Application due **Thursday, April 22, 2026**

please fill out ALL categories

SEASON PROJECTS INTERN Bexar County Commissioners Court established an arts internship program for local nonprofit arts organizations to provide paid internship to an undergraduate student to assist with seasonal or special projects. GenerationNEXT of the Tobin Center for the Performing Arts (GenerationNext) will facilitate the program. Fourteen organizations will be selected to receive grants to pay the interns. The program is open to currently enrolled undergraduate students who reside in Bexar County and are attending a college or university. Proof of Bexar County residency is required; however, the institution attended does not need to be located within Bexar County. Students who have previously earned a bachelor's degree or higher are not eligible to participate. **The program is a ten-week engagement beginning on June 1, 2026, and ending on August 7th, 2026**. Selected students will develop a closer understanding of how the arts benefit their community along with real-world applications of business skills that can be applied to their careers. Arts organizations will receive assistance from motivated students on seasonal or special projects. **Please complete this application in full. Your cover letter, resume, references and completed application form must be submitted by email to cactusexecutive@aol.com by April 22, 2026**
