bhn TREATMENT & RECOVERY

Addiction & Recovery Services

(413) 301-9355 | sudaccess@bhninc.org

Addiction & Recovery Services

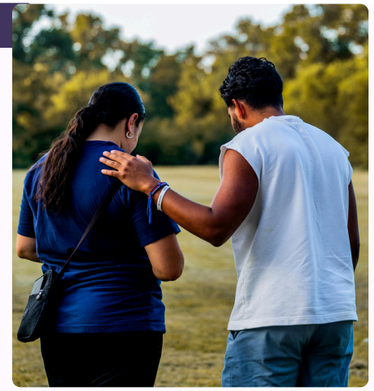
Support that meets you where you are.

bhn Behavioral Health Network

Addiction & Recovery Services

If you or someone you care about is navigating substance use, BHN is here to help. We offer a full range of services to support you at every step. Our connected, whole person care addresses both substance use and mental health, with trauma-informed, inclusive programs designed to help you feel safe, supported, and empowered.

OUTPATIENT SERVICES



If you're looking for support while continuing your daily routine, our outpatient services offer flexible options that fit your life. We'll work with you to find the right approach for your needs and goals.

Recovery Coaching & Peer Support

Work one-on-one with a Recovery Coach who understands the journey. Explore your goals, connect with community supports, and build your path forward. You don't have to be sober to start; just open to support.

Available in Eastern, Central & Western Massachusetts

Medication & Treatment Support for Recovery

Personalized care for opioid and alcohol use, combining medication with counseling and other proven supports. Medications may include methadone, buprenorphine, Sublocade, Vivitrol, and Brixadi.

Locations: *Attleboro, Brockton, Greenfield, Holyoke, Hyannis, Lawrence, Orange, Palmer, Somerville, Springfield, and Worcester, plus Mobile Methadone services in Palmer and Ware*

Court Required Education & Treatment (DUI Services)

Court-ordered education and treatment services for individuals with DUI offenses, including group and individual support.

MA Impaired Driver groups meet in **Springfield, Palmer, and Westfield**

RESIDENTIAL PROGRAMS

If you need more structured, 24/7 support, BHN offers residential programs designed to meet you where you are. Whether you're just starting treatment or continuing your recovery journey, we'll help you find the right level of care.

Court-Ordered Treatment - *Section 35*

Our New View program provides medically monitored stabilization and treatment for individuals who have been connected to care through a court-ordered Section 35 process.

Location: *New View, Greenfield serves female and nonbinary individuals.*

Residential Recovery Support - *Clinical Stabilization Services (CSS)*

24/7 support including counseling, group therapy, relapse prevention, and next step planning. Treatment includes individual, group, and family therapy delivered by a multidisciplinary team.

Locations: *The Hope Center and Carlson Recovery Center in Springfield and The Spark in Worcester serve male, female, and nonbinary individuals. Rose's House in Hyde Park serves female and nonbinary individuals.*

Step-Down Support to Build Stability - *Transitional Support Services (TSS)*

A step-down level of care to help you build stability and strengthen recovery skills with group sessions, counseling and peer support to promote and support recovery.

Locations: *BHN TSS in Holyoke serves male and nonbinary individuals.*
The Journey in Worcester serves male, female, and nonbinary individuals.

Supportive Residential Recovery

Residential Rehabilitation Services (RRS)

Structured, supportive living focused on long-term recovery, connection, and growth.

Locations: *Springfield Center in Springfield serves male, female, and nonbinary individuals. My Sister's House in Springfield serves female and nonbinary individuals. Opportunity House and Cole's Place in Springfield, and Connections in Greenfield, serve male and nonbinary individuals.*

Supportive Residential Recovery for Women & Children (*RRS*)

Supportive residential programs for pregnant and parenting women, focused on healing, stability, and family connection.

Locations: *My Sister's House in Springfield and BHN Family Center in Hyde Park serve female and nonbinary individuals.*

Support for Mental Health & Substance Use Together

Co-Occurring Enhanced Residential Services

Specialized care for substance use and mental health challenges, including counseling, group treatment, peer support and individualized planning to support your recovery goals.

Locations: *Unity Place in Greenfield serves male, female, and nonbinary individuals. Unity Place South in Springfield serves male and nonbinary individuals.*
