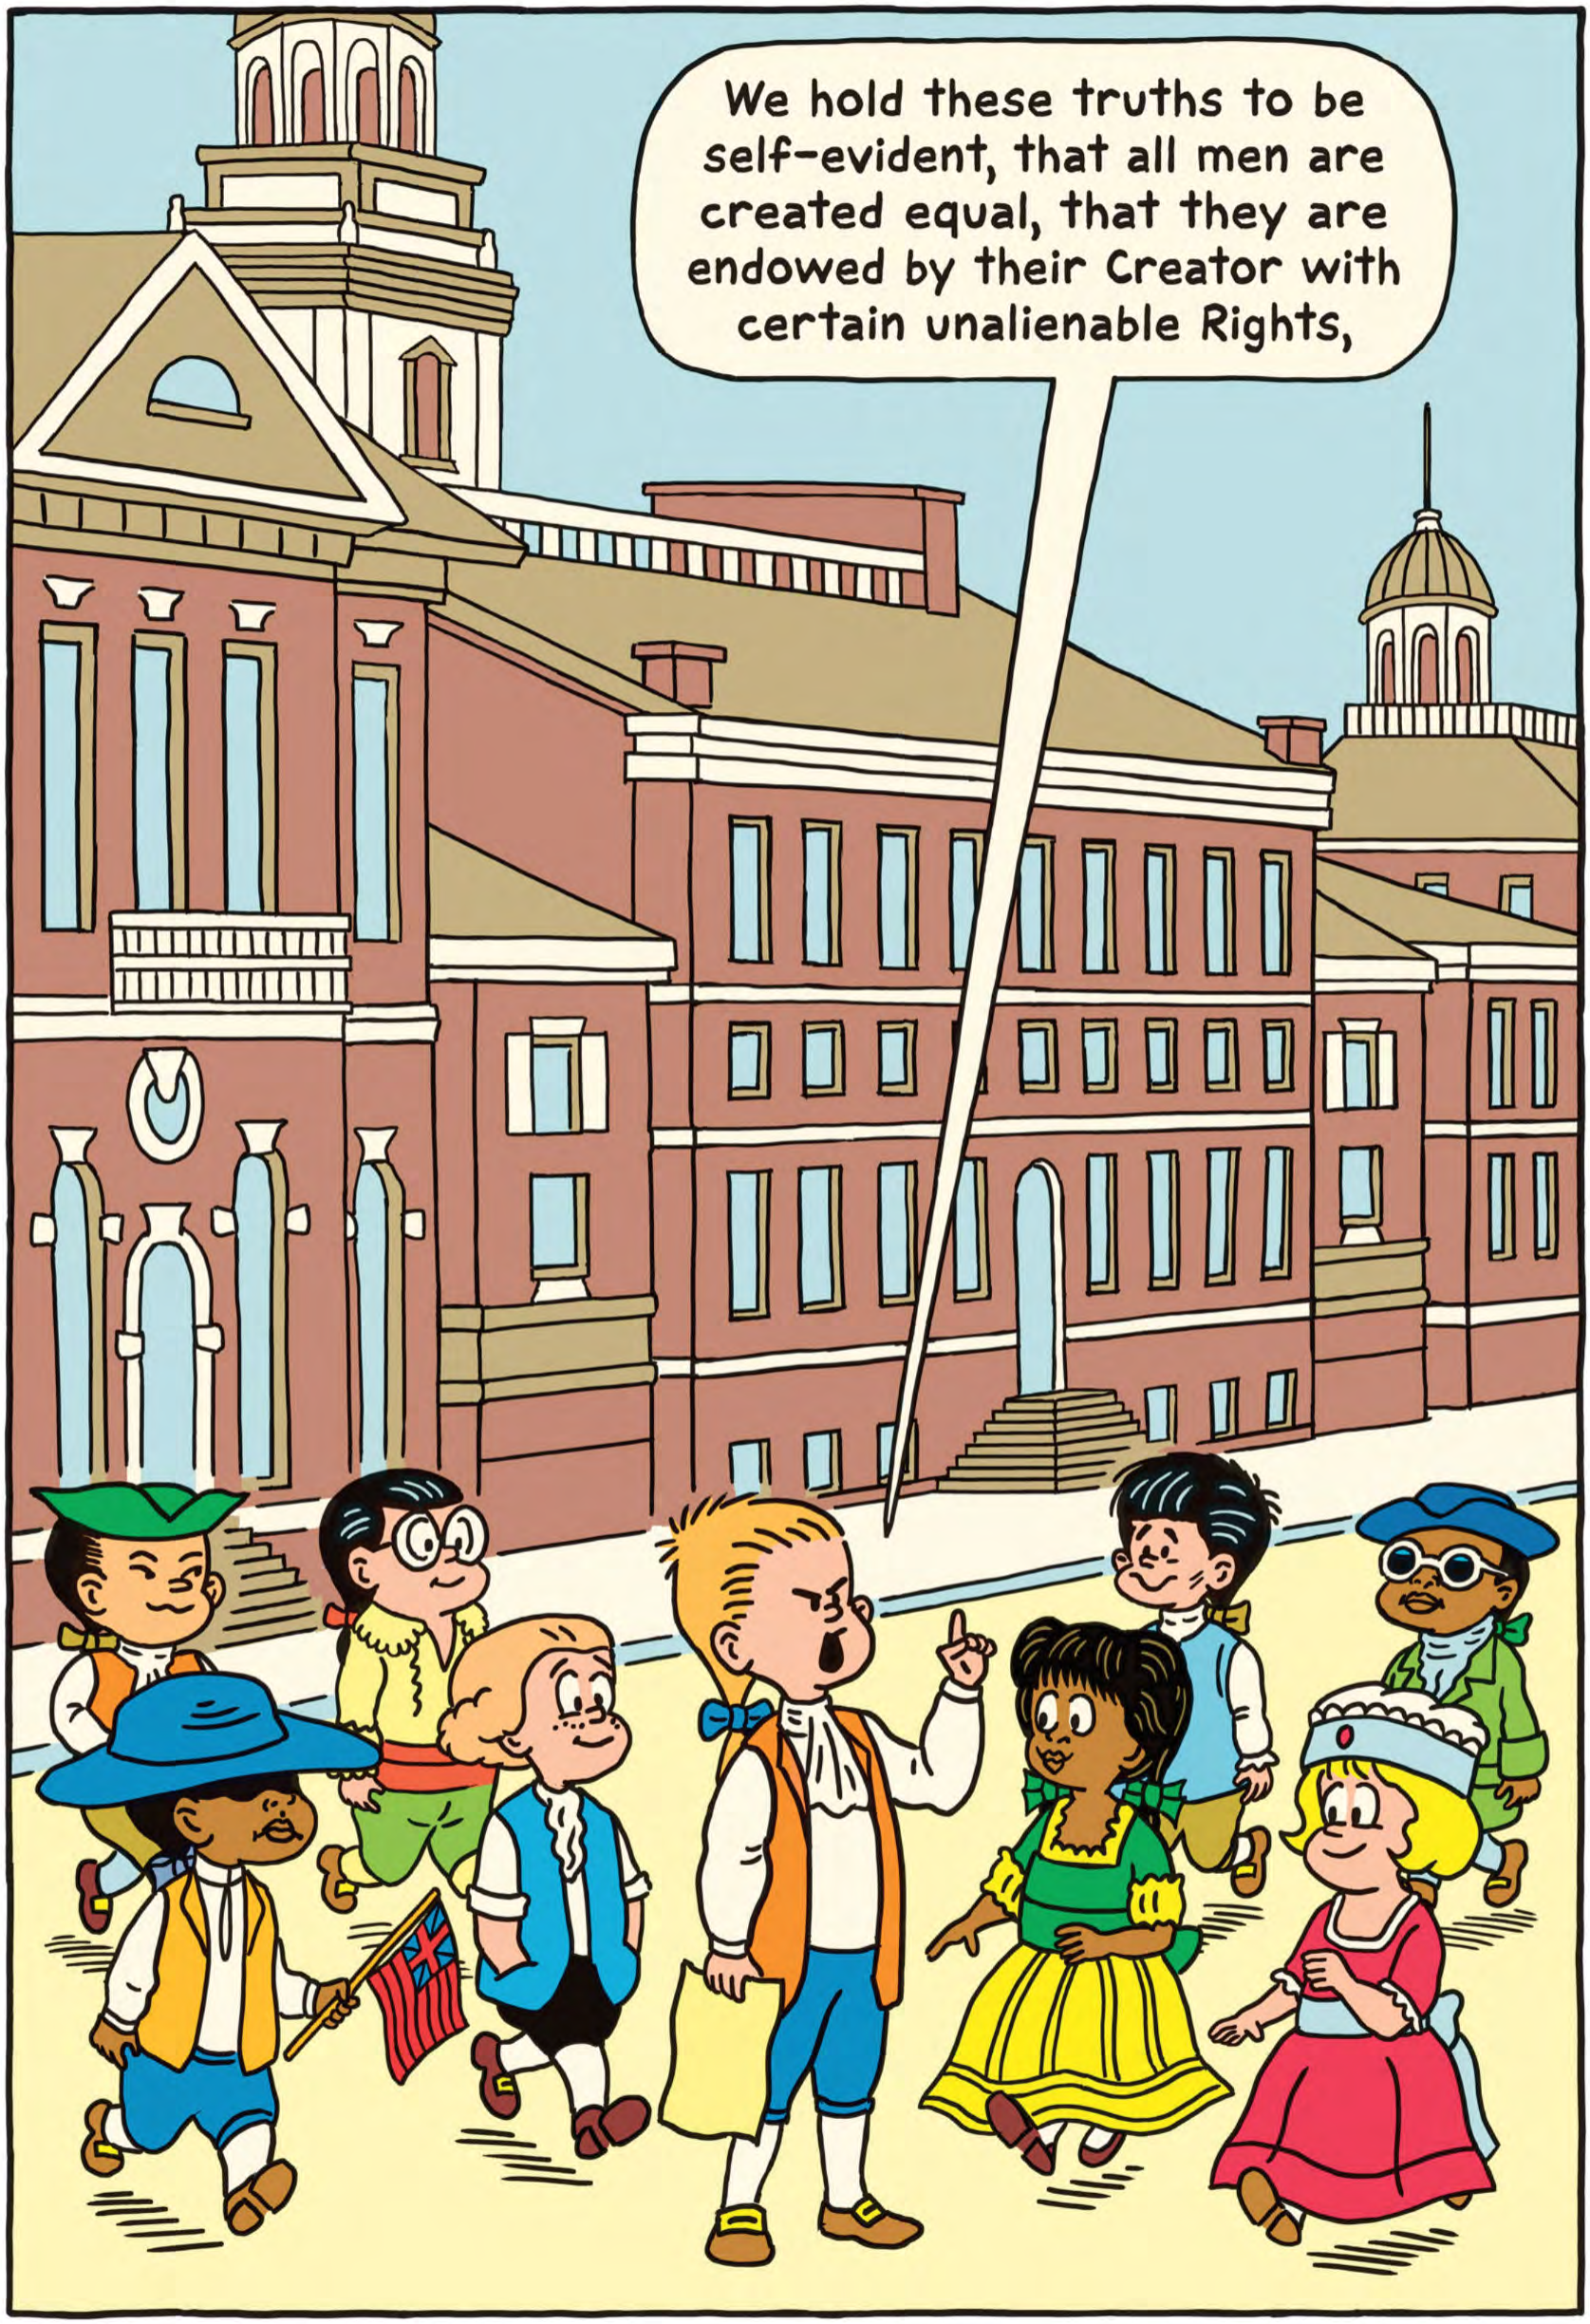
When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another,

