PAYMENT POLICY

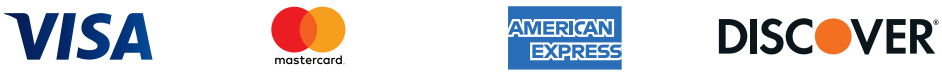
Our funeral home is a small business, and like many others in the community, out of necessity, we rely upon the families we serve for prompt payment. The following policies have been adopted to ensure we meet our financial obligations and thus remain able to continue providing our clients the quality service to which they are entitled.

For your benefit and complete understanding of how your accounts are to be paid, we would like to provide you with this copy of our payment policy. Everyone benefits by knowing what their financial responsibilities are prior to making funeral arrangements.

Payment in full is expected when arrangements are made. Please review your payment options listed below. Your funeral director will answer any questions you may have.

Payment Options

- Cash or check payment for the full amount at the time services are arranged.
- Visa, MasterCard, Discover or American Express payment for the full amount at the time services are arranged.



- Credit Card Processing Fee - A 2.75% fee will be applied to payments made by credit card to cover processing cost.
- Pre-Arranged Funeral Plan.
- Assignment of proceeds of a verified life insurance policy - Most insurance companies allow the beneficiary of a policy to assign payment for the funeral expenses from the proceeds of the policy. For your convenience we accept Assignments and work through a third party specialist, Claimcheck, to process and expedite all Insurance Assignments. The charge to process all claims is 4% of the death benefit with a minimum charge of $125. This charge will be added to the funeral bill. In most cases, funds from accepted insurance policies will be available to you within 3 working days. If this method is chosen, all assignments will be verified by Claimcheck and if it is deemed that the Insurance is not assignable, has lapsed or is invalid for any reason an alternate payment option will be necessary. If the amount of the insurance benefit is less than the funeral expenses, choosing one of the other payment options is also necessary.
- Financing - If this selection is chosen for payment, credit applications must be completed the day arrangements are made. Credit will be extended by a third-party based upon your honesty and accuracy of the information provided on the application. Terms of the contract will be determined based upon your credit history. A down payment of 1/3 of the total funeral service charges plus any cash advance items must be paid prior to a service being scheduled or published in the newspaper.
- Estate Payment Policy - Because funds from a deceased's estate will not be immediately available, we request that payment be made by the family, and the estate can reimburse the family once it is opened.

Cash Advances

As a convenience to you, we are willing to administer payment for those cash advance items that you authorize (grave opening, honorarium, death certificates, etc.). The price charged for cash advance items to your family is the same cost the funeral home incurs. If you have questions about this policy, your purchase agreement, funeral account or any other part of our services, please do not hesitate to ask. We are here to serve you to the very best of our abilities.

Discounts, Financial Hardships and Value

We encourage you to speak openly about any financial hardships you are experiencing. We take pride in serving all who call our firm - including those with financial difficulties. We can make suggestions to keep your costs low. We understand that there are those who need a payment plan or a cost reduction in order for their needs to be met, and we are here to help. No one has ever been turned away for a lack of money. Regardless of what you spend, our superior service quality is the same for all.
