

FEASIBLE FERRET THEATRE

The Dustbusters

A comic walkabout street theatre act

Domestic goddesses from yesteryear, armed with dusters and strong opinions.

The Dustbusters

Are dust bunnies running wild? Have spiderwebs taken over? Then you need The Dustbusters! These sassy, silver-topped domestic goddesses from yesteryear are sure to get everyone and everything looking prim and proper.

No corner goes uninspected and no smudge goes unmentioned. Should a passer by find a duster pressed into their hand, well, many hands make light work. Expect housekeeping wisdom nobody asked for and etiquette tips delivered with absolute authority.

But it's not all work and no play for these slapstick scrubbers. The Dustbusters look for any excuse to set down their dusters for a chinwag, and with hearty tunes never far away, you won't be able to stop yourself joining in for a boogie. Brimming with comical cleaning expertise, they will have the world looking pristine, as long as you keep off their freshly mopped floors!
