WAVECREST A crofters cottage set on the shoreline of Loch Torridon in the picturesque village of Inveralligin, enjoying uninterrupted views over the Loch towards Ben Damph and the Balgy. The whole village is within a National Trust conservation area of outstanding beauty, with views unequalled anywhere in the country.

Set in its own grounds with an outhouse containing a fuel store, drying areas and storage for fishing tackle, boating equipment etc... Wavecrest is exceptionally well equipped to cater for those who enjoy walking, fishing, bird watching and boating.

HEATING The water is heated by immersion heaters and there are room heaters throughout and a coal fire as and when required. Solid fuel is allowed for in the rent.

ELECTRICITY Rather than fitting a slot meter we ask guests to pay a fixed charge for electricity of £40.00 per week from 1st May to 1st October & £60.00 from 1st October to 1st May over and above the rental and to read the meter at the beginning and end of the holiday. We will then issue a refund according to the number of units used at the standard Hydro Board rate likewise if more is used we will expect guests to pay for the balance.

BEDLINEN Duvets are provided for all of the beds and blankets as required. Guests are asked to provide duvet covers / sheets, towels, etc.. There are spare blankets as required.

DOGS We do allow dogs but must insist that they are kept under control at all times as there are always sheep running loose in the village. Likewise we ask visitors to ensure that the gates are kept shut at all times – you would be surprised what sheep eat!, sorry NO cats.

- ◆ Colour TV / DVD ◆ Trout, Salmon fishing available ◆
- ◆ Groceries etc delivered weekly ◆
- ◆ Garden ◆ Ample Parking ◆