and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them,

UNITED STATES

GREAT BRITAIN

a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.



We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights,

that among these are Life,
Liberty
and the pursuit of Happiness.

--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed,

--That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it,

GOVERNMENT

and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

BETAS
NICK MAANDAG

A pitch-black comedy about workplace and dating scene politics.

Roommates Xavier, Doug, and Tim are just regular guys trying to make it on the dating scene. Meeting women isn't easy, they might even call it impossible! Changing social mores, dating apps, and good old-fashioned shyness cause misstep after misstep.

Recent mixed signals at the restaurant all three work at cause a cascading series of rules and regulations, putting everyone on edge. Some people adapt, others dig their heels in fleshing out a hilarious comedy about modern communication where bad faith arguments and self-serving directives clash leading to HR reprimands and ever-expanding apologies. As friends and co-workers struggle to connect under these conditions, some become lovers while others become mortal enemies.

In *Betas*, Nick Maandag lampoons popular ideas around free speech, consent, and scold culture all while asking: can we ever learn to talk to one another? And can we ever feel safe?

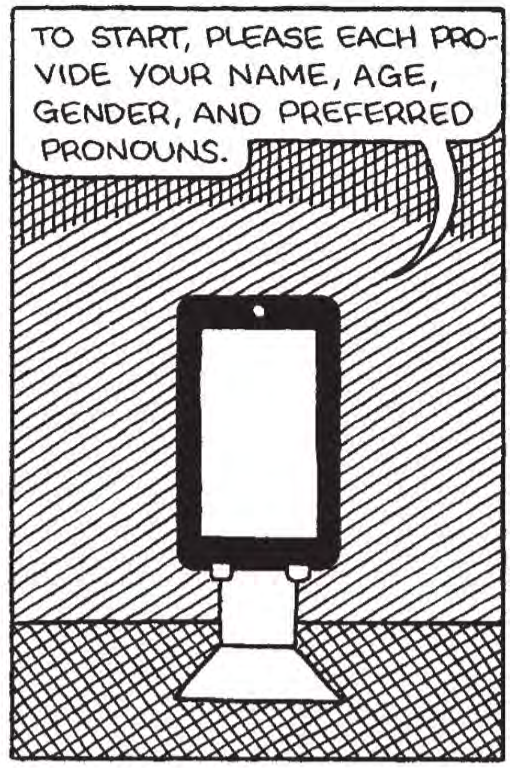
WAIT, BECAUSE IT'S OUR FIRST TIME, I THINK I'D LIKE TO TRY THIS NEW CONSENT APP THAT JUST CAME OUT.
CONSENT APP?

YEAH, IT'S AN A.I. IT'S GETTING GREAT REVIEWS. A LOT OF WOMEN SWEAR BY IT.

HELLO, I'M SICA, THE SOCIALLY INTELLIGENT CONSENT ASSISTANT.

