Baker Funeral Home

General Price List

These prices are effective June 15, 2026, but are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing in the statement we provide describing the goods and services you selected.

This list does not include prices for certain items that you may ask us to buy for you, such as cemetery and crematory expenses, newspaper notices, or the rental fee for cemetery graveside equipment. The charges for those items will be shown on your bill or the statement describing the funeral goods and services you selected.

BASIC SERVICES FUNERAL DIRECTOR AND STAFF $2,380.00

Our fee for the basic services of Funeral Director and Staff includes, but is not limited to staff available 24 hours daily to respond to initial request for services, arrangement conference with family or responsible party, sheltering remains, planning of the funeral, preparation and filing of necessary authorizations and permits, recording vital statistics, preparation and placement of obituary notices and coordination with those providing other portions of the funeral, such as cemetery, crematory, vault companies and others as required.

In addition, this fee includes a proportionate share of our basic overhead expenses relative to our facility, such as professional licensing, legal and accounting fees, insurance, building and utility expenses, maintenance, taxes, equipment, furnishings, inventory costs, records retention, and secretarial and administration expenses. This fee for our basic services of a Funeral Director and staff will be added to the total cost of the funeral arrangements you select. (This fee is already in our charges for direct cremation, immediate burials, and forwarding or receiving remains.)

EMBALMING $ 750.00

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with a viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require it, such as immediate burial.
