

# OAK & APPLE

---

**STYLE:** Core Series. Wood-Aged Cider

**AROMA & FLAVOR:** A foundation of bright cider is layered with a smooth woody depth and spicy spirit. Finishes with lovely toasted oak, graham cracker, and vanilla notes.

**APPLE VARIETIES:** A select blend of Certified Organic Washington apples.

**CIDERMAKER NOTES:** Showcasing bold American oak and Washington organic apples. Fermented in stainless steel tanks at low temperatures to capture the clean and crisp character of the apples. Once fermentation is complete, this cider is then aged for 3 months on American oak. The oak gives the cider a rich liquid gold color and rounded mouthfeel.

**SERVING SUGGESTIONS:** Sip as a stand-alone beverage while watching the sunset or savor its complexity around the campfire. Pair with heartier foods like roasted chicken & veggies, stewed rabbit, smoked salmon, or bratwurst with kraut and stoneground mustard.

**SWEETNESS:** Semi-Dry.

**ALCOHOL PERCENTAGE:** 6.5% abv

**BOTTLE VOLUME:** 500 ml. (16.9 oz.)
