2026 BUCKEYE BORDER FCA YEAR-END REPORT

MISSON: To lead every coach and athlete into a growing relationship with Jesus Christ and His church.

During the 2025-26 school year, we have witnessed an increased boldness from our students. We have witnessed young people leading their teams in prayer, standing up for God when others won't, praying and sharing God's Word at their Campus Huddle. God is using students and coaches to reach the lost, to share the Good News, and to bring hope to a dying world.

But we are not done! We are committed to training up and empowering our adult and student leaders to keep the mission moving forward. This Fall, over 175 adult and student leaders showed up for Campus Huddle training – a record-setting turnout! Thirty-three Campuses represented, 83% of our area! One of my favorite moments is having veteran Huddle Leaders share real-life experiences, both challenging and praiseworthy. Students also led us in worship and shared outreach ideas!

But we are not done! In 2027 we plan to hire six summer interns! The primary goal is to develop the intern's understanding of one's individual calling to ministry. The program will focus on leadership development, communication skills, problem-solving, and event planning, while experiencing the nuts and bolts of the FCA ministry.

But we are not done! We just launched a FCA Huddle at Four County Career Center, a career and technical school, but there are still a few more schools without a Campus Huddle!

Until that day when we are in God's presence, we press on! We invite you to press on with us! Your prayers, your giving, your support will make a difference! We invite you to celebrate and praise God with us! Take a few minutes to read how God is working through the ministry of FCA. Pause and pray for our staff and volunteers! Seek God in prayer and ask, "How can I help keep this ministry moving forward?" We have a big year and financial goal and I'm inviting you and others to be part of the team.

Prayerfully consider making a year-end gift! Together let's continue to see lives transformed for Jesus Christ!

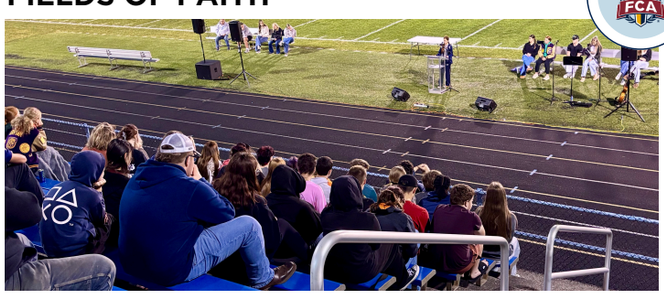
2026 MINISTRY MOMENTS OF IMPACT

Each of these events and ministry opportunities require a team of people with servant hands and generous hearts! Praise God for the hundreds involved in this ministry!

FCA MOTOCROSS CAMP

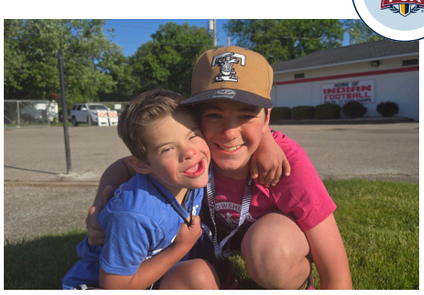
Our sixth FCA Motocross Camp at Koinonia Farms welcomed 68 kids and 50 volunteers. It was our biggest camp yet, with 19 salvations and 16 baptisms. We're grateful for the Lord's continued blessings!

FIELDS OF FAITH



Fields of Faith was a success, with students from Bryan, Edon, Montpelier, and North Central leading worship, sharing the gospel, and giving powerful testimonies. We're grateful to our community partners for making the event possible.

ALL-ABILITIES CAMP



Our All-Abilities Camp at Wauseon High School's football stadium welcomed 26 campers for a day of sports and fellowship. More than 50 volunteers served as buddies, coaches, and helpers. Everyone with a disability is welcome to experience God's love, and we praise God that seven campers made a personal commitment to Jesus Christ.

PRAYER CIRCLES

Our students are showing up across pools, gyms, arenas, fields, tracks, and wrestling mats to give their best. We're especially thankful for those who have publicly committed to bringing teammates and opponents together in prayer.

LEADERSHIP CAMP

What's a week of great food, fun, spiritual growth, friendly competition, laughter, and lasting friendships worth? The camp charges $450 per camper, although the actual cost is $620. But the life-changing experience—and seeing lives transformed by Jesus—is priceless. We praise God for the work of His Spirit at camp!
