Weekly Memory Verse: "Let them construct a sanctuary for Me, that I may dwell among them." Ex 25:8

God instructs His people to build Him a sanctuary (a Holy and separated place) so He can "dwell among them". All other sanctuaries were built as a place for a deity to dwell "in". What is the difference?

Why is it important to God that His sanctuary be built with voluntary gifts from hearts that were "moved"?

The tabernacle is pitched at the very center of the camp. What does this tell you about God's desire to be a part of every person's life in Israel? How about your life?

Of all the pieces placed in the tabernacle in these chapters, how does each speak to you about God's relationship with you?

Read Hebrews 8:1-6. What is the writer trying to share with us about the text of Exodus 25-27?

Read I Cor 6:19. How is it now different for God to dwell "in us" rather than "among us"?
