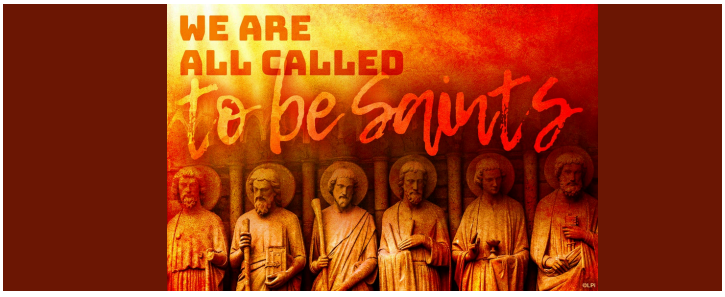
During the month of November, we remember in a special way all our beloved dead. The Book of the Faithful Departed will be available in front of the altar throughout the month. You are invited to write the names of your deceased loved ones in this book so that they may be remembered in our prayers and at Mass during this holy month of remembrance.



THIS WEEK'S GOSPEL FOCUS

Reflection for Nov 01, 2026
Solemnity of All Saints Lectionary 667

1 John 3:1, "See what the Father has bestowed on us, that we might be called the Children of God." This Sunday, we feast on the Beatitudes. We give thanks to God for our Fathers and Mothers of the Church whom we honor on this Solemnity of All Saints that feasted on this same Word through the centuries. In your own university of the Prayer Closet, go through all the Beatitudes and imagine yourself as one of the faces in the crowd as you listen to Jesus who spoke like no one ever did or ever will. Mathew at the end of the Sermon on the Mount says in Matthew 7:28-29 "When Jesus had finished saying these things, the crowds were amazed at His teaching, because He taught as one who had authority and not as their teachers of the law."

You are there. You have travelled miles on foot to hear Him and He starts: "Blessed are the poor in spirit, for theirs is the kingdom of heaven." He pauses to give you a chance to savor and swallow before He continues. You taste the Word of God, reflect, and realize that you are hungry for Jesus to say more. We feast on the Word of God in Mass and in the fellowship and contemplation that the Word of God brings to those who are "poor in spirit," and hungry in heart. We need to be always alert and eager for Jesus to fill our hearts, souls and minds with wisdom, understanding, and knowledge... manifested in His Body. Let us ask God to make us hungry and humble.

Jesus does not merely **SPEAK** *the beautitudes, he* **LIVES** *the beautitudes, he* **IS** *the beautitudes.* **St. John Paul II**

As her postlude for the weekend of October 24 & 25, Dr. Pam played, what is likely considered JS Bach's most iconic organ piece, TOCCATA & FUGE in D MINOR While the piece has been used to accompany scary movies and is used to elicit fright on Halloween, Bach knew nothing of Halloween in 18th century Germany. The "toccata" (meaning "touch piece") was likely conceived as an improvisation which Bach created while testing the "lungs" of organs throughout Germany.

If you missed hearing Dr. Pam play it on Sunday, October 24/25 or want to catch up on some of her organ videos, check out her Youtube channel by scanning the QR code or clicking the link.