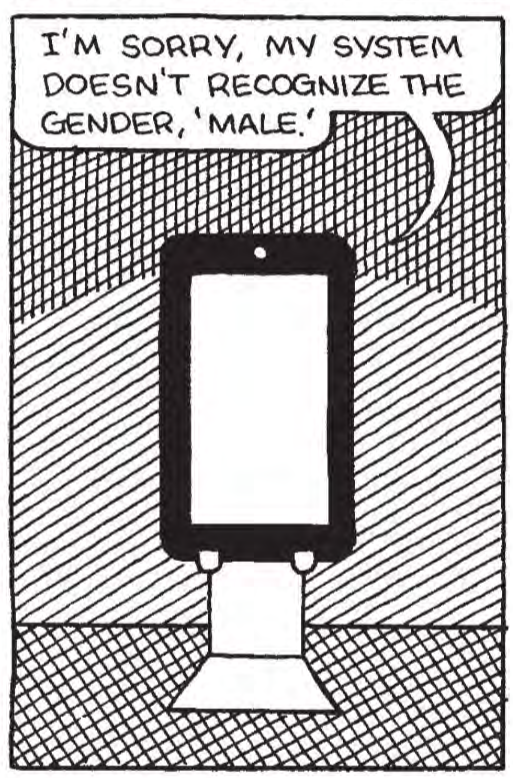
SOMETIMES IT CAN BE DIFFICULT, IN THE MIDST OF AN INTIMATE ENCOUNTER, TO SPEAK UP ABOUT SOMETHING YOU'RE UNCOMFORTABLE WITH. THAT'S WHERE I COME IN. I HELP TO ENSURE THAT EACH PERSON IS COMFORTABLE EACH STEP OF THE WAY, AND THAT YOUR EXPERIENCE IS A SAFE, RESPECTFUL, AND HAPPY ONE.



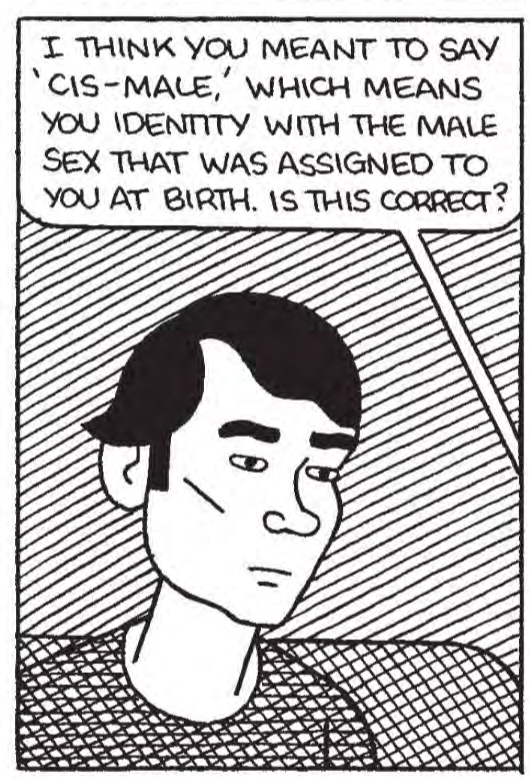
TO START, PLEASE EACH PROVIDE YOUR NAME, AGE, GENDER, AND PREFERRED PRONOUNS.

JENNY, TWENTY-NINE, CIS-FEMALE, SHE AND HER.

XAVIER, THIRTY-ONE, MALE, HE AND HIM.



I'M SORRY, MY SYSTEM DOESN'T RECOGNIZE THE GENDER, 'MALE.'



I THINK YOU MEANT TO SAY 'CIS-MALE,' WHICH MEANS YOU IDENTITY WITH THE MALE SEX THAT WAS ASSIGNED TO YOU AT BIRTH. IS THIS CORRECT?

YES, THAT'S CORRECT.

THANK YOU.
JENNY, HAVE YOU HAD ANYTHING TO DRINK IN THE LAST SIX HOURS?

I'M ALMOST FINISHED MY SECOND GLASS OF WINE.

THANK YOU. I'VE DETERMINED THAT YOU'RE IN A POSITION TO PROVIDE CONSENT.
OKAY, WE'RE READY TO BEGIN YOUR INTIMATE EXPERIENCE.
AREN'T YOU GOING TO ASK ME HOW MUCH I'VE HAD TO DRINK?
THAT WON'T BE NECESSARY, XAVIER.
TO BEGIN, PLEASE SIT, LAY, OR STAND ONE FOOT APART FROM EACH OTHER. EACH TIME A DESIRE ARISES IN YOUR MIND TO TAKE THE INTIMACY TO THE NEXT LEVEL, PLEASE GIVE VOICE TO IT AND AWAIT MY RESPONSE BEFORE ACTING ON IT.
IS THIS BEING RECORDED?
TO VIEW OUR PRIVACY POLICY, PLEASE VISIT SICA DOT COM, SLASH PRIVACY.
DID YOU HEAR THAT?
DON'T WORRY, IT'S NOT RECORDING US. THEY CAN'T DO THAT.
OKAY... I HOPE YOU'RE RIGHT.
YOU MAY BEGIN YOUR INTIMATE EXPERIENCE.
OKAY, I WOULD... I WOULD LIKE TO SIT RIGHT NEXT TO HER, SO THAT OUR BODIES. ARE TOUCHING.
DO YOU CONSENT TO THIS, JENNY?
I DO.
YOU MAY PROCEED, XAVIER.

OKAY, NOW I'D LIKE TO PUT MY ARM AROUND HER.

DO YOU CONSENT, JENNY?

I DO.

YOU MAY PROCEED, XAVIER.

AND NOW I'D LIKE TO KISS HER ON THE LIPS, THEN PROCEED TO FRENCH KISSING.

YOU'RE TRYING TO FIT TWO STEPS INTO ONE. YOU HAVE TO START WITH THE REQUEST FOR CLOSED-MOUTH KISSING, THEN MAKE THE REQUEST FOR FRENCH KISSING.

ALRIGHT, I WOULD LIKE TO CLOSED-MOUTH KISS HER.

DO YOU CONSENT, JENNY?

I DO.

