WELCOME!

Welcome to Holy Trinity National Catholic Church PNCC. We are a community of believers whose faith shapes our lives. We follow Jesus' commandments to love God and one another. We strive to live out our faith, in word and in action. Our parish belongs to the National Catholic Church and is the parish of the diocese of Pittsburg-Buffalo diocese. As you explore our website, our events through bulletin, you will see some specific ways that we do this through the ministries and events that are part of our more than 100-year history, as well as our inspiration for the future of our parish. One of the most common compliments that we receive is how welcoming our parish community is! We consider ourselves an extended family. "How good and how pleasant it is, when brothers and sisters dwell together as one!" (Ps 133:1) Our parishioners are the reason people want to come back again and again. One recent first-time visitor remarked, "I've never been here before, but I feel like I belong." Once you have explored our digital presence, we hope that you will come by and visit our church. We pray that you will be drawn to come in person one day to worship with us and discover for yourself what it's like to be part of our parish family. You can find our contact information and a Mass schedule here. May God bless you and your family. We hope that you will bless our parish family with your presence in the near future. We look forward to meeting you!
