GUNPOWDER PROPHETS TPB

AUTHOR: **JUSTIN JORDAN**

ARTIST: **PATRICK PIAZZALUNGA**

COVER ARTIST: **PATRICK PIAZZALUNGA**

Huck and Marley help people for money. Well, in theory anyway... For some reason, their "help" always seems to involve massive amounts of property damage, a somehow guaranteed collision with the supernatural and, if Marley has his way, a huge body count. They're the Gunpowder Prophets, and a simple job rescuing a girl from a backwoods cult turns weird when the super groovy leader's supernatural powers turn out to be very, very real. It's seventies style horror mixed with grindhouse action in Gunpowder Prophets. Gonzo over the top action horror from Justin Jordan (*The Strange Talent of Luther Strode*), Patrick Piazzalunga (*Monsters are my Business*), Roman Stevens, and Taylor Esposito.

ARTIST: **ASIAH FULMORE**
COLORIST: **DJ CHAVIS**
LETTERER: **BECCA CAREY**
COVER ARTIST: **TAURIN CLARKE**

Once upon a time, Savannah and Marcus were the most skilled temporal thieves in the business, slipping through history to acquire rare artifacts. That was before they settled down, had a son, and built a quiet life together. Ten years later, as their son Harper celebrates his birthday, Savannah questions whether suburban bliss is enough. When Harper's disappointment over a replica gaming console triggers memories of her former life, Savannah makes a decision that could jeopardize everything she and Marcus have built. Against her husband's knowledge and her best friend's warnings, Savannah steps back into the portal for "one last job" - a simple mission to retrieve an original gaming console from the past. But nothing stays simple for long in a business where time is money.

From acclaimed writer Stephanie Williams (*Nubia & the Amazons, Moon Girl and Devil Dinosaur: Wreck and Roll, The Raven Boys Graphic Novel Adaptation*) and rising comic artist Asiah Fulmore (*Amethyst: Princess Of Gemworld* and *Batman: The Brave and the Bold*) comes a thrilling new limited series about family, identity, and the dangerous allure of who we used to be. *Temporal* explores what happens when your past and future collide—and the ripple effects that follow when you steal more than just objects from history.

I, I THE MANDALORIAN OF NEVARRO 15

Feel thou the sting of rifle, pesky brute!
[Mando stuns the ravinak. It falls away from the Razor Crest *and exits. The* Razor Crest *flies into space.*

MYTHROL Away we fly—escape remarkable!
[Aside:] How may I flatter him, that I may yet
Secure my freedom from the hunter's grasp?
[To Mando:] Your ship I undervalued, verily.
A classic 'tis—a Razor Crest, pre-Empire?
Have I made mention of my credits, sir?
Full many have I, which could yours become.
How much would you be paid to bring me thither?
Is't true that Mandalorians shall ne'er
Remove your helmets? What a life you lead!
[Aside:] This conversation benefits me not.
Another scheme I'll quickly undertake.
[To Mando:] Th'excitement of the day hath stirr'd my nerves,
And I must use the vacc tube for relief.
'Tis possible the deed may here be done—
Within your presence—yet, if you have not
Beheld a Mythrol young evacuate
Their thorax, then a charm'd life have you led.
We are beyond the planet, 'mongst the stars,
Where I could flee not, even if I would,
Thus shall I find the vacc tube, by your leave.
This may take time, as I do molt e'en now.
[The Mythrol moves to another part of the ship, where he cannot be seen.

MANDO *[aside:]* Such prating doth become the prey confin'd,
Who always bargain for their little lives.
This Mythrol thinketh he shall best my skill,

THESIS AND INITIAL FIELD NOTES

THE HOLLOW EARTH

THE BELIEF IN A subterranean world—a world deep beneath our planet's surface—has permeated ancient myths and legends from every culture. Caves and rivers were often seen as the entrances to the netherworld (literally, "world below"), which was often conflated with the realm of the dead or some otherwise supernatural place. Tales of visits to this strange world beneath our feet abound. One thing they all have in common is perilous crossings guarded by terrifying monsters.

Beginning in the seventeenth century, with the rise of modern scientific thought, various notable scholars proposed theories of a Hollow Earth. One of the earliest and most prominent of these was Edmond Halley, the revolutionary astronomer after whom Halley's Comet is famously named. In order to explain anomalous magnetic compass readings, Halley proposed that the Earth contained a series of nested, concentric shells, each shell separated from the others by an atmosphere. Theories of a Hollow Earth flourished in the eighteenth and nineteenth centuries but gradually fell out a favor by the early twentieth. By midcentury, such ideas were considered obsolete and unsupportable.

The discovery of Titans turned that on its head. William Randa, one of the founders of Monarch, became fixated on Hollow Earth theory as an explanation for how creatures of such massive proportions could remain undetected for so long. He expanded Monarch's expeditions to search for evidence of and entrances to the subterranean realm, thus beginning the modern era of Hollow Earth studies. Hollow Earth's discovery is largely due to the work of Dr. Nathan Lind, a former Monarch researcher thrust

