Weekly Memory Verse: Memorize the first 4 commandments and the following "You shall love the Lord your God with all your heart and with all your soul and with all your mind" Matthew 22:37

How does our image of God change our expectations of God and our expectations of ourselves? What do you think about when you think about God?

God describes Himself as a "jealous God". How is man's jealously based on insecurity different from God's jealously based on love that will not share us?

How does your idea of "taking the Lord's name in vain" change when you see it as bearing his name not just speaking it. How does 1 John 1:6 shape your thinking?

How might it expand our view of Sabbath if we think of it more as "date night" with God rather than "don't do this on Sunday"?

God calls us first (in the first 4 commands) to vertical living. Living with our relationship with Him as the foremost part of life. What is your next step in living this sort of life?
