Exhibitor List for LAB-SUPPLY Basel 2027

SUBJECT TO CHANGE

Company	Booth Number	Category	Co-exhibitors
A			
A.KRÜSS Optronic GmbH		Manufacturer of laboratory and analytical equipment	
a1-envirosciences GmbH		Laboratory supplier Water analysis Laboratory safety Environmental analysis	
Adolf Kühner AG		Laboratory equipment & basic equipment Laboratory supplier Life Science	
AHN Biotechnologie GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment Liquid Handling Life Science	
Altmann Analytik GmbH & Co. KG		Laboratory supplier HPLC & chromatography Water analysis Food analysis	
Analytik Jena GmbH+Co. KG		Manufacturer of laboratory and analytical equipment Liquid Handling Life Science Environmental analysis	
Anton Paar Switzerland AG		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment Food analysis Digitalization	
AppliChem GmbH		HPLC & chromatography Food analysis Life Science Molecular biology	
Axon Lab AG		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment Life Science Molecular biology	
Azenta Life Sciences		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment Laboratory supplier Life Science	Azenta Life Sciences Vitaris FluidX 4titude
B			
BANDELIN electronic GmbH & Co. KG		Manufacturer of laboratory and analytical equipment	
Bimos - a brand of Interstuhl Büromöbel GmbH & Co. KG		Laboratory equipment & basic equipment Laboratory planning / laboratory construction Sustainability	
Bio-Rad Laboratories GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment Life Science Molecular biology	
Bochem Instrumente GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment	
BRAND GmbH & Co. KG			
Bruker Optics GmbH & Co. KG		Manufacturer of laboratory and analytical equipment Food analysis Life Science Environmental analysis	
BÜCHI Labortechnik GmbH		Manufacturer of laboratory and analytical equipment HPLC & chromatography Food analysis Environmental analysis	
Bürkle GmbH		Laboratory equipment & basic equipment Sustainability	
C			
Carl Roth GmbH & Co. KG			
CEM GmbH		Manufacturer of laboratory and analytical equipment Water analysis Food analysis Environmental analysis	

Chemie Brunschwig AG		Laboratory supplier Liquid Handling Life Science Molecular biology	Corning Life Science - Liquid handling ThermoFisher Scientific - Fine chemicals NZYTech - Molecular Biology Capricorn Scientific - Cell culture PAN Biotech GmbH - Cell culture AssayGenie - ELISA Cayman Chemicals - Bioanalytics Zeochem Silicycle - analytical chemistry
Chemische Fabrik Dr. Weigert GmbH & Co. KG		Laboratory equipment & basic equipment	
cmc Instruments GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment HPLC & chromatography	
D			
dichrom GmbH		Liquid Handling HPLC & chromatography Life Science Regional sales representatives	Handling, Life Science, Manufacturer of Degassers Fortis Technologies Ltd. - HPLC & Chromatography, Manufacturer of HPLC Columns AppliChrom GmbH - HPLC & Chromatography, Manufacturer of GPC Columns Chromservis s.r.o. - HPLC & Chromatography, Manufacturer of GC Columns, HPLC Columns diduco AB - HPLC & Chromatography, Manufacturer of Suppressors for Ion Chromatography ETN AS - HPLC & Chromatography, Life Science, Manufacturer of Sample Prepatation Systems HILICON AB - HPLC & Chromatography, Manufacturer of HILIC Columns Optimize Technologies Inc. - HPLC & Chromatography, Manufacturer of HPLC & UHPLC Accessories Wissenschaftliche Gerätebau „F. F. Runge“ GmbH - HPLC & Chromatography, Manufacturer of Detectors Sepax Technologies Inc. - HPLC & Chromatography, Manufacturer of SEC, IEX Columns
DWK Life Sciences GmbH		Life Science	
E			
Elementar Analysensysteme GmbH		Manufacturer of laboratory and analytical equipment Water analysis Food analysis Environmental analysis	
Eppendorf Vertrieb Deutschland GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment Liquid Handling Sustainability	
F			
F. F. Runge GmbH		Manufacturer of laboratory and analytical equipment HPLC & chromatography Bioanalytics	
Faust Laborbedarf AG		Laboratory supplier HPLC & chromatography Life Science Laboratory safety	
FORMULATRIX		Manufacturer of laboratory and analytical equipment Liquid Handling	
FreezeDry GmbH		Manufacturer of laboratory and analytical equipment Food analysis Life Science Environmental analysis	
Fritsch GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment	
G			
Gerber Instruments AG		Water analysis Food analysis Laboratory planning / laboratory construction Environmental analysis	Foss - Food analysis, WTW (Xylem) - Environmental and water analysis Steroglass - Food analysis Neogen - Food analysis a1 envirosciences - Safety cabinets Radwag - Scales
H			
Heidolph Scientific Products GmbH		Manufacturer of laboratory and analytical equipment	
Hirschmann Laborgeräte GmbH & Co KG		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment Liquid Handling Sustainability	
Holzner GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment	
HP Labortechnik GmbH		Manufacturer of laboratory and analytical equipment	