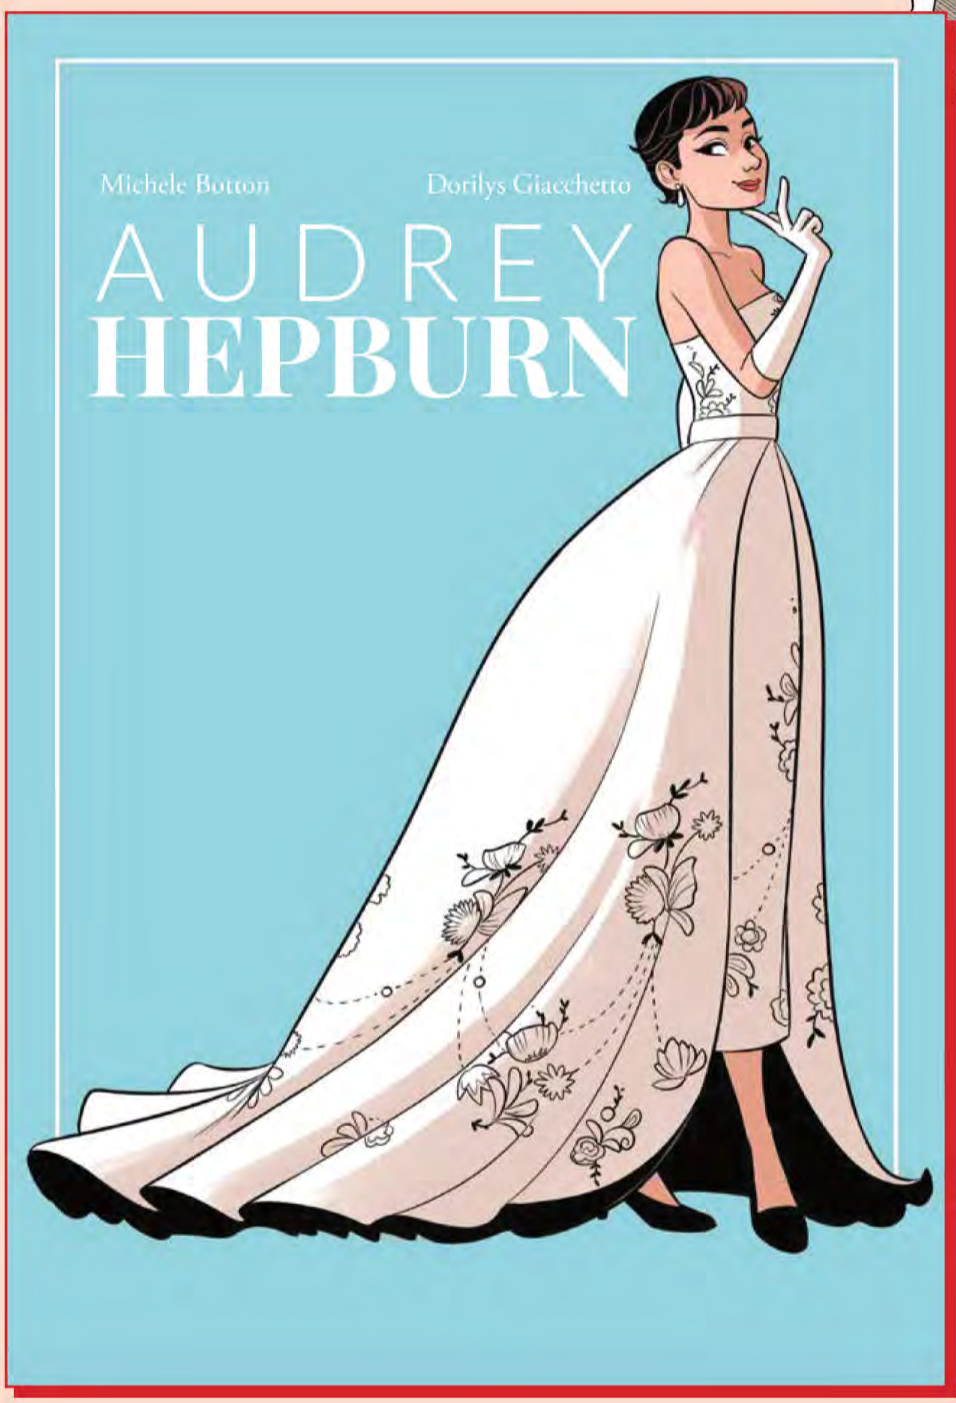
AUDREY HEPBURN HC PREVIOUSLY OFFERED

COVER/ARTIST: DORILYS GIACCHETTO
WRITER: MICHELE BOTTON



Pending licensor approval. NBM Graphic Novels TM & © 2026 ABLAZE, LLC.

From the preface by Luca Dotti, Hepburn's son: "Everyone has their own Audrey, for some she is always twenty years old, for others she is in black and white and for others in color. Sometimes she is a European princess, a tipsy New Yorker or a UNICEF ambassador. Here you will discover her differently, made of ink and paper in a much more intimate and unvarnished dimension, without a soundtrack and with the voice you prefer. I sincerely hope that you will discover her as yours."

When Audrey Hepburn is mentioned, one thinks of her being beautiful and elegant, of her films, or of how her image is used to recall something immortal and fashionable.

But Audrey was also a little girl who saw the Second World War with her own eyes, a woman who was at times fragile at work and in her private life, with a strong desire for motherhood and, above all, a boundless love for children that would lead her to find her true vocation, far from dancing or acting: she will in fact become a UNICEF ambassador to raise awareness in the world and help minors in difficulty.

