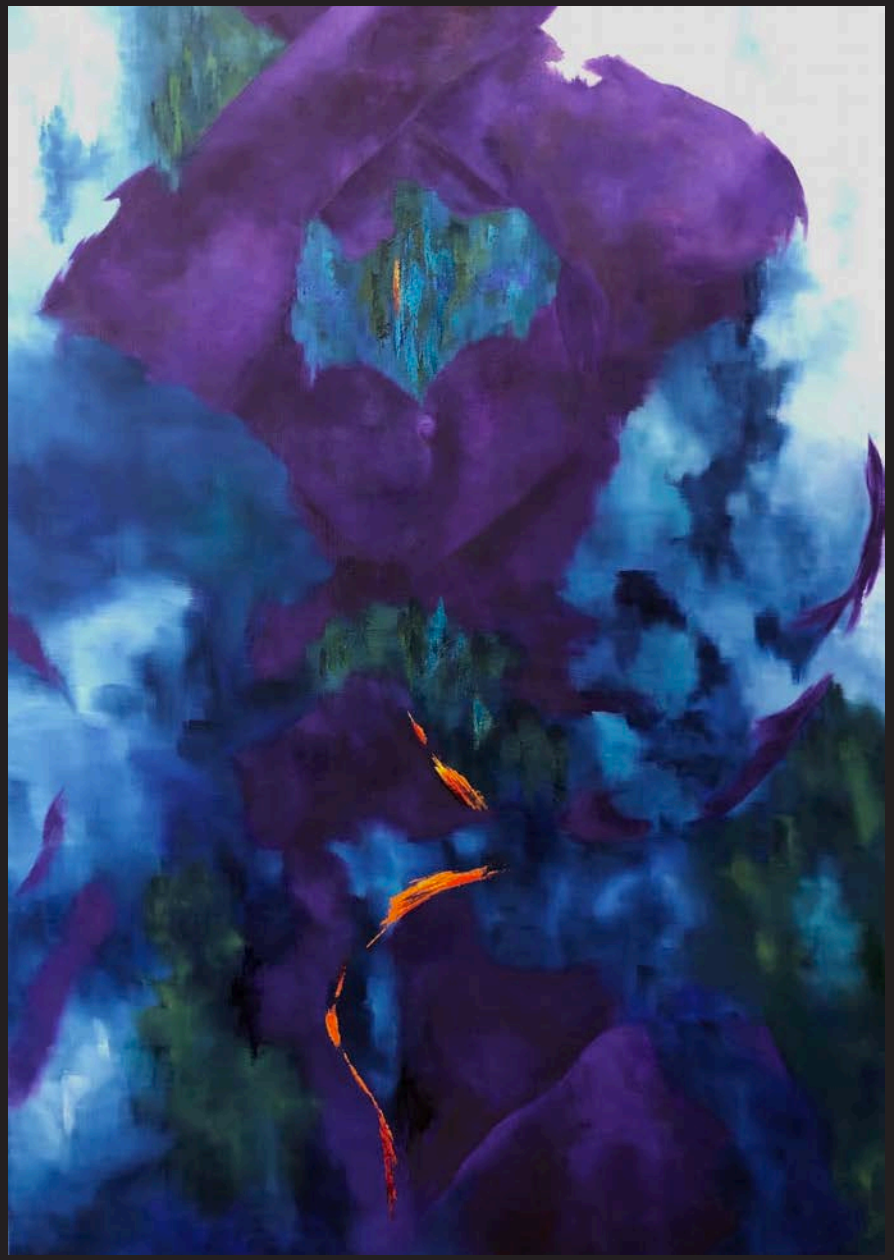
EXPRESSIVE ABSTRACT ARTIST



Naturally | Collection: Recalibration
Oil on Canvas, 36x24" $1450

Canadian | Hamilton, Ontario

Concept-driven, figure-based painting, mixed media, and sculpture.

At the core of my practice is the belief that art is an open catalyst for communication, introspection, and human connection.

My visual language shifts with each Collection—from the restrained compositions of Simpler Times to the bold energy of Dwells Within and Where One Leaves Off—opening pathways for dialogue and deeper understanding.
