GABRIEL ARCHER TAVERN

Gabriel Archer Tavern honors its namesake, Gabriel Archer—one of Jamestown's most significant early leaders and co-captain of the Godspeed, the lead vessel of the 1607 expedition that founded the first permanent English settlement in the New World. Archer envisioned the colony at a site he called "Archer's Hope," land that today corresponds to Wessex Hundred farm. Though the settlement ultimately took shape on Jamestown Island, Archer's original vision lives on here, where centuries of history are rooted in the land and the story of early Virginia continues to unfold.

In that spirit of place and legacy, the Tavern offers a European-inspired, farm-to-table dining experience designed to be savored. Our menu showcases thoughtfully prepared dishes, handcrafted cocktails, and award-winning wines that reflect the seasonal flavors of Coastal Virginia and the world-class bounty of the Commonwealth. Settle in, slow down, and enjoy a meal shaped by the land beneath your feet, the harvest of the season, and a deep respect for tradition.