"When I started acting, I didn't have a method, on set and on stage I just pretended to be someone else, like little girls can do for fun. And I won an Oscar!"
—AUDREY HEPBURN

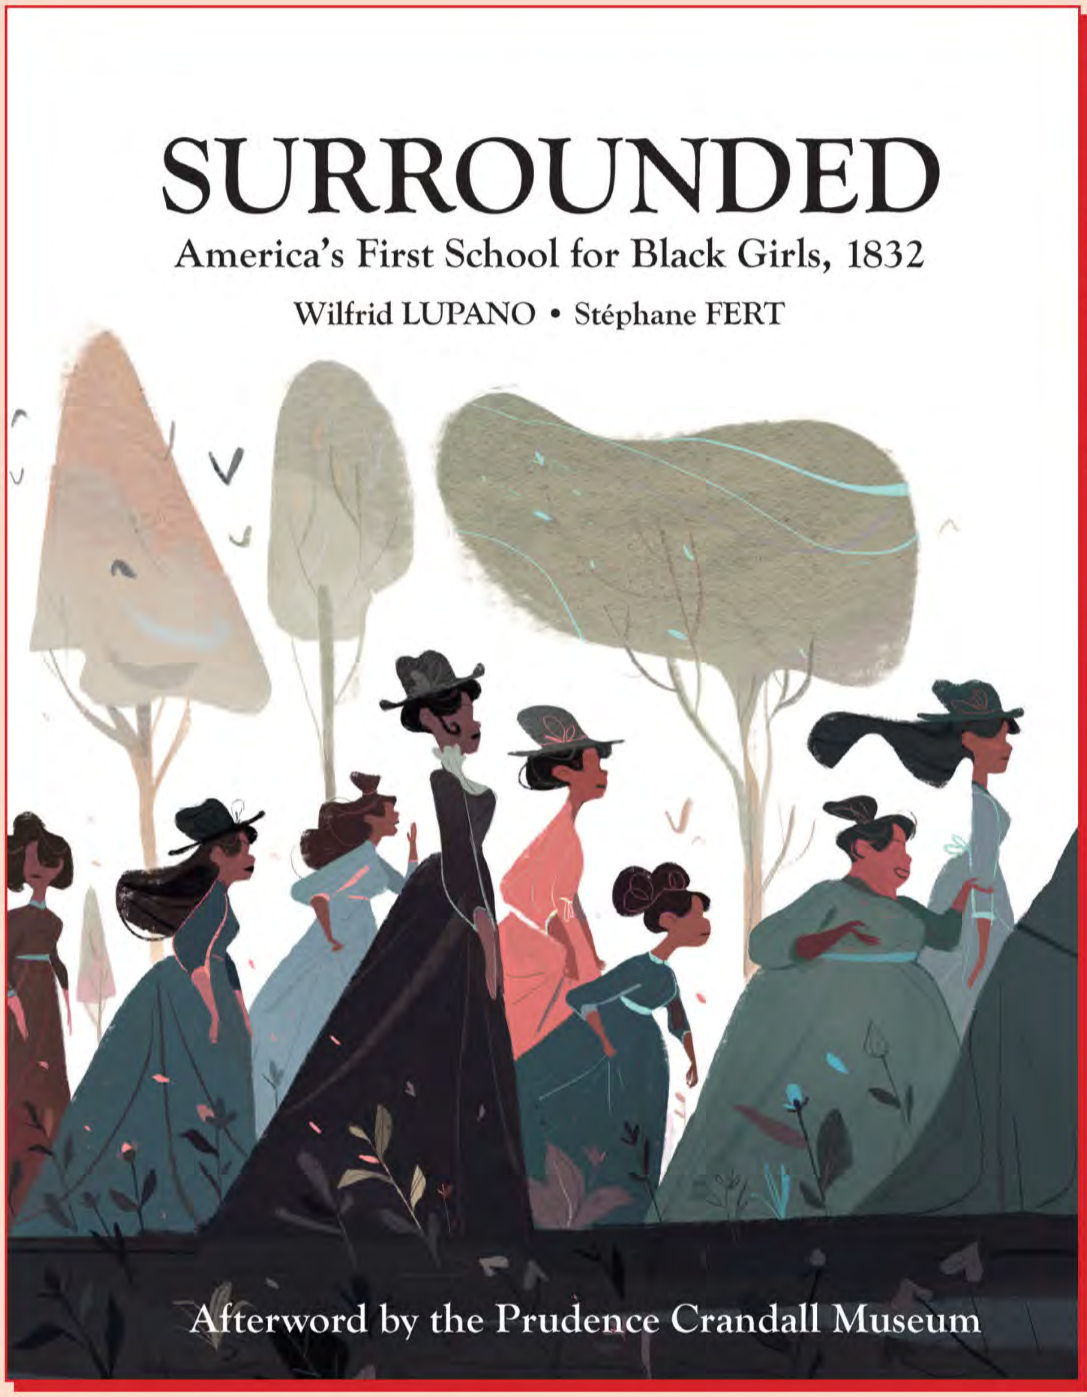
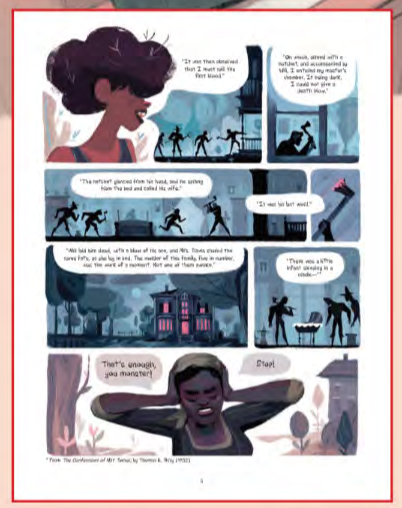
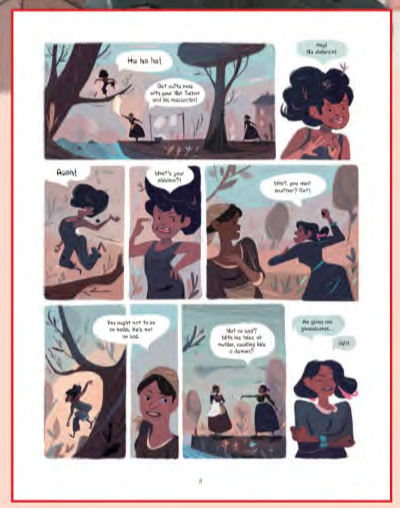
PREVIOUSLY OFFERED

