Exceptional Safety Solutions for Transporting Children and Adults.

EZONPRO.COM

EZ-ON Products is a small family run business with a big passion for keeping people safe in all forms of transportation. We were the first company to design, test and market a safety vest with a seat mount system in a school bus which is still a preferred method of transportation for many kids. We have since expanded into the family vehicle.

EZ-ON Products Mission is to change the lives we touch through safe quality products.

Core Values:

- Do the right thing
- Family First
- Do what you say
- Treat others the way you want to be treated

From a heritage that spans over 60 years in manufacturing, EZ-ON Products is the respected leader in developing safety products and solutions that are exceptional in providing support and safetey for children and adults.
