TRI-STAR BAPTIST CHURCH

November 26'

Fellow Supporters,

We have been running full throttle towards our grand opening. This is the final week leading up to it. Please be in prayer for this big day. We are overjoyed as we reflect on Gods goodness!

I want to praise the Lord for all that has taken place over the past few weeks. My truck is repaired and running better than ever before. This truck is crucial as it will tow the ministry trailer with all of our church supplies to and from our services.

I have also provide some pictures of the first three Operation Go's which have been a tremendous success with laborers traveling from as far as Indiana. We have successfully hung 5,000 doors hangers and we have 5,000 that remain. Pray that we get the rest of the door hangers sent out prior to this coming Sunday. Pray for the many laborers arriving this weekend.

You will also see two projects that I am working on. One is complete (Offering Box) and the other is still in progress (pulpit). This pulpit is an antique from the early 1900's. It retains many of its sqaure nails from it's original construction.

Lastly, you will notice a picture of a building we are currently praying about. This building is a historic building that dates back to the 20s; however the long section in the back was an add on in the 80's for a church. The church left the building many years ago and the building became a daycare for children later. It is now for sale by owner, but we are currently in discussions about a lease with an option to buy. Please pray for wisdom.