COVER/ARTIST: STÉPHANE FERT
WRITER: WILFRID LUPANO







NBM Graphic Novels TM & © 2026 ABLAZE, LLC.

In 1832, in Canterbury, Connecticut, a "charming and picturesque" little school for young girls opens to accommodate around twenty residents.

Educating girls is a bit ridiculous and useless, they think in the area, but harmless enough. Until the day when the "charming school", led by Prudence Crandall, announces that it will now welcome Black girls....

Thirty years before the abolition of slavery, some fifteen young people in the Crandall school are greeted by a wave of hostility of insane proportion. White America is afraid of some of its children.

The story of this school and its legal legacy for civil rights cannot be understated. Crandall v. State (of Connecticut) was the first full-throated civil rights case in U.S. history. The arguments by attorneys in the Crandall case played a role in two of the most fateful Supreme Court decisions, Dred Scott v. Sandford, and the landmark case of Brown v. Board of Education. It catapulted Ms. Crandall into a Civil Rights pioneer.

NBM Graphic Novels TM & © 2026 ABLAZE, LLC.

Explore the life of Will Eisner, one of the most influential artists in the history of comics through the most appropriate medium: a graphic novel! From his immigrant roots and childhood in New York, starting his own comics studio and business, and the creation and publication of his beloved comic, The Spirit, through popularizing the term "graphic novel" as the result of trying to convince a general trade publisher to publish the groundbreaking A Contract with God, you'll follow along in Eisner's life journey.

With the most prestigious comics awards named after him, Will Eisner is forever celebrated not only in what he created but his unerring belief in comics' capacity to be better, to reach higher, to be a full art form in its own right. This is the life of this man of vision who helped to put comics on the map.

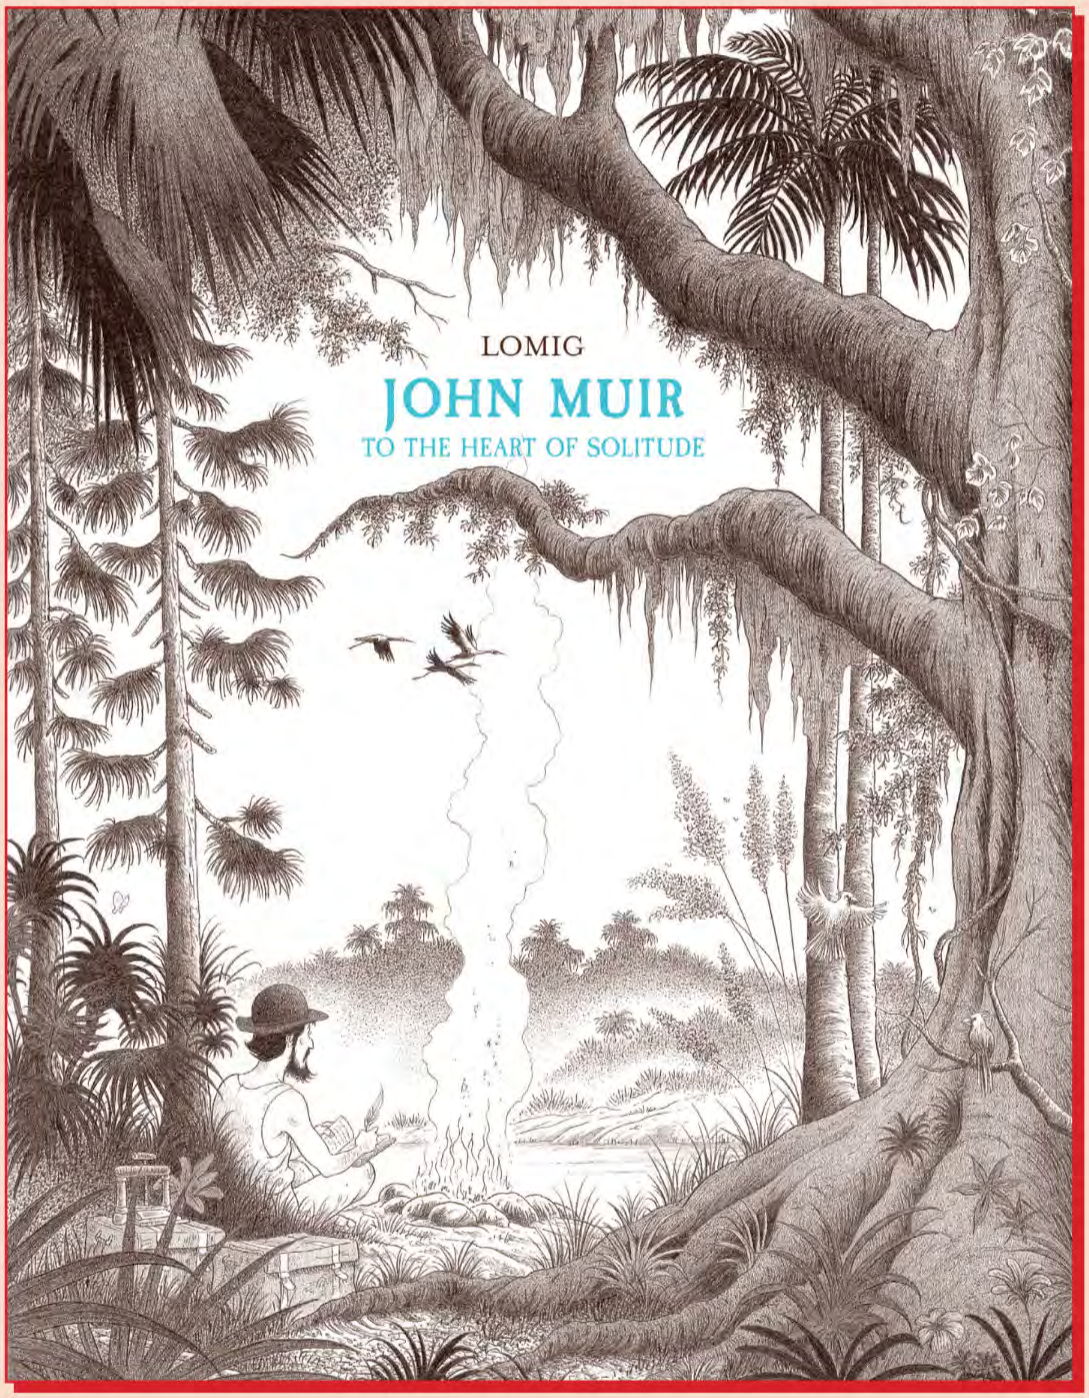
JOHN MUIR: TO THE HEART OF SOLITUDE HC PREVIOUSLY OFFERED