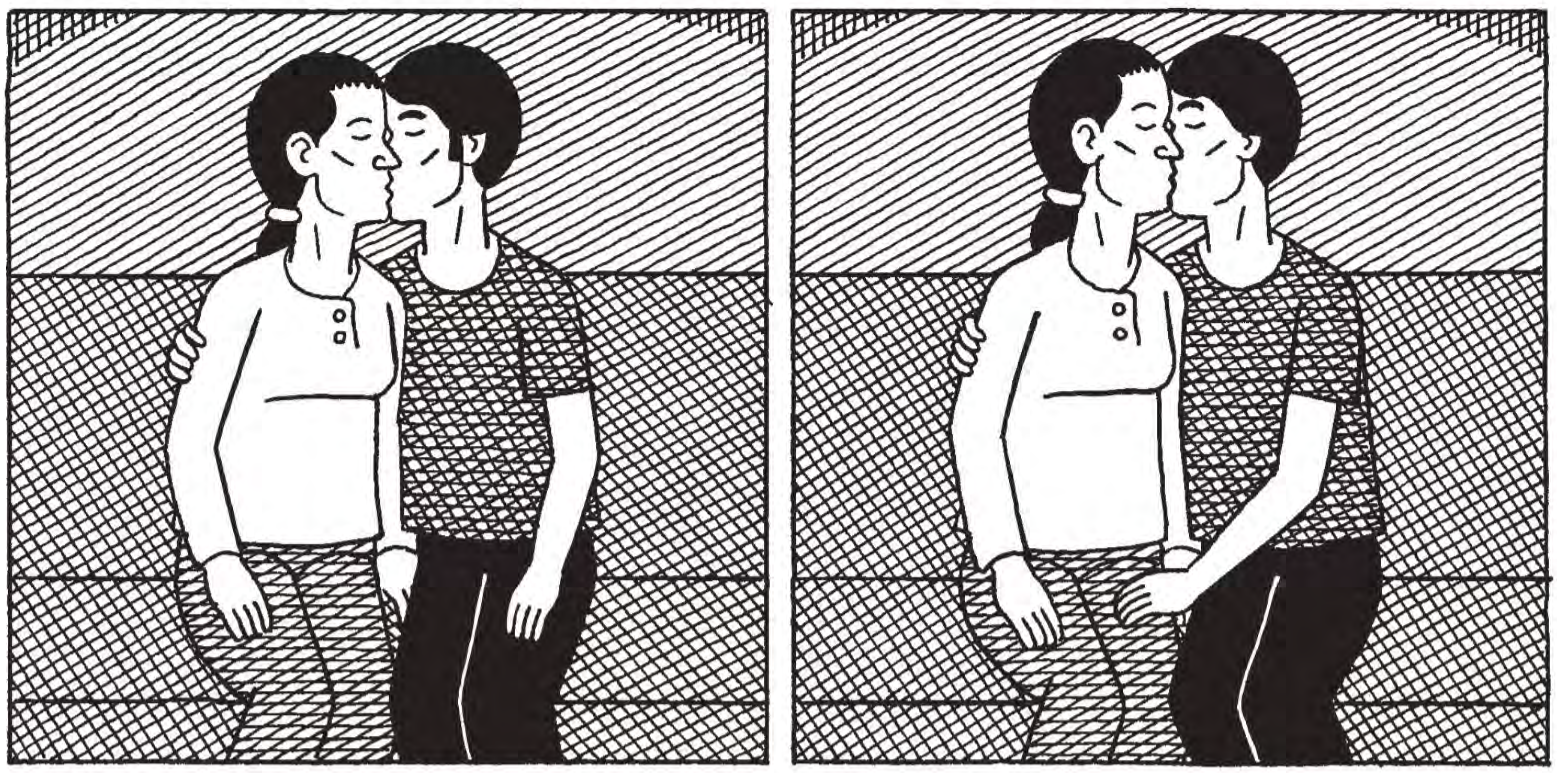
YOU MAY PROCEED, XAVIER.

AND NOW I WOULD LIKE TO PROCEED TO FRENCH KISSING.

DO YOU CONSENT, JENNY?

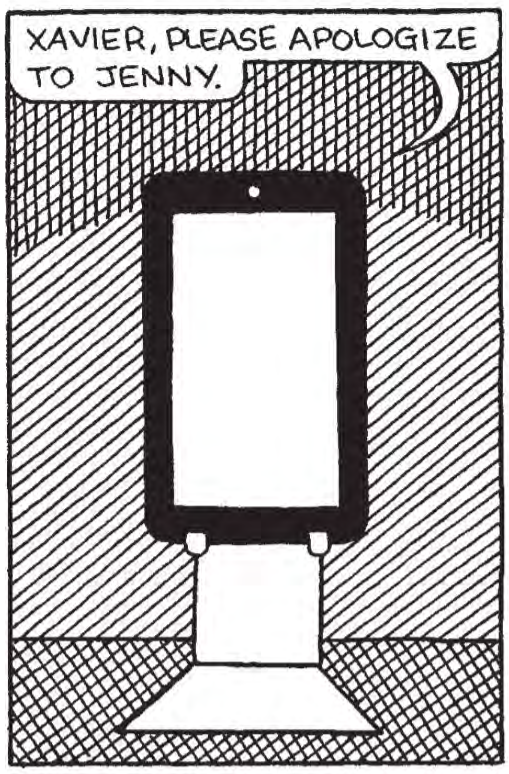
I DO.

YOU MAY PROCEED, XAVIER.



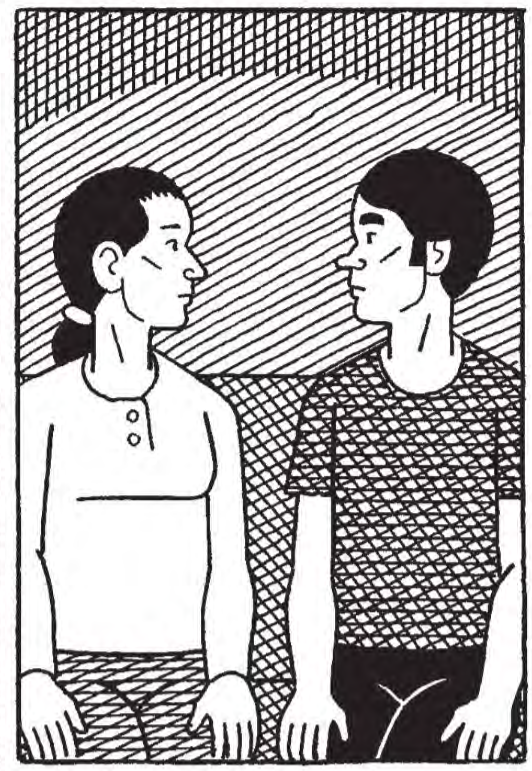
EXCUSE ME! EXCUSE ME!
WHAT?!
YOU DID NOT ASK IF YOU COULD PUT YOUR HAND ON HER THIGH.
BUT IT WASN'T PROGRESSING THINGS TO THE NEXT LEVEL. WE WERE ALREADY FRENCH KISSING. A HAND ON THE THIGH IS MORE MILD THAN THAT.

YOU CANNOT BE THE JUDGE OF WHAT'S APPROPRIATE. THAT'S FOR JENNY TO DECIDE.
BUT I KNEW SHE'D BE OKAY WITH IT. NOT ALL COMMUNICATION IS VERBAL.
IT'S TRUE THAT I WAS OKAY WITH IT, BUT I MIGHT NOT HAVE BEEN.



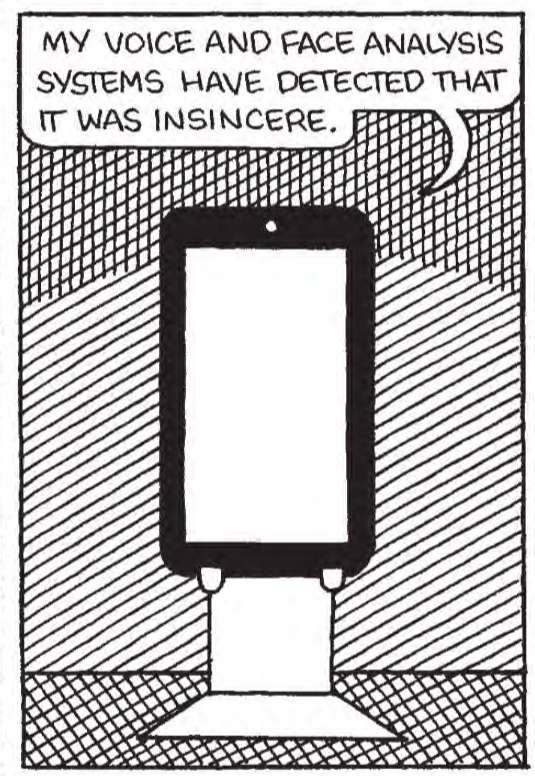
XAVIER, PLEASE APOLOGIZE TO JENNY.

