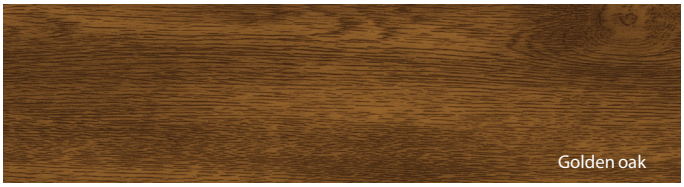
Native Series Colour Range



Colours shown have been photographed to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing as varying light conditions and limitations of the printing process may affect colour tones. Colour samples are available from your local Gliderol dealer.

Designing your **Gliderol Native Series Door**

Pick your Door Profile and Finish (available in either a smooth or woodgrain finish)

Oxford
Classic squares for a traditional look. Each square is precision pressed in manufacturing for quality & strength.

Hampton
An elegant design incorporating rectangular embossments for a classic, yet strong style.

Madison
Clean, sharp lines and a smooth or textured finish to perfectly blend with rendered homes.

Tuscan
A timber planked style door. Horizontal “V” grooves create a sleek and contemporary look.

Why choose a **Gliderol Native Series Door?**

Timberlook Design and Built to Glide

For five decades, Gliderol has been a trusted name in providing Australians with quality garage doors that enhance the look and function of their homes. Founded in 1974, Gliderol has grown with Australia's evolving needs by providing a diverse range of garage doors that add lasting value to the home.

The Gliderol Native series will compliment your home with a timber look finish. These are designed with durable steel and offer a more affordable alternative to real timber. Plus they give a more uniformed look with no ongoing maintenance or resealing required.

Optional Window Range

Personalise your Gliderol Garage Door even further by adding window's to the top panels. This is a great way to allow natural light to filter into your garage and add additional character to your home. These are designed to compliment the Oxford and Hampton door styles. Traditionally supplied in standard clear acrylic, there is also an optional upgrade to bronze tinting available.