COVER/WRITER/ARTIST: LOMIG



NBM Graphic Novels TM & © 2026 ABLAZE, LLC.

What pushed John Muir to become the pioneering environmentalist and founder of the Sierra Club? 1867: A sawmill is running at full speed with a terrible noise when suddenly, workers run to rescue a man on the ground. He has seriously injured his eyes. John Muir is twenty-nine years old and has to be confined in a dark room: it is likely that he may remain blind. But miraculously, after months of an almost mystical convalescence, he regains his sight.

This episode convinces him he's going to leave everything behind and embrace his lifelong dream: head south to meet the wilderness. Armed with only his courage, his youth, a magnifying glass and a botanical book, he treks hundreds of miles on foot from Indiana to Florida. Imagine an almost pristine wilderness, where only a few dangerous ex-soldiers from the South and former slaves thrown out of the old plantations roam...

This biography also covers his other life-changing pioneering trek along the Sierra Nevada Trail which now bears his name. Here, in breathtaking vistas, is the inspiration he got to found the Sierra Club, create the first national parks, and become one of America's first and foremost environmentalist champions.

Exquisitely rendered in a sepia tone.

The last year of school before graduation has begun . . . a time when the world seems the same but when everything will change.

For Ben, who is determined to enjoy the end of summer with his girlfriend, Clara, the mood gradually darkens as she begins to withdraw in a similar manner as his best friend, Andreas, had, and without explanation.

While tensions grow between Ben and Clara through the school year, Andreas struggles with his own demons, and suddenly final exams are upon them along with the inevitable questions from friends and family alike: *What are you doing after school? Where will you enroll? Will you move out? What's next?* Maybe the answer for Ben and his classmates is to simply slow down and take a deep breath . . .

Outline is creator Michèle Fischels's impressive graphic novel debut, in which she demonstrates a deep relatability for that special phase in which we cautiously leave childhood behind and look to the future with uncertainty and anticipation.

Love is never lost . . .

Fan is a young Chinese engineer who lost his wife in a Japanese bombing raid in 1937. Mingfeng was a popular performer at the local opera, and he is devastated by the loss. Distraught, he builds an extraordinary automaton that replaces her at the theater. Meanwhile, war rages throughout the city, and orphaned children run wild under the direction of local potentates in an attempt to thrive and survive. When those potentates take notice of the mysterious beauty, suspicions and desires start to grow. Mix in an American airman and the tensions of war, and things build to an explosive finale.

Masterfully mixing a snapshot of war-torn China with the philosophical sci-fi questions of a Philip K. Dick novel, *Twin Lotuses* is a beautifully illustrated story capturing an ugly time and the flicker of hope, love, and ambition that shone through it all.

In a world built on conformity, there's no room for dreamers . . .

At school, "Pizza Face" doesn't exactly shine with his report card. On the contrary, he's one of the worst dunces in school. He dreams of opening a video game store, but that's about the extent of his ambition. He's summoned into the guidance counselor's office, along with a rebellious girl named Mims. Mims loves manga and doesn't care about the system. But both of their futures are at stake this decisive year . . . If they fail, their parents are authorized to literally kill them! The pressure of this strange new policy begins to weigh on the teenagers' shoulders, and their parents begin to slowly mutate into monsters. Can their parents really kill them if they fail classes? Pizza Face and Mims bond to face this existential threat, but soon the situation spirals out of control . . . Their race for merit becomes a race for survival, a downward spiral in a conformist world that leaves little room for imagination . . .