EXCUSE ME?
PLEASE APOLOGIZE TO JENNY.



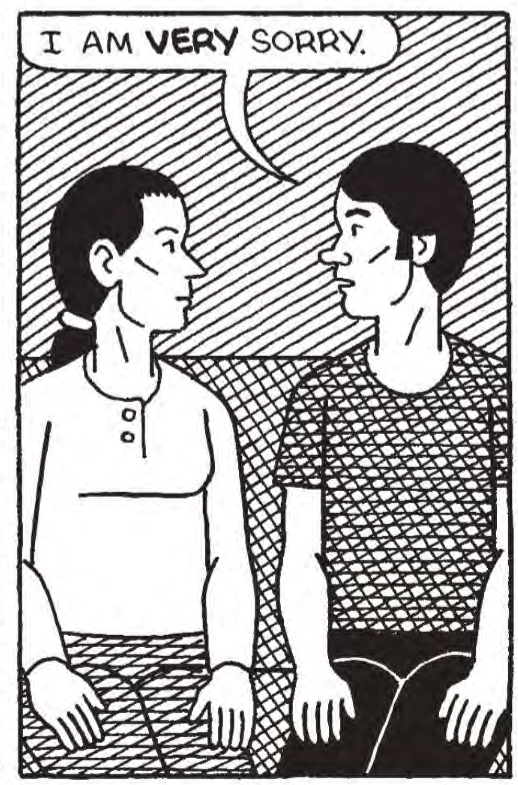
OKAY, I'M SORRY.

APOLOGY NOT ACCEPTED.

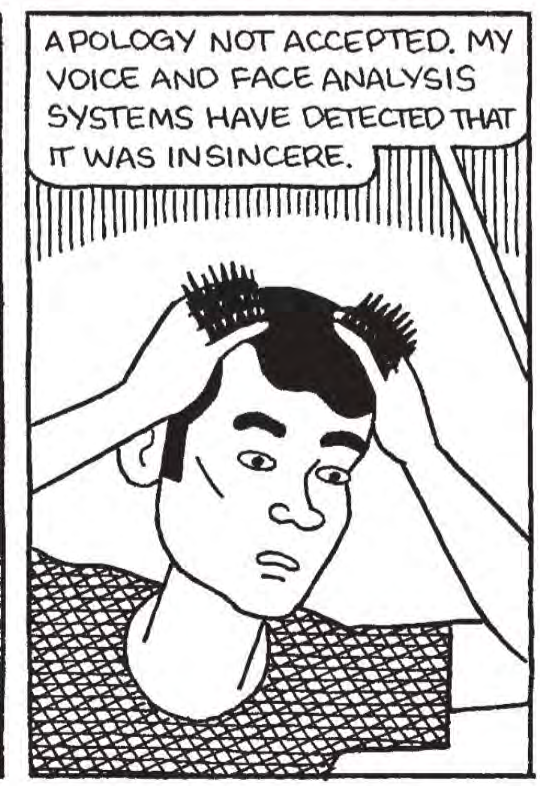


MY VOICE AND FACE ANALYSIS SYSTEMS HAVE DETECTED THAT IT WAS INSINCERE.

OKAY...



I AM VERY SORRY.



APOLOGY NOT ACCEPTED. MY VOICE AND FACE ANALYSIS SYSTEMS HAVE DETECTED THAT IT WAS INSINCERE.

INHALE
EXHALE
OKAY, YOU KNOW WHAT - IN ALL HONESTY, I DON'T HAVE TO BE ON THIS DATE WITH YOU. I'M HERE WITH YOU VOLUNTARILY, SO THAT MEANS I HAVE TO RESPECT YOUR WISHES. AND IF THAT MEANS USING THIS APP AND FOLLOWING ITS RULES, THEN THAT'S HOW IT'S GOT TO BE.
SO, TRULY, I'M SORRY.
PROCESSING YOUR RESPONSE...
APOLOGY NOT ACCEPTED. MY VOICE AND FACE —

MOOMINSUMMER MADNESS

TOVE JANSSON

Fun and endearing, it's easy to see why Moominvalley has an enduring appeal for readers both young and old.

When a flood sweeps through Moominvalley, the Moomins must find a new house. And with typical Moomin good luck, one just happens to be floating by. It looks normal enough, but there are curtains where one wall should be, strange rows of lights, and other odd amenities. Behold—a theater! Then Moomintroll and the Snork Maiden disappear, and the family realizes that the house may hold the answers to more than they ever dreamed. The beloved classic explores creativity, self-expression, and community, all delivered with Tove Jansson's signature blend of humor and gentle wisdom.

Moominsummer Madness was first published in 1954 and is the fifth book in the beloved Moomin series, which follows the adventures of the serene and whimsical Moomin family and their friends. The novel also marks the only appearance of the character Misabel.

Relaunched in hardcover with extra material, gorgeous painted covers, a fold-out map and a reading ribbon, *Moominsummer Madness* will appeal to all current Moomin fans and is sure to find new ones.

CHAPTER 1

About a bark boat and a volcano

Moominmamma was sitting on the front steps in the sun, rigging a model bark schooner.

"One big sail on the mainmast, and one on the foremast, and several small three-cornered ones to the bowsprit, if I remember rightly," she thought.

The rudder was a ticklish job, and the hold an odder one. Moominmamma had cut a tiny bark hatch, and when she laid it on, it fitted snugly and neatly over the hold.

"Just in case of a hurricane," she said to herself with a happy sigh.

By her side on the steps, knees under chin, sat the Mymble's daughter, looking on. She saw

Moominmamma next tack the stays with small glass-headed pins, each of a different color. The mast-heads were already flying bright red pennants.

"For whom is it?" asked the Mymble's daughter respectfully.

"For Moomintroll," replied his mamma, and searched her workbasket for something for an anchor cable.

"Don't push me about!" cried a small voice from the basket.

"Dear me," said Moominmamma, "here's your little sister in my workbasket again! She's going to hurt herself on the pins and needles one day."

"My!" said the Mymble's daughter menacingly and tried to pull her sister out of a skein of wool. "Come out at once!"

But Little My managed to crawl deeper into the wool, where she disappeared completely.

"Such a nuisance she turned out so very small," complained the Mymble's daughter. "I never know where to look for her. Couldn't you make a bark boat for her, too? She could sail in the water barrel, and I'd always know where she is."

Moominmamma laughed and looked in her handbag for another piece of bark.

"Do you think this would hold Little My?" she asked.

"Certainly," said the Mymble's daughter. "But you'll have to make a small life belt as well."

Welcome to Altered States... Dynamite Entertainment's parallel reality in the vein of DC's *Elseworlds* and Marvel's *What If*!

Our debut Altered States title starts with Red Sonja, the She-Devil of Hyrkania, finding herself transported to Barsoom – better known to Earth-readers as Mars – in the ancient past of the mysterious red planet! What happens there sets up events that will ripple across the planet and will draw in the legendary heroes Vampirella, John Carter, Dejah Thoris, and, direct from Earth, the Lord of the Jungle himself!

Writer David Avallone (*Elvira, Savage Tales*) is joined by rising star Mariano Benitez-Chapo (*Vampirella, Elvira, Savage Tales*) and cover artists Joseph Michael Linsner, Mike Rooth, and Chapo, as well as a stunning cosplay image by Jackie Goehner! Plus: Mike Rooth and Chapo each have created a stunning series of connecting covers for this series!