HUBERLAB. AG		Laboratory supplier Liquid Handling Life Science Molecular biology	Greiner Bio-One International GmbH
I			
IKA-Werke GmbH & Co. KG		Manufacturer of laboratory and analytical equipment Liquid Handling Life Science	
infochroma ag		HPLC & chromatography Water analysis Food analysis Environmental analysis	
Interscience GmbH		Manufacturer of laboratory and analytical equipment	
iotaSciences GmbH		Manufacturer of laboratory and analytical equipment Liquid Handling Life Science	
Isolab Laborgeräte GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment Water analysis Laboratory safety	
J			
JULABO GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment Sustainability	
K			
KISKER BIOTECH GmbH & Co. KG		Laboratory equipment & basic equipment Laboratory supplier Liquid Handling Molecular biology	
Knauer Wissenschaftliche Geräte GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment HPLC & chromatography	
L			
Labocare AG		Laboratory equipment & basic equipment Life Science Regional sales representatives	Fedegari – Autoclaves, sterilization and washing solutions PHCbi – −80 °C / −150 °C freezers, refrigerators and CO_2 incubators Nordic Labtech – Class II safety cabinets and laminar flow workbenches Interscience – Instruments for microbiology Silverson – High-performance mixers and homogenizers KBiotech – Fermenters and bioreactors Montanier – Industrial washing solutions, drum washers, container washers, etc.
LECO Instrumente GmbH		Manufacturer of laboratory and analytical equipment Food analysis Life Science Environmental analysis	
M			
MACHEREY-NAGEL GmbH & Co. KG		Manufacturer of laboratory and analytical equipment HPLC & chromatography Water analysis Bioanalytics	
Memmert GmbH + Co. KG		Manufacturer of laboratory and analytical equipment	
Metrohm Schweiz AG		Manufacturer of laboratory and analytical equipment Water analysis Food analysis Environmental analysis	
Miele AG		Manufacturer of laboratory and analytical equipment	
Milian SA		Laboratory supplier Life Science Sustainability Molecular biology	
N			
neoLab Migge GmbH		Laboratory equipment & basic equipment Laboratory supplier Life Science Laboratory planning / laboratory construction	
nerbe plus GmbH & Co. KG		Liquid Handling	
Nioion Aqua GmbH		Manufacturer of laboratory and analytical equipment	
Nova Biomedical Schweiz GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment Bioanalytics Life Science	
P			

Peak Scientific Instruments GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment HPLC & chromatography Sustainability	
PERKINELMER GmbH		Manufacturer of laboratory and analytical equipment HPLC & chromatography Water analysis Environmental analysis	
PHC Europe B.V.		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment	
pluriSelect Life Science UG (haftungsb.) & Co. KG		Laboratory equipment & basic equipment Life Science Sustainability Environmental analysis	
Precisa Gravimetrics GmbH Deutschland		Manufacturer of laboratory and analytical equipment	
R			
Retsch GmbH		Manufacturer of laboratory and analytical equipment	
S			
SCAT Europe GmbH		Liquid Handling HPLC & chromatography Laboratory safety	
SCHMIDT + HAENSCH GmbH & Co.		Manufacturer of laboratory and analytical equipment Food analysis	
Scion Instuments		Manufacturer of laboratory and analytical equipment	
SciSure (Bio-iTech B.V.)		Digitalization Life Science	
Seal Analytical GmbH		Manufacturer of laboratory and analytical equipment Water analysis Food analysis Environmental analysis	
Semadeni AG		Laboratory equipment & basic equipment Laboratory supplier Life Science	
Starlab GmbH		Laboratory equipment & basic equipment Liquid Handling Life Science Sustainability	
Starna GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment	
Steinbrenner Laborsysteme GmbH		Laboratory supplier Liquid Handling Life Science Molecular biology	Magtivio - Life Science, Molecular biology DNA Genotek - Life Science, Molecular biology
Stirling Ultracold		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment Life Science Sustainability	
T			
Tecniplast Suisse AG		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment Laboratory supplier Laboratory planning / laboratory construction	
Th. Geyer GmbH & Co. KG		Laboratory equipment & basic equipment Laboratory supplier Liquid Handling Water analysis	
Thermo Fisher Scientific			
Tosoh Bioscience GmbH		Manufacturer of laboratory and analytical equipment Laboratory equipment & basic equipment HPLC & chromatography Life Science	
TPP Techno Plastic Products GmbH		Laboratory supplier Liquid Handling Life Science Laboratory safety	
V			
VACUUBRAND GMBH + CO KG			
Velp Scientifica		Manufacturer of laboratory and analytical equipment Water analysis Food analysis Environmental analysis	
VWR International GmbH		Laboratory equipment & basic equipment Laboratory supplier Life Science Laboratory safety	
W			
Wagner & Munz GmbH		Laboratory supplier HPLC & chromatography Life Science Laboratory planning / laboratory construction	
WERKSITZ GmbH		Laboratory equipment & basic equipment	

witeg Labortechnik GmbH		Manufacturer of laboratory and analytical equipment Laboratory supplier Liquid Handling Life Science	
X			
XRF Scientific Europe GmbH		Manufacturer of laboratory and analytical equipment	
Xylem Analytics Germany Sales GmbH & Co. KG		Manufacturer of laboratory and analytical equipment
