bhn TREATMENT & RECOVERY

Rose's House

Rose's House offers short-term clinical stabilization to help you feel safe and supported as you take the next step in your recovery. You'll receive 24/7 care, counseling, and personalized aftercare planning to help you build a strong foundation for what's ahead.

BHN Family Center

If you're pregnant or parenting and looking for support, the BHN Family Center offers a residential program where you and your children can focus on healing together. Through compassionate, family-centered care, you'll be supported in building stability and strengthening your path forward.

Location (for both programs above)
113 Central Ave. Hyde Park, MA

For referrals or information call **413-301-WELL (9355)** or email **sudaccess@bhninc.org**
