

"Can I get saved now?"

March – June 2026

Dear Friends,

While in the Detention Center, a few weeks ago, an officer spoke with us after the girl's service. He indicated a certain girl and said, " That is the most respectful girl in here!" She came to the Center two months before out of control. She had to be sent to a mental hospital to get detoxed. Upon returning to the Center, she came to the church service that night and trusted the Lord as her personal Saviour. Since then, she has started reading her Bible every day and has been faithful to the services. What a change in her countenance. The officers have stated that they cannot believe the change in her.

Over the past year, several of the teens who have trusted the Lord as their Saviour, have been transferred to other detention centers within the state of New Mexico. This has brought about interest in getting the Character Classes and services started in some of these facilities. Would you please pray with us that the Lord will raise up churches and volunteers who are located near to these facilities. (Matt 9:38) *Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest.*

Last week, one of the boys came up to me after a service and showed me his Bible. Three months ago, I challenged them to read A Proverbs-a-day. He is now in his third month and excited to be reading his Bible every day. What a blessing to see teens enthusiastically reading their Bibles.

I do have a special prayer request. There is a girl who has been in the Detention Center for the last two months. She is extremely hard. She had to be escorted out of the church service for being disruptive. She tries to ignore the character lessons and to show indifference to any help. Yet at the same time, when she forgets to put on a front, we can see the Lord working. Would you pray with me that light of the Gospel will shine in her heart. Last week in class, I kept looking from her to the other girls who have accepted Jesus and prayed the Holy Spirt would convict her heart.

Thank you for your faithful prayers and support

John & Alecia Vincent