A modern tale with a horrific twist, *Infantoms* is part of a thematic trilogy by author Jim Bishop centered around childhood and the transition to adulthood. With this work, Bishop demonstrates his creative prowess following *Lost Letters* and *My Dear Pierrot*. A tribute to manga as well as a nod to our inner child, this intimate graphic novel highlights the difficulties of social integration, the excesses of society, and the value of self-confidence and friendship. A gripping album that will haunt you long after the last page.

Magic and mayhem collide in this fantastical new series! For fans of black cats and dark wizards!

Amelia Shadows has never had what you might call a "normal" childhood. For one thing, her dad's the most powerful dark magician in the world. And for another, she's spent her entire life in a house filled with ghosts and monsters and incredibly dangerous magical objects! As far as Amelia's concerned, her life's actually pretty cool.

When Amelia and her cat, Clara, aren't having adventures or dealing with dimensional portals in the pantry, she's learning to be a dark magician, just like her dad, with the help of a ghost tutor named Gustave. You'd think a ghost tutor named Gustave would be pretty fun, but he's actually pretty boring.

And if a boring ghost tutor wasn't bad enough, now Amelia's dad has hired another ghost to oversee things, Hans. Which wouldn't be that bad, except Hans has very strong opinions about how things should be around the house. This new head ghost has got to go, and Amelia may have a surprising ally...

Magic and mischief and a life lesson or two from Matthew Dow Smith, creator of DC's *Misfits of Magic* and Maverick's *The October Girl*.

Most people think of Leonardo Da Vinci as some old guy painting stuff hundreds of years ago...yet even Da Vinci was once a bold, troublemaking kid who craved adventure—this is his story!

Young Leo has spent his childhood exploring art (and creepy caves) while engineering in the freedom of his hometown. But when his estranged dad drags Leo to an apprenticeship far away, our boy genius soon finds himself out of his depth...and in a city on the brink of war! Fortunately, Leo also finds two new friends who change his life forever: Tano, a charmingly clumsy chum from Africa, and Filomena, a pre-teen patron who funds Leo's latest inventions and always wears a mysterious smile—the smile which will inspire Da Vinci's most famous portrait.

Together, Leo, Filomena, and Tano uncover a deadly conspiracy that threatens the entire world...only nobody believes them, since they're "just kids." So Leo and his pals must grab everyone's attention the only way they know how—with elaborate pranks that harness the true power of art, to open eyes and change minds. Equal parts Sherlock Holmes and Indiana Jones, Leo Da Vinci leaps out of history and into our hearts in an epic tale full of action, comedy, and full-color fun!

YETI OR NOT, HERE WE COME!

Penny and Yeti are pretty typical best friends: they go to school together, play together, and have fun adventures. The twist? Yeti's a living, breathing myth!

Before Yeti, Penny had a super normal life with her big sister, Peri, and their parents, Fenton and Maxine. Penny thinks life is pretty great, especially when Peri draws and colors with her—Peri draws the best monsters called "cryptids!"

The only real problem is Penny's parents argue...a LOT. Penny wishes her parents would stop, but what can she do? That's when Yeti shows up, right out of one of Peri's drawings and smack into Penny's life! With Yeti's help, Penny comes up with a plan to get her parents to stop fighting. Penny, however, soon finds out that her parents may need more help than even a magical Yeti can provide...

When Carl gets a class assignment to grow a plant, his seedling struggles in the concrete jungle of Great Lakes City. But the problem isn't soil or sunlight — it's that little thing called patience. Uh-oh. Is there any hope for Carl?

Then, Vito's on babysitting duty, and it's a beautiful day for a walk in the park with little Carlitos. Only, Carlitos can move a LOT faster than Vito thinks. Run, grandpa, run!

Plus, when a flea market comes to town, Ronnie Anne and Lincoln find a diamond in the rough — but they'll have to fight to keep it!

And when Frida enters a spring competition for local photographers, the whole family pitches in to help her get her photos. But let's just say they aren't exactly "glamour shots." When disaster after disaster strikes the photo sets, how will Frida recover?

All this and more in this spring spectacular featuring stories by the talent behind the Emmy-nominated series THE LOUD HOUSE and THE CASAGRANDES!

COVER ART BY

In Mega-City One, the Judges are the law – acting as judge, jury, and executioner. But how do the citizens really feel about a system where they are powerless? America Jara and Bennett Beeny grow up as best friends, living a fairly trouble-free life in a dangerous city… bar the odd, negative encounter with a Judge. Time draws them apart, and when they are brought back together, Beeny is a successful singer and America has become involved with a terrorist organisation known as Total War, which has the Justice Department in its sights! This dark and complex tale, considered to be one of the best stories to ever come out of the Judge Dredd universe, has been contextualised with contemporarily thematic stories with re-coloured art by *Watchmen*'s John Higgins.

Alan Moore is the legendary comics writer credited with transforming the medium and how it was seen through his seminal works such as V For Vendetta, From Hell and, of course, Watchmen. But, before any of that, he cut his teeth at 2000 AD, the "galaxy's greatest comic". It was there that Moore honed his craft in preparation for the accolades that would follow.

This first volume in a new series collecting all of Alan Moore's work for 2000 AD, brings together all of his Future Shocks as well as a host of other one-off stories. Includes the story "A Holiday In Hell" which has never been reprinted in English since its first publication in 1980.

Moore's stories are complemented by the works of a string of legendary artists including Dave Gibbons (Watchmen), Ian Gibson (The Ballad of Halo Jones), Eric Bradbury (Rogue Trooper), Bryan Talbot (Grandville), Steve Dillon (Preacher), Brett Ewins (Bad Company) and more.

