Purpose

Council is committed to service delivery across the organisation within, the parameters of a formalised delegation of authority framework.

This document is designed to provide clarity and ease of reference to understand the processes and accountability for administrative functions and levels of decision making across the organisation.

This document operates as delegated authority by the Council for Committees and Local Authorities.

This document operates as delegated authority by the Council for the CEO and all other staff.

Scope

This policy applies to all employees and contractors of Barkly Regional Council

Policy Statement

1. Delegations

- 1.1. The Local Government Act 2019 (the Act) allows Council to delegate certain powers and functions to the CEO.
- 1.2. The CEO is able to delegate (or sub-delegate) to a person or a committee a power or function, including those delegated to the CEO by Council. These powers cannot, however, be further sub-delegated by that person or committee.
- 1.3. Delegations can be made to a person by reference to the office, position or designation held by a person. Where a delegation is made to an office or the person for the time being holding, acting in or performing the duties of that office, a person holding, acting in or performing those duties may exercise the powers delegated to that office or position.

- 1.4. Delegated Authority should not be exercised where a conflict of interest exists or where it may be perceived to exist.
- 1.5. A delegation by either the Council or the CEO does not prevent Council or the CEO (as the case may be) from either exercising the power of function or revoking or varying the delegation at any time.
- 1.6. Council must review any delegations of its functions and powers within six months after a general election.

2. Limits on delegations by the Council

- 2.1 Council can only delegate the powers and functions under the Act that are able to be delegated.

3. Purpose of delegating authority

Delegations are a key component to assist in the effective governance and administration of Council's affairs and provide formal authority to key officers and employees to perform their roles and functions. Particularly, delegations seek to ensure:

- 3.1. That Council's responsibilities are fulfilled in a timely, open, efficient, effective and accountable manner;
- 3.2. That Council's officers and employees are provided with the level of authority necessary to discharge their responsibilities;
- 3.3. That delegated authority is exercised by the most appropriate and best-informed individuals within the Council; and
- 3.4. That Council's internal controls are effective.

4. Exercise of Delegated Authority

Exercise of delegated authority is subject to compliance with: 4.1.
Any relevant provisions of the Act and Regulations;

- 4.2. Any other legislative requirements;
- 4.3. Any applicable Council Policy; and
- 4.4. The relevant provisions of any Council By-Law.

It is the responsibility of the officer or employee exercising delegated authority to be aware of any restrictions on the exercise of that authority and to comply with those restrictions.

Delegation requires judgment. It may not be appropriate to exercise delegated authority in all circumstances and some decisions, which may be contentious or attract high public interest or where no clear policy guidelines exist should be referred to the CEO or Council as appropriate.

It is the expectation of the Council that the CEO and other officers will use the delegated authority conferred on them in a manner that aligns with Council's Code of Conduct for Staff and CEO, and they will demonstrate appropriate judgment and accountability in regard to the circumstances and extent of the use of that power.

5. Associated Legislation

Delegations arise under legislation other than the Act, its Regulations and By-Laws.