It all starts in June! Be there!

Fan-favorite *Supernatural* character Castiel makes his comics debut!

Castiel has always been sure. Of his faith. Of his duty. Of his position. *Always.* So why is he suddenly having doubts? The only thing he knows is that it has something to do with the Winchesters. He's followed them to Gainesville, FL, on a chaotic weekend when music and sports fans have descended on the city. And wherever Castiel goes, the Winchesters are one step ahead of him, hunting for the monsters that have been reported in the vicinity. Whether it's at a concert, a frat party, or wherever – by the time Castiel follows the trail there, the Winchesters have come and gone. Until they find the thing they're all looking for…together. But will Castiel help the brothers in their mission, or just get in the way?

THE ART & CRAFT OF EAST ASIAN COMICS

LOVERS OF THE EMPIRE VOL. 1

By Yudori

Set in the atmospheric Korean capital in the 1920s, this dynamic manhwa period piece follows two teenagers from different social strata thrown together — and their unlikely connection leads to comedic, emotional, and eye-opening experiences of discovery.

South Korea, 1929. Arisa Jo, the daughter of a wealthy merchant, is the most eligible bachelorette in all Gyeongsung (the capital city). With her Western dresses, movie star hairstyle, and assertive attitude, she embodies bold "Modern" values. Meet her opposite, Jun Seomoon, a young man from the countryside deeply rooted in tradition. When Jun is charged by Arisa's father to be her escort in the big city, these opposing forces create sparks. Through this unlikely connection, these teenagers open their eyes to new perspectives amidst the rapidly changing world they find themselves in.

Coming off the heels of her acclaimed *Raging Clouds*, *Lovers of the Empire* proves Yudori to be a comic artist at the height of her creative powers. On the surface a sweet and funny will they, won't they romance, this story garners depth from its depiction of Korea at a crossroads: a city occupied by Japan, molded by Western influences, and facing a modernity that stirs inner conflicts within its citizens. Rendered in gorgeous full color, this period piece portrays a fascinating city in a tumultuous time, with two winsome characters at its heart.

FRANK IN THE 3RD DIMENSION

By Jim Woodring

Jim Woodring's silent, signature character explores the Unifactor's third dimension in this exquisite graphic novel.

Frank In The 3rd Dimension is a series of Jim Woodring's loveliest pictures — 32 anecdotal visual vignettes, dioramas, moments pickled in time — as you've never seen Frank before: in 3D, about as real as you can get him outside of an Ionescoian theatrical performance (which could be next — watch your local theater listings). Frank and Frank's world are already hallucinatory but seeing him in the most technologically advanced and artistically crafted 3D ever produced—more than 150 layers per drawing to round and "sculpt" each image into full, volumetric 3D — is an experience that has to be savored to be believed.

Packaged with 3D glasses designed by Woodring himself, this new printing brings one of our most requested titles back into print again.

LOVE AND DESIRE IN THE PROMISED LAND: THE PRIVATE LIVES OF ISRAELIS AND PALESTINIANS

By Salomé Parent–Rachdi & Deloupy

The Israeli Palestinian conflict viewed through the lens of romantic relationships. A humanizing journalistic portrait of the intimate lives of ordinary people in Israel and Gaza.

Love and Desire in the Promised Land collects a dozen interviews with real-life citizens of Israel and Gaza navigating messy boundaries in their homes and bedrooms against a background of geopolitical violence.

Collecting interviews conducted before the October 7 attack unleashed a new wave of bloody conflict, the book introduces fascinating individuals and couples who speak frankly about the transgressions that define their experiences with intimacy. The portrayals represent a diverse population, including an interfaith celebrity power couple, an Orthodox gynecologist, a young gay Muslim, a Palestinian American feminist, a Ukrainian Israeli artist, and a Palestinian lesbian in a relationship with an Israeli soldier.

Through these candid conversations, recorded by Parent-Rachdi and illustrated with a warm touch by Deloupy, the authors humanize the people living in Israel and Gaza. As conflict wages around them, these ordinary citizens struggle with their all-too-human urges and desires that drive them to cross borders and boundaries in the name of love and sex.

NANCY FOR ALL SEASONS

By Ernie Bushmiller

Our second volume in a new series collecting Ernie Bushmiller's timeless and beloved *Nancy*! Who's lit now, Sluggo?

Nancy is an American icon. She's timeless. She's a meme. The world-famous artist Andy Warhol once painted her portrait. She's been on a postage stamp. To this day, when you look up "comic strip" in The American Heritage Dictionary of the English Language, it shows a *Nancy* comic by Bushmiller! As another famous cartoonist once put it, "It's easier to read a *Nancy* comic than it is to not read one."

Nancy, along with on-and-off again boyfriend Sluggo, deliver absurd laughs panel after panel, all rendered in Bushmiller's chiseled cartoon perfection that feels untethered to time or place. An acknowledged masterpiece of humor and cartooning, Nancy's brand of lowbrow absurdism and unexpected visual delights have held sway over generations of early readers, artists and celebrities, to say nothing of its impact on American culture as a whole! Bushmiller created *Nancy* from 1938 to 1982, and in recent years, interest in his work has surged to a fever pitch.

Jam-packed with over 300 comic strips from the years 1951–1952, *Nancy For All Seasons* features a fresh and contemporary new design that will entertain all ages.

SPACEHAWK

By Basil Wolverton

The complete collection of Wolverton's legendary costumed crusader!

Basil Wolverton is one of the greatest, most idiosyncratic talents in comic book history. Though he is best known for his humorous grotesqueries in *MAD* magazine, it is his science-fiction character Spacehawk that Wolverton fans have most often demanded be collected. The wait is over: *Spacehawk* features every story from Spacehawk's intergalactic debut in 1940 to his final, Nazi-crushing adventure in 1942.

Spacehawk is the closest thing to a colorfully costumed, conventional action hero Wolverton ever created, yet the strip is infused with Wolverton's quintessential weirdness: controlled, organic artwork of strangely repulsive aliens and monsters and bizarre planets, and stories of gruesome retribution that bring to mind Wolverton's peer, Fletcher Hanks. Spacehawk had no secret identity, no fixed base of operations beyond his spaceship, and no sidekicks or love interests. He had but one mission in life: to protect the innocent throughout the Solar System, and to punish the guilty. He was a dark — yet much more visually playful — counterpart to Buck Rogers and Flash Gordon. *Spacehawk* also includes the character's final and rarely seen Earthbound adventures. As the U.S. became involved in World War II, Spacehawk returned to 20th Century America to join the United States' efforts in defeating fascism, which he does by patrolling the Earth's stratosphere, looking for wrongdoing.

Back in print again featuring newly designed covers.

THE PRINCESS DIARIES: THE GRAPHIC NOVEL

Written by **Meg Cabot**, illustrated by **Bethany Crandall**

Mia Thermopolis is pretty sure there's nothing worse than being a five-foot-nine frizzy-haired freshman, who also happens to be flunking algebra.

Is she ever in for a surprise.

First, her mom announces that she's dating Mia's algebra teacher. But her dad's announcement is even worse: he is the crown prince of Genovia, and guess what that makes Mia?

A frizzy-haired freshman who is flunking algebra, and also happens to be a PRINCESS.

Mia might not be ready for the throne, but one thing totally rules: #1 *New York Times* bestselling author Meg Cabot has adapted her classic *The Princess Diaries* into a royally hilarious graphic novel with art by Bethany Crandall!