CHARLEY'S WAR

THE BATTLE OF THE SOMME... JULY 14, 1916... YOUNG CHARLEY BOURNE HAD SUFFERED THE AGONIES OF BEING SASSED AND NOW LAY SILENT THEN, IN THE DISTANCE, HIS COMRADES "GINGER" AND "LONELY" SAW A TERRIFYING SIGHT!

FROM THEIR HIDING-PLACE IN ENEMY TERRITORY, LONELY GAVE A CRAZY GIGGLE.

THE HORSEMEN OF DEATH! THEY'VE COME FOR LONELY! THEY'VE COME TO TAKE HIM BACK DOWN TO HELL WITH THEM!

SHUDDUP! IT'S BAD ENOUGH THAT POOR OLD CHARLEY'S JUST DIED! DON'T YOU START GIVING ME THE HORRORS!

BUT IT'S THE DAY OF ATONEMENT! THE DAY OF ARMAGEDDON... WHEN LONELY MUST BE PUNISHED FOR HIS CRIME!

DUE TO LONELY'S ACT OF COWARDICE SOME MONTHS PREVIOUSLY, HIS PLATOON HAD BEEN WIPED OUT. SINCE THEN, THE SOLDIER HAD TORMENTED HIMSELF WITH HIS LACK OF COURAGE.

SEEEE! SEEEE! THE HELL RIDERS!

YOU DAFT, OLD LOONY! IT'S OUR CAVALRY... WE'RE SAVED!

Battle 6 P 8

AS THE CAVALRY ADVANCED THROUGH THE NEWLY-WON BRITISH POSITION...

WE'LL PUT AN END TO THE MISERY OF THE TRENCHES AND BRING SOME GLORY BACK TO THIS WAR!

THE GERMAN LINE HAS BROKEN! IT'S THE CAVALRY'S TURN AT LAST!

TO THE WAR-WEARY TOMMIES, THE BEAUTIFULLY GROOMED HORSES WERE A MAGNIFICENT SIGHT!

THREE-CHEERS FOR THE CAVALRY! HIP-HIP...

HURRAAAAY!

IN THE LEAD WAS THE FAMOUS WAR HORSE, "WARRIOR"...

GOOD OLD WARRIOR WILL SOON HAVE THEM FRITZIES ON THE RUN!

PATIENCE, WARRIOR, OLD MAN! PATIENCE!

MEANWHILE, IN ENEMY TERRITORY...

I'M SORRY YOU'RE DEAD, CHARLEY! I'M SORRY FOR ALL THE ROTTEN THINGS I'VE DONE TO YOU... LIKE NICKING YOUR MOUTH-ORGAN FROM YOUR KIT-BAG!

'ARF A MO'! I THOUGHT I'D LOST IT IN THE MUD!

CHARLEY! YOU-YOU'RE ALIVE! FOR WHAT DO YOU WANT TO GIVE ME A BLINKIN' FRIGHT FOR?

THE WORST EFFECTS OF THE GAS HAD WORN OFF... LEAVING CHARLEY VERY WEAK.

NEVER MIND THAT! WHAT ABOUT ME MOUTH-ORGAN, YOU ROTTEN THIEF?

I-I DIDN'T REALLY NICK IT! IT SORTA... SLIPPED INTO ME HAND! I WAS GONNA GIVE IT BACK... HONEST!

AS THE RIDERS ADVANCED WITHOUT THEIR MASKS...

IT'S THE BIG BREAK-THROUGH AT LAST, GINGER!

YOU'RE A STINKIN' LIAR! HAND IT OVER... RIGHT NOW!

IN A MINUTE! COME AND LOOK, CHARLEY! SEE WHAT'S COMING UP THROUGH THE CORN... HUNDREDS OF HORSES WITH ABROPLANES DISGUISED!

EASY, RAWLINSON! YOU'RE NOT ON THE POLO FIELD NOW!

Battle 621 P9

SUDDENLY...

GET DOWN, BIG RUD! NOT YET! WAIT TILL THE CAVALRY ARE RIGHT INSIDE... BEFORE WE SPRING THE JAWS OF OUR TRAP!

IT'S AN AMBUSH!

GINGER... IN THE CORN... I THOUGHT I SAW SOMEONE MOVE!

LOOK, CHARLEY... IN THE WOOD! MORE JERRIES!

HECK! THE CAVALRY WILL BE CAUGHT BETWEEN THEM!

A BRITISH SPOTTER PLANE FLEW ABOVE THE HIDING GERMANS.

KEEP DOWN! JUST A FEW MINUTES MORE!

JA! BUT IF THE TOMMY CAVALRY HAD ADVANCED EARLIER, THEY WOULD HAVE CAUGHT US BY SURPRISE!

BUT NOW WE ARE READY, AND THEIR BLOOD WILL FLOW...

...ALL RED LIKE THE POPPIES!

FORWARD, MEN! FORWARD ON OUR PATH TO GLORY!

THEY'LL BE SLAUGHTERED! WE'VE GOT TO WARN THEM!

DON'T LOOK AT ME! I AIN'T A HERO!

CAN'T SEE ANYONE DOWN THERE, SARGE! SIGNAL THE CAVALRY IT'S SAFE TO PROCEED!

BUT MAYBE THIS IS LONELY'S CHANCE TO... REDEEM HIMSELF? HEE, HEE!

NEXT WEEK: GHOST SOLDIERS!

POSTCARD SENT BY CHARLEY TO HIS FAMILY. JUNE 24TH, 1916.

