WELCOME TO FONNER PARK

In the face of a shrinking national trend of Thoroughbred horseracing growth, I am proud to present a 2027 Book 1 condition book that represents the Fonner Park management and staff commitment to growing Nebraska Thoroughbred horseracing.

The 2027 5% purse increase equals nearly an 80% purse increase over the last five years. Also, many of our 2027 stakes races have been increased. The Dowd Mile and our four Nebraska-bred stakes increased $10,000 to a $35,000 value. Plus, the Tondi, Baxter and Pepsi Stakes each received a $5,000 increase. I am a huge proponent and promoter of a strong Nebraska-bred program to shoulder our statewide Thoroughbred racing industry. I am therefore delighted that the Nebraska Thoroughbred Breeders Association has agreed to additional purse subsidies for our Nebraska-bred overnight purses. It pays to breed, raise and race a Nebraska-bred. Period! Thank you NTBA.

I want every Horsemen who races or works at Fonner Park to know that their best interest and safety is considered with each racing season. We have improved the stable area restrooms and shower facilities. The entire surface east of the Big Red Barn has been overlayed with new asphalt. Plus the main drive through the backside has been widened, paved with concrete, and surface drains have been installed. Our racetrack surface is proven and appreciated; it too received maintenance to ensure safety for horses and riders.

Every dollar I spend or earn with Fonner Park is done with the intent to improve what we offer to those who count on Fonner Park, that includes our horses, horsemen, staff and guests. When you see upgrades throughout our facility, I hope you realize that OUR efforts are for YOU.

You can't finish first in every race, but you can and must make every effort that your horse's welfare comes first every race. And every day. Our industry depends on it.

Sincerely,

Chris Kotulak
Fonner Park CEO

ATTENTION HORSEMEN

Prior to entry to Fonner Park**, a current Health Certificate (issued within 30 days of arrival) is required.** All horses entering the grounds must have been vaccinated with an FDA approved virus vaccine for EHV-1 not less than **14 days and not more than 120 days prior to date of entry to Fonner Park**. It is highly recommended horsemen keep every horse that is admitted to Fonner Park on a 90 day booster schedule. All out of state horses must have a negative Coggins test.

Stalls must be claimed no later than February 14, 2027. At that time unclaimed stalls may be reassigned by the management.

Fonner Park Reserves the Right to Approve Stalls for All Horses.

IN THE ALLOTMENT OF STALL SPACE, THE NOMINATION TO ANY STAKE (INCLUDING NEBRASKA BRED STAKES) WILL NOT GUARANTEE THE GRANTING OF STALLS ON THE GROUNDS.

STALL APPLICATION DEADLINE MONDAY, DECEMBER 14, 2026

SCREENING RULE

No MAIDENS over 8 years old.

All horses over 12 years old are ineligible unless approved by Racing Commission.

MEETING ELIGIBILITY REQUIREMENTS DOES NOT IMPLY AUTOMATIC STALL APPROVAL!

It is the responsibility of the trainer to only bring horses which meet the 2027 Fonner Park Screening Rule.

All stalls will be allotted on how many times a horse and stable started at Fonner Park in 2026.

Horses that established eligibility after allotment of stalls will be placed on deferred stall availability. **Eligibility does not imply automatic approval.**

No horse is to be turned-out in an outdoor corral without a filled water bucket within reach. Horses shall not be tied to a hitching post while unattended or for a lengthy period. No horse shall be ground-tied or hobbled at any time anywhere in the stable area.

Immersion heaters must not be left unattended and must be unplugged overnight. Only metal containers are to be used to heat water.

STALLS

In as much as stall space is at a premium, it must be clearly understood that any owner or trainer assigned stalls must notify by phone or mail his definite shipping date or cancellation. Allotted stalls must be occupied by midnight, February 14, 2027. Stalls not filled by that date will be reclaimed and reassigned. **OWNERS AND TRAINERS ARE REQUESTED NOT TO APPLY FOR STALLS UNLESS THEY ARE WILLING TO BRING ALL APPROVED HORSES TO FONNER PARK BY THE ABOVE DATE AND TO REMAIN AND RACE WITH US THE ENTIRE MEETING.**

Stall approval notices must accompany all shipments of horses to Fonner Park. **SUBSTITUTIONS MAY NOT BE MADE WITHOUT THE APPROVAL OF THE STALL COMMITTEE.**

Horses leaving the grounds to race at other points without the permission of the Racing Secretary or General Manager will be refused readmission to grounds.

