What is IELTS?
The International English Language Testing System (IELTS) is the most widely accepted English proficiency test, used for study, work, and migration to English-speaking countries. It evaluates your ability to communicate in English across four key skills: Listening, Reading, Writing, and Speaking.

Types of IELTS Tests

- IELTS Academic: – For students applying to universities or professional bodies. It tests your readiness to study in English at a higher academic level.
- IELTS General Training: – Ideal for those migrating to countries like Canada, Australia, or the UK, or applying for work or vocational training. It focuses on everyday English.
- IELTS for UKVI & Life Skills: – Specifically required for UK visa applications. Life Skills A1/B1 tests speaking and listening only.

Test Format & Duration
The IELTS exam evaluates your English skills across four key sections:

- Listening – ~30 minutes
- Reading – 60 minutes
- Writing – 60 minutes
- Speaking – 11 to 14 minutes
