Dr Syn #1
Cover A Dustin Weaver

Comic Script by MICHAEL E. USLAN and STEVEN S. DEKNIGHT; Illustrated by SEBASTIÁN CABROL; Cover Design or Artwork by DUSTIN WEAVER

Michael E. Uslan (executive producer behind the multibillion dollar–grossing BATMAN film franchise) and Steven S. DeKnight (showrunner of DAREDEVIL and SPARTACUS: BLOOD AND SAND) join riveting artist Sebastián Cabrol (EC's CATACOMB OF TORMENT)!

Once, the Reverend Doctor Christopher Syn waged a guerrilla insurgency across 18th-century England—justice for the cruel deaths of his family at the hands of King George III and the rest of England's persecuted and oppressed. Hidden behind a terrifying mask to keep his true identity concealed, Syn's rebellion soon became legend, inspiring copycat uprisings across the English countryside as the "Scarecrow of Romney Marsh" became a beacon of resistance against his nation's mad monarch. But that's where history's chronicle of the Scarecrow's reign is about to go violently, terribly wrong . . . Now Dr. Syn has been captured, tried, and condemned for his crimes. Forced into death by exile in the British Empire's most inhospitable outpost—the American penal colony known as "Georgia"—Syn has found himself imprisoned alongside a hardscrabble crew of his king's most notorious "undesirables." With a mismatched team of allies fueled by the same burning vengeance for justice at his side, can England's most dangerous revolutionary finally bring the empire down in an inferno of roaring flames . . .

***Inglorious Bastards* meets *V For Vendetta* in a shocking twist of alternative history!**

Mister Invincible Redux

Written by PASCAL JOUSSELIN;
Illustrated by PASCAL JOUSSELIN

The highly acclaimed, award-winning Mister Invincible returns with forty-eight all-new pages of format-bending adventure and creativity for middle grade readers from French cartoonist Pascal Jousselin!

Mister Invincible is a playful, inventive comic series by Pascal Jousselin starring a superhero whose power isn't strength or speed but the ability to manipulate the comic page itself. He steps between panels, reaches across gutters, and bends time and space by treating the layout as his battlefield. The stories mix slapstick humor with clever format tricks, creating adventures that are as much puzzles as they are superhero tales, appealing to both kids and adults who enjoy seeing the medium turned inside out.

Red Rosa

A Graphic Biography of Rosa Luxemburg

Written by KATE EVANS;
Edited by PAUL BUHLE

A giant of the political left, Rosa Luxemburg is one of the foremost minds in the canon of revolutionary socialist thought. But she was much more than just a thinker. She made herself heard in a world inimical to the voices of strong-willed women. She overcame physical infirmity and the prejudice she faced as a Jew to become an active revolutionary whose philosophy enriched every corner of an incredibly productive and creative life.

In this beautifully drawn work of graphic biography, writer and artist Kate Evans has opened up her subject's intellectual world to a new audience, grounding Luxemburg's ideas in the realities of an inspirational and deeply affecting life.

The Haven

Written by JAYEL SEYMOUR;
Illustrated by LAUREN MUGFORD

"There's nothing wrong with you. That's the secret of the Haven, and with it, you can do anything."

From Jayel Seymour (Nadya Skylung and the Cloudship Rescue) and debut creator Lauren Mugford comes The Haven.

Closeted, queer twelve-year-old J is cursed, reliving sixth grade over and over. Same bullies, same school, same loneliness. Something terrible keeps happening at the end of the year, and then the year resets. But he can't remember what the Terrible Thing is. And he can't escape . . . until two new kids show up. Rory—brave, confident, and instantly popular—seems like everything J wants to be. P—a fierce loner with a big secret—wants nothing to do with J or anyone else. And they're trapped in the time loop, too.

Looking for any means of escape, the unlikely trio find a portal into the Haven, a shifting landscape of floating islands and fantastical magic that comes to people who need help solving unsolvable problems. In the heart of the Haven they discover a raging conflict that touches all three of them. J, Rory, and P soon discover the only way to break their time loop is to face a fear they've been running from for their whole lives.

A heartfelt adventure with a big twist about making peace with your differences and discovering where you belong!

Dusty boots, swoon-worthy hunks, and trouble on the horizon: this is the steamiest Western romance-inspired adult coloring book.

Packed with rugged outlaws, smoldering stares, tight jeans, unbuttoned shirts, and just enough dust and sweat to make things really interesting, this coloring book is perfect for all outdoor, horse, cowboy, and Western romance fans.

Warning: may cause blushing, giggling, and an unexplained attraction to ravishing men in hats and tall handsome strangers.