Any owner or trainer accepting stalls does so with the understanding that all Track Rules and Regulations covering the stable area, the purse distribution and the rules of the Nebraska State Racing Commission are agreeable and will be adhered to by them.

There will be a $25.00 stall cleaning fee charged for each horse approved on the 2027 stall application if stalls are not cleaned upon departure. The stall man must be contacted to approve the stalls before departure. Horse papers may not be checked out of the office until stall man approval.

DEADLINE FOR STALL APPLICATIONS FOR THE FONNER PARK RACING SEASON WILL BE MONDAY, DECEMBER 14, 2026.

ENTRY RULES

1. Racing Office will open for entries at 8:00 a.m. Entries close at 10:30 a.m.
2. Horse registration papers with a current health certificate and EHV-1 papers must be on file in the racing secretary's office to receive an entry date.
3. When a person makes a coupled entry, the entry with the better date will be preferred in an overnight race. If they have the same date, the trainer must make first and second choice. Two horses having a common tie through ownership cannot start to the exclusion of a single interest (excluding stakes races). However, a second choice has preference over an in-today horse.
4. A blinker change must be approved by the starter and reported at time of entry.
5. In all races, winners are preferred except where the conditions of the race state otherwise. Maidens entering in winner's race must declare at time of entry that the horse is a maiden.
6. Owners and Trainers must be careful to claim allowances and preference date at time of entry. This is the sole responsibility of the person making the entry.
7. Horses not entitled to the first allowance in a race are not entitled to the third and, if not to the third, then to any subsequent allowances.
8. All entries made by licensed jockey agents on behalf of trainers or owners should be made not later than 9:30 a.m.
9. All entry blanks must be signed by the person making the entry and/or by the racing office employee or racing official filling out the entry.
10. Effective January 1, 2020, all thoroughbred horses that have not been lip tattooed will need to be TRPB digitally tattooed to confirm the identity of the horse and have updated digital photographs available for the race day identification.

FONNER PARK 2027 PREFERENCE SYSTEM

1. Preference dates will not supersede conditions of a race. (Winners preferred, high weights preferred, etc.)
2. Horses will not be eligible to receive a date until their papers are on file in the Racing Office with current health and EHV-l papers.
3. Papers must be registered prior to the first day of entries for a zero date, which is the lowest possible date.
4. All horses registering after 4:00 p.m. Monday, February 8th will receive an R date of the day registered.
5. A zero takes preference over a running date.
6. Horses that run will receive a running date corresponding to the date they race and lose all dates previously held.
7. Horses which scratch or are scratched will keep their R date for the day the race ran.
8. All horses placed on the Stewards, Veterinarian or Starters lists will be posted on the bulletin board. They will not be permitted to start until they have been approved to start. Horses placed on these lists will keep their dates if they ran in the particular race in which they made the list. Horses which are scratched will be given a date for the day the horse comes off the list.
9. Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office or demonstrate intent to race elsewhere. Should a horse's papers be withdrawn from the Racing Office for just cause, (i.e., tattoo, corrections, change of ownership or clarification etc.) the Racing Secretary may determine the status of the preference date established.
10. Preference dates are good at any distance.
11. In no way does the claiming, ownership transfer or trainer transfer of a horse affect the preference date.
12. In rules four and eight above, if a horse is registered or comes off a list on a non-racing day, the next racing day will be used.
13. Any horses running in a handicap or stake will retain previously held preference date.

In overnight races, horses with no papers in office are least preferred!

When a horse's name appears in a race other than a Sweepstakes and is entered for the following day, such entry will be given no consideration should the race in which it is entered be overfilled. A list of the dates will be posted each day and mistakes must be reported by the owner or trainer prior to the closing of the Racing Office on the day posted.

TRAINERS ARE RESPONSIBLE FOR DATES.

TRACK RULES

Any person on horseback on facility grounds shall wear protective helmet and safety vest. Ponying will not be allowed on the Main Track. The Training Track will be used for ponying of horses.

Nonstarters & horses that have not started in the previous twelve months, must have two creditable works before they will be allowed to start.**

Workers' Compensation

Regarding Nebraska Workers' Compensation Law and Fonner Park's 2027 race meeting. When you register foal papers in the racing office for the first time, you will be required to state either:
