It is our school policy that all children wear school uniform when attending school or when participating in a school organised event outside of normal school hours.

Aims and Objectives:
Our policy for a uniform is based on the belief that school uniform:

- Promotes a sense of pride in the school and it has a positive impact on behaviour and attitudes in school
- Develops a sense of community and belonging towards the school
- Identifies children with our school when taking part in out of school educational activities and visits
- Is practical and looks smart
- Makes children feel equal to each other in terms of appearance
- Is designed with health and safety in mind
- Is affordable