IT WAS JUNE 24TH, 1916. THE BRITISH GUNS OPENED UP AND SHELLED THE GERMAN LINES FOR SEVEN DAYS. IT WAS THE GREATEST BOMBARDMENT THE WORLD HAD EVER SEEN! A MILLION AND A HALF SHELLS WERE USED AT A COST OF SIX MILLION POUNDS! THE SHELLING COULD BE HEARD EVEN IN LONDON!

"...Well if you knows of a better 'ole, go to it."

THE AIM OF THE BOMBARDMENT WAS TO SMASH GERMAN TRENCHES AND CUT THE BARBED-WIRE, SO THAT THE ADVANCING BRITISH TROOPS COULD SIMPLY WALK ACROSS NO-MAN'S-LAND TO VICTORY!

BUT THE WIRE WAS NOT DESTROYED COMPLETELY AND THE DEEP GERMAN DUG-OUTS SURVIVED!

SHORTLY BEFORE THE END OF THE BOMBARDMENT, CHARLEY AND HIS COMRADES WERE ADDRESSED BY THEIR GENERAL BEHIND THE FRONT-LINE.

GOOD LUCK, MEN! WHEN YOU GO OVER THE TOP, YOU WILL FIND THE WIRE HAS BEEN DESTROYED! THERE WILL NOT BE A GERMAN LEFT ALIVE IN THE TRENCHES! OUR GUNS HAVE BLOWN THEM ALL TO HELL!

S'TRUTH! DON'T HE GO ON, CHARLEY?

In ESSENTIALS, mathematician Harris Pax predicted the end of the world but failed to prevent it. Now he's living alone in a bunker and his niece's favorite toys have started talking to him. The good news? He's not the world's sole survivor. The bad news? The other survivors are trapped in alternate realities-imprisoned in imagined worlds full of zombies, robots, mythical creatures, and chaos. And now Harris Pax and an unlikely ally must travel the country on a quest to restore reality, save humanity, and defeat his new interdimensional nemesis: Snuggles. MUST-HAVE ITEMS THIS MONTH

Bryce Walker
Direct Market Coordinator

February is here and what's better in the month of Valentine's than looking ahead to the amazing comics Titan has slated for April. **DEAD BY DAYLIGHT: THE HILLBILLY** launches in April, with an exclusive in-game code in every comic. The artwork is absolutely stunning and the horror is for sure rolling. It's even got a cover we've had to blind bag because it's too gory to show you - trust me, I've seen it!

We've also got the stunning **ELRIC: THE SLEEPING SORCERESS**, with beautiful art by Valentin Sécher accompanying this adaptation of Michael Moorcock's classic tales. Plus, a hilarious cat flavored, new **LENORE** in **MUFFIN ELSE MATTERS**. And, that's not forgetting the continuation of this **CONAN** story arc — with an epic Doug Braithwaite cover.

On the Graphic Novel side we don't stop with those exclusive in-game codes, **RUNESCAPE: UNTOLD TALES OF THE GOD WARS** has one too! I'm running out of room and I haven't even mentioned **HEAT SEEKER EXPOSED** and its two Direct Market variants!

Titan are always keen to work on exclusive store covers, so please get in touch if you are interested. I can be contacted at: bryce.walker@titanemail.com

AMERICAN COMIC BOOK CHRONICLES: 1940-44 (New Printing)

by KURT F. MITCHELL with ROY THOMAS

HARDCOVER	$49.95	288 PAGES	FC	STD.
0825TM1171	Previously solicited			

The **AMERICAN COMIC BOOK CHRONICLES** series of FULL-COLOR HARDCOVERS documents every decade of comic book history from the 1940s to today! This volume spotlights the "Golden Age" of the comic book industry, covering the earliest adventures of Batman, Captain Marvel, Superman, and Wonder Woman; and America's entry into World War II was presaged by the arrival of **WILL EISNER**'s Uncle Sam, **HARRY SHORTEN** and **IRV NOVICK**'s The Shield, and **JOE SIMON** and **JACK KIRBY**'s Captain America. It also saw the debut of a fumbling red-haired high school student named Archie Andrews, but most of all, 1940-44 was the age of the "packagers" when studios headed by men like **HARRY A CHESLER, WILL EISNER,** and **JERRY IGER** churned out material for new comic book companies that published genres from funny animal stories to crime tales to jungle sagas to science-fiction adventures. Taken together, the **AMERICAN COMIC BOOK CHRONICLES** series forms a cohesive, linear overview of the entire landscape of comics history, sure to be an invaluable resource for ANY comic book enthusiast!

SUMMARY

CELEBRATING THE ICONIC LEGACY OF SUBLIME

The laid-back Long Beach trio spawned an entire genre—fusing reggae grooves, punk grittiness, ska energy, back-porch folk introspection, and hip-hop swagger. The band goes from playing backyard parties and selling cassettes out of the trunks of their cars to creating an entirely new and revolutionary blend of chart topping music.

Xanadu meets Superbad in this heartfelt anthology of SUBLIME legends brought to life by RYAN CADY (Green Lantern, Poppy's Inferno), AUDREY MOK (Archie), ALEX DIOTTO (Youth), HAYDEN SHERMAN (Angel & Spike), LOGAN FAERBER ('Namwolf), rising stars BILL MASUKU, ROBERT AHMAD and JULIANNE GRIEPP. Featuring brand-new cover artwork by SUBLIME family members OPIE ORTIZ and DJ PRODUCT ©1969! Plus: the one and only LOU DOG!
