

the Hamilton Family

September - October 2026

Dear pastors and supporting churches,

The Lord has been very gracious to our new church plant, All Nations Baptist Church. He has blessed us with people who come to Sunday school, Sunday afternoon, Sunday evening, Thursday evening, soul-winning, and street preaching, who give, and who are going through our one-on-one discipleship classes. Glory to God!

My wife and I led a lady with four kids to the Lord while soul-winning. She came to church and brought two of her kids. Praise Jesus! We had 16 visitors in September. Hallelujah!

We street-preached on Temple University's campus during their October open house. They tried to tell us not to approach people with gospel tracts or preach on campus while they had visitors. One asked if we had permission to be on campus; I said no, because it is a public college.

We like to preach the gospel on public college campuses. If the college is private, we preach on the sidewalk. Private colleges have different laws from public colleges.

We held our first Family and Friends Day two weeks ago with 10 first-time visitors. A 56-year-old Puerto Rican man named Hector got saved. Jesus Saves! He joined our one-on-one discipleship class a week later. Making Disciples 4 Christ! We have a young man named Cooper, a freshman at La Salle University here in Philly, in our one-on-one discipleship with Bro. Aaron; he also goes soul-winning with him. Amen!

Bro. Alfred and Sis. Jaime Gregory graduated from our discipleship class. The Lord has transformed their lives since they started attending four months ago. They are a blessing to our church. The Word of God changes lives!

My daughter Heavenly Joy also graduated from our one-on-one discipleship class. Praise the Lord! Two more people will graduate from our discipleship class in November. I met a lady while soul-winning in July; she came the next day for our Sunday evening service and got saved, but we didn't see her again until two Sundays ago. My wife is now counseling her, and she will join our discipleship class afterward. God is always working! Soul-winning and Street preaching still works in 2026.

A mom and daughter that Bro. Aaron and Cooper met while soul-winning a few weeks ago visited our church this past Sunday, and the 21-year-old daughter got gloriously saved. Amazing! We had around 15 first-time visitors in October.

We will baptize some people here very soon. People in our neighborhood are noticing what the Lord is doing at our church. We have people from the neighborhood who attend. God is good! We have been blessed with a multicultural church, and we love it.

Our church raised the funds needed for our livestream equipment. What a blessing!

Please continue to pray for us as we try to reach people in a city of 1.6 million. Planting a church in a metropolitan city like Philly isn't easy, and the people in the Northeast are so different.

To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me.
Acts 26:18