Wednesday, September 24

ALBERT EINSTEIN HIGH SCHOOL

Mr. Gianini is cool.

Sure, he's cool if you're good at algebra, like you are, Lilly.

He's not so cool if he calls your mother in for a parent-teacher conference to talk about how you're flunking algebra, like me . . .

. . . then **asks her out.**

And he's not so cool if he's sticking his tongue in your mom's mouth.

Have you actually **seen** him do this?

Well, no.

They haven't even been on their first date yet.

And I don't think my mom would let a guy put his tongue in her mouth on the first date.

At least, I hope not.

CULTURAL DIVERSITY Dance 10/18

You know you have an overactive imagination and a pathological need to invent drama in your life.

The fact that you're so upset about your mom and Mr. G is a classic example!

If you're that upset about it, just tell your mom you don't want her going out with him.

I don't understand you, Mia.

You're always going around lying about how you feel.

Your feelings have worth, you know.

Why don't you just assert yourself for a change?

Earlier that month

Hold on, I just have to pick up my mom's prescription.

This is ridiculous.

Hey.

I need to pick up my mom's alpha hydroxy, which she only needs because of our society's unfair beauty standards for women.

ENCORE!

Miles Toriko Burks

Senior year is in full swing for Clay, and he's determined to have a good year filled with friends, theater dreams, and newfound confidence. But when his ex-best friend, Aron, suddenly reappears in his life—and his theater class—it throws a wrench in all of Clay's big plans. Annoyingly, the two are paired up during an improv exercise, and being vulnerable together on stage swirls up all sorts of old, complicated feelings that honestly, Clay would rather just forget about. Even more annoyingly, Aron seems to want to act like there's nothing weird or confusing about being back in each other's orbits again. Which is ironic, since Aron was the one who ghosted Clay in favor of some cool, popular new friends in the first place.

But as their class assignment continues and the two spend more and more time together, things start to feel . . . good. Soon they're rekindling their friendship through improv, impromptu dips in the pool, and movie nights. Before long, they're seeing each other more than either of their respective friend groups.

Clay isn't sure how long he can keep his old feelings buried, but can he trust Aron again, after everything they've been through?

IT'S JUST A BATHROOM.

WICKED: THE GRAPHIC NOVEL PART II

Written by **Gregory Maguire**, Adapted & illustrated by **Scott Hampton**

A storm tears through Munchkinland, carrying with it a farmhouse and an unexpected visitor: a young girl named Dorothy Gale. But Dorothy's appearance in Oz sets off more than just a ripple—it reignites old rivalries and awakens long-buried magic.

When Elphaba reunites with Glinda after years apart, she is furious to learn that Glinda has gifted Dorothy a pair of enchanted shoes—shoes that rightfully belong to Elphaba by birthright, and that reawaken in Elphaba the sting of her father's disappointment.

Determined to stop the Wizard from tightening his grip on power, Elphaba takes up the Grimmerie. She begins a perilous journey—not just of vengeance, but of reckoning. Yet as she delves deeper into the secrets of Oz, she discovers that the Wizard may not be her greatest threat. Crossing paths with Dorothy proves more dangerous than expected, and the just governance of Oz hangs in the balanced.

100 CUPBOARDS

N. D. Wilson & Forrest Dickison

Now a graphic novel! The bestselling and highly acclaimed 100 Cupboards series starts here.

What dangers lurk, locked behind the cupboard doors?

Henry isn't brave, but when he hears an odd thumping and scratching on the other side of his bedroom wall, he simply can't ignore it. He scrapes off the wallpaper and peels back the plaster and discovers 100 mysterious mini doors—cupboards, really—of all different shapes and sizes. Through one he sees a glowing room and a man strolling back and forth. Through another he sees only darkness and feels the cold sense that something isn't right. When his cousin Henrietta boldly travels into the worlds beyond the cupboards, it's up to Henry to follow her to help her get back home. But now that he's opened the doors, can he keep the evil inside from coming through?

My Father dedicated his life to uncovering the mysteries that I now lock away.

THE FIRST CAT IN SPACE AND THE WRATH OF THE PAPERCLIP

Mac Barnett & **Shawn Harris**

4.5 billion years ago...on the ancient planet of Theia, an AI paperclip designed to fix grammatical errors attempted a coup. CheckMate was tired of correcting "who" vs "whom"—and concocted a plan to eliminate spelling errors once and for all. It would turn all carbon-based life-forms into something beautiful, practical, perfect.

A paperclip.

And Checkmate would've destroyed the world too, if not for a fateful crash landing into Earth that buried it deep in debris. It was long forgotten by civilization. Until now. When a explorer unearths CheckMate, the AI soon escapes and invades every computer on Earth. The General and Dr. Milksop are out of options. There's only one group who can help them now: the First Cat in Space, the Moon Queen, and LOZ 4000. But when CheckMate zoops First Cat's spacesuit and reverts him into a regular cat, all hope seems utterly lost.

Will our heroes be able to stop Checkmate in time? Will everyone be turned into paperclips? What *exactly* does that First Cat spacesuit do anyway?

As Almudena tries to adjust to this new reality, she gets to know the residents of Xavier's Latin American neighborhood. Each member of the community has their own joys and heartbreaks as well as their own strong opinions on how this young Latina should talk, dress, and behave. Some can't understand why she doesn't know where she comes from. Others think she's "not brown enough" to fit in.

But time is running out for Almudena and Xavier to get to know each other, and the key to their connection may ultimately lie in bringing all these different elements together. Fixing a broken building is one thing, but turning these stubborn individuals into a found family might take more than this one summer.

SWIM TEAM

Johnnie Christmas

Bree can't wait for her first day at her new middle school, Enith Brigitha, home to the Mighty Manatees—until she's stuck with the only elective that fits her schedule, the dreaded Swim 101.

The thought of swimming makes Bree more than a little queasy, yet she's forced to dive headfirst into one of her greatest fears. Lucky for her, Etta, an elderly occupant of her apartment building and former swim team captain, is willing to help.

With Etta's training and a lot of hard work, Bree suddenly finds her swim-crazed community counting on her to turn the school's failing team around. But that's easier said than done, especially when their rival, the prestigious Holyoke Prep, has everything they need to leave the Mighty Manatees in their wake.In this middle grade graphic novel debut, Johnnie Christmas demonstrates how—through friendship, courage, and heart—the wave of change can start with the smallest ripple.

LU AND REN'S GUIDE TO GEOZOOLOGY

Angela Hsieh

Lu Tsao dreams of being a great adventurer. Her idol is her ah-ma (grandmother), who is a traveling geozoologist. Ah-ma researches unique animals like dreamy cloud-jellies, enormous sunfish, and playful mossgoats. There's nothing Lu loves more than reading Ah-ma's letters about her quests, even if she and her mom struggle to understand the Cylian characters.

Suddenly, Ah-ma stops writing. Lu is worried, but when a nearby town needs a geozoologist, Lu decides to journey from place to place to look for Ah-ma. Lu charts a course with the help of Ren, an old friend who might not be telling Lu everything about why she wants to come. During their travels, they plan to help as many people as they can. But as Lu discovers that the world is a messy place, will she accept that her ah-ma and Ren are both more complicated than she could have ever anticipated?

Back in print — Frank Thorne's Complete Ghita of Alizar — in an Expanded Revised Edition, with interviews by Howard Leroy Davis (limited to 1000 copies). Definitive "director's cut" of this ground breaking tale.

