***Where Are the Intercessors?*** 2 Chronicles 7:14

"If my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land."

When was the last time you cried out to God to intercede for your country?

When was the last time you cried out to intercede for the world?

**Intercession** calls for us to know the will of God, and pray it into the earth. It is stepping in and pleading to the Father on behalf of either a person or a group of people.

**Passive Christianity** is not following Jesus.

Even those who are not on a **platform** or

**stage** are called to intercession.

2 Chronicles 7:14 (4 Prerequisites for God's Healing of the Land)
