JOE BRUSHA & HONOR VINCENT [W] **VARIOUS** [A]

Death never takes a holiday.

Across seven tales of supernatural horror, bad decisions, dark secrets, and bloody consequences, **Keres, the Goddess of Death**, reminds us that no matter what the occasion, death is always in season.

First is a Halloween night to remember as a skeptical young man visiting New Orleans steps into a fortune teller's shop and discovers that some predictions are impossible to escape. Elsewhere, a desperate father's criminal choices put both himself and his children on a collision course with horror, while Keres watches over a collection of victims who are about to discover that judgment can arrive when they least expect it.

Then Christmas becomes considerably less merry in a tale featuring four holiday-themed nightmares. A young woman's seemingly perfect new boyfriend hides a monstrous secret; a couple's Christmas celebration turns into a home-invasion nightmare with a decidedly supernatural twist; and a child's innocent Nutcracker becomes the unlikely protector standing between her and the creatures stalking her family.

From Halloween scares to Christmas carnage, **Death for All Seasons** delivers seven complete stories proving there's no holiday from horror—and no escaping Keres when your time is up.