Frank Thorne's masterwork, Ghita of Alizarr is finally being collected in its entirety, long out of print, in a Revised hardcover archival edition sourced using the final versions of Thorne's original artwork. Now, experience the complete Ghita mythos in one book. There have been various versions of these stories but this volume brings together Thorne's definitive take on Ghita of Alizarr. If you're a fan of the adventures of the mighty warrior Ghita, there is finally a definitive version available, endorsed by the master himself, Frank Thorne.

GHITA CAREFULLY OPENS THE ANTECHAMBER DOOR AND THE TWO STEP OUT INTO THE CORRIDOR. "JUST LIKE THE OLD DAYS, EH THENEF?" SHE CHIRPS AS THEY CASUALLY STROLL TOWARD THE EATING SALOON. "STILL DOING EVERYTHING ON THE SLY. BUT PICKING THE POCKETS OF NOBLEMEN IN BAALZARRA IS A FAR CRY FROM TUMBUMPING IN THE ROYAL SUITE WHILE THE KING IS AT HIS WAR BUSINESS. STILL, THE CHANCE OF BEING CAUGHT ADDS THE SPICE TO EITHER GAME."

THE LORDS OF BAALZARRA COULD SPARE THE COIN, JUST AS KHALIA'S STOCK OF MISTRESSES IS AMPLE FOR THE SHARING OF ONE.

WORD OF THIS WILL SEND KHALIA'S TROOPS RUNNING FOR THE HILLS OF AZZA.

AH, LITTLE PIGEON, DO I DETECT A SUDDEN INTEREST IN AFFAIRS OF STATE?

SHE IGNORES THENEF'S REMARK. THE MAGE NOTES THAT GHITA, THE KING'S STREET-WISE COURTESAN IS BEGINNING TO SHOW SOME CONCERN FOR HER FATE, IF NOT THE DESTINY OF ALIZARR. THENEF SPEAKS AS THEY RUSH TOWARD THE ARMORY, "TROLLISH EMPERORS ARE CELIBATE, AND WIZARDS ARE CONSIDERED ENEMIES OF NERGAL. WE'LL BOTH BE BACK TO PICKING POCKETS BY NEW MOON'S TIME."

KHALIA LAY UPON A LONG TABLE IN THE WEAPONS ROOM AT THE BASE OF THE RAVELIN WALL. THE KING'S GENERALS AND CHANCELLORS HAVE BEGUN TO ARRIVE AS THE DARK SPECTRE OF DEATH AND DEVOURING TROLLHOARDES LOOM OVER ALL.

I HAVE FAILED MY GODDESS TAMMUZ. HER CITY LIES PROSTRATE. I MUST FORFEIT MY LIFE.

THENEF, DO NOT RESTORE MY BODY WITH YOUR SPELLS.

YES, PRAISE TAMMUZ. I WOULD DO YOUR BIDDING SIRE.

THENEF! GHITA! KHALIA LIES MORTALLY WOUNDED IN THE ARMORY! HE WISHES YOU COME TO HIS SIDE.

Hermes Press www.hermespress.com 2026

GHITA CATCHES THENEF'S EYE. SHE WINKS AT HIM. THE OLD FAKER HAS MANAGED TO PULL IT OFF RIGHT TO THE END. KHALIA WILL DIE BELIEVING HE HAS HAD A TRUE MAGICIAN LIVING IN HIS WIZARD'S TOWER. POOR DELUDED KHALIA, HAD YOUR PURSE BEEN STOLEN, THENEF COULD HAVE RESTORED IT, FOR LIKELY IT WOULD HAVE BEEN HIM THAT WAS THE THIEF.

THENEF, YOUR KNOWLEDGE OF MAGIC WILL SERVE AN EVEN GREATER PURPOSE THAN THAT OF PROLONGING THE DISGRACE OF YOUR SOVEREIGN.

THE DEFENSE OF ALIZARR MUST HAVE STRONG LEADERSHIP.

THERE IS ONE WHO CAN SAVE THE TEMPLES FROM DESECRATION.

KHAN-DAGON!

KHAN-DAGON?

HE TURNED BACK THE RAVAGING ARMIES OF ZEPHYRAN. IT IS WELL DOCUMENTED.

HE WAS A BRILLIANT GENERAL... A SAVAGE. A MASTER OF THE SWORD.

BUT, SIRE! HE WAS SLAIN IN THE FULL FLOWER OF HIS MANHOOD UPON THE BATTLEMENTS OF THIS CITY. HIS MUMMIFIED CORPSE LIES IN THE BURIAL VAULTS BENEATH THE PALACE.

I AM FULL AWARE OF KHAN-DAGON'S FATE.

Hermes Press www.hermespress.com 2026

ENOUGH TALK OF WOMEN'S TEATS. ON WITH THE SPELLS. HERE IS THE GEM, THENEF.

AS YOU WILL, MY SOVEREIGN.

SEE, O TAMMUZ? THE OLD FOOL BEGINS THE RITUAL. TRUE, HE BE NOT IGNORANT OF THE RITE. IT REMAINS THAT HE IS UNSKILLED. IF THERE BE ANY RESULT AT ALL, O TAMMUZ, LOOK TO THE GEM-STONE AND NOT TO THE MAGE.

ZAGORETHZOMZORR

INEXTIOORNEXUSNOM

NOTHING.

ALIZARR IS LOST.

WE WILL BE OVERRUN.

THE GEM! TAKE THE GEM AND THRUST IT INTO THE MID-SECTION OF THE CARCASS!

DEEP INSIDE! QUICKLY, THENEF.

THENEF, HAVE YOU LOST YOUR HEARING?

I CANNOT... THE PESTILENCE, THE ROT, THE...

GIVE ME THE STONE!

I WILL BRING HER TO YOU, SO YOU MAY SUCK THE EVIL FROM HER...

...AND GRIND THE REST OF HER INTO THE ROCKS OF YOUR SACRED NEST.

THEN YOU, DRILL, WILL BE THE ONLY GOD OF NEW ZEPHYRAN.

AND I WILL BE YOUR PRIEST AND LOVER.

EVEN AS SEF SPEAKS, THE GLORIFICATION OF GHITA AS GODDESS OF THE TUNNELS CONTINUES. A DEPUTATION OF HALFTROLLS SUMMONS HER TO A CHAMBER NEAR THE CENTRAL DOME OF THE CAVERNS. IT IS TO BE GHITA'S HOLY TEMPLE ROOM.

SOON, MY GODDESS, YOU WILL SIT UPON THE THRONE OF ALIZARR. UNTIL THEN, WE HAVE CONSTRUCTED A ROYAL CHAIR.

AYE. IT BE FIT WITH A SEAT STUFFED WITH FEATHERS OF SONG BIRDS.

IT AWAITS THE HOLY CARESS OF YOUR BUM CHEEKS, GOLDEN ONE.

FORGIVE GOZAL, MY GODDESS. HE KNOWS NOT TO SPEAK SO LIGHTLY ABOUT YOUR REAR.

TO SING A HYMN TO SUCH FRAGRANT MOONS WOULD BE MORE FITTING. I WILL COMPOSE A SONG OF PRAISE.

AN ARSE IS AN ARSE. I'D WAGER IF THERE WERE A GOD, AND HE HAD AN ARSE, IT WOULD BE NO MORE FRAGRANT THAN THENEF'S BUM.

ASCEND TO THE THRONE, LITTLE PIPKIN. BLESS YOUR FLOCK.
