IMPORTANT - Changing Rooms

Please remember to show respect and to leave the changing rooms as you would like to find them after a match. We have received several complaints already this season that rooms have been left dirty and even damaged.

Booking 3G Pitches - guidance

1. The Venue cannot have netting wires across the pitch and must reach the FA minimum size of 100 x 60 metres.
2. There must be 3 separate changing rooms for the 2 sides and match official- minimum size 12 metres squared and 4 metres squared for the match official with separate showers. These must be lockable.
3. Any potential booking which sees a change of kick off time MUST BE AGREED IN ADVANCE with the opposition before being booked.
4. The away team cannot expect to travel well outside the distance already travelling and in a completely different direction. For example, a side from Portsmouth travelling to a side in Southampton, should not be expected to then have to travel to Aldershot/Basingstoke.

Here is a list of 3G pitches we know of which are suitable at the moment:

Apologies

The photograph at the end of the last Hog Post was in fact taken by Heidi Horton, who is the Liphook United FC photographer, and not Liss Athletic, as we mistakenly said – we saw it on the Liss Twitter feed, but the original was actually posted by Liphook. Sorry for any confusion.
We've included another photo from Liphook at the front of this Hog Post, as we really like their action shots!

Round-Up

The weekend focus was on the **Hampshire Saturday Trophy**, and we had six clubs out of eight in the quarter-final, a great achievement.
Three ties were played this weekend (the other one is next weekend) and the main news is that the holders are out – Colden Common went down 0-2 at Front Lawn to Harvest in an all Senior Division clash. Also in the semi-final are Hedge End Town, whose game with Southampton Premier Crofton Saints finished 2-2, with the home side coming through 6-5 on penalties. Out, however, are Hook, who lost 0-2 to giantkillers Winsor United Green, from Southampton Senior Division 1. Winsor have also beaten Liss and Twentyten this season.

A couple of other cup ties were played this weekend:
In the **George Mason Memorial Shield**, it was an all-Senior Division affair as Sway hosted Stockbridge. This was a close affair, going to penalties after it finished 3-3 after 90 minutes, with Stockbridge going coming out on top.
And we also had a game in the **Aldershot Intermediate Cup**, where Senior Division Whitehill & Bordon were at home to Division 1 Headley United in a local derby. This was another good game and finished 4-2 to the hosts. Davis, R.Hunter, H.Hunter and Coyne were on target for W&B.

In the **Senior Division**, leaders Infinity crashed 0-3 at home to fifth-placed Paulsgrove, who had already beaten them last month, and whose fourth win in a row this was. This was the first time Infinity had failed to score this season. Their live feed was again a success. With Stockbridge in cup action, Liphook United moved into second with a 2-0 home win over Locks Heath, who were fourth, and under new management, as Ben Buckland has moved to Fleetlands. Moore and Allcock were on target for Liphook. Sixth v seventh saw Hayling United have a good 3-1 win over Denmead at Hayling College, two of their goals from Southon. Bottom club Fleet Spurs suffered a 0-3 home reverse to Bishops Waltham Swifts.

In **Division 1** we also saw a big defeat for the leaders, as Hedge End Rangers were beaten 0-5 at AFC Netley, whose third win in a row this was, and it moves them into fifth. Two of the five were scored by Snelling. Meon Milton stay second after a 2-1 win at Overton United, and Whiteley Wanderers halted their poor run with a decent 2-2 draw at Upham. QK Southampton moved to within striking distance of the top five after a 3-2 win at bottom club Lyndhurst, Johnson, Mellor and Moulder on target for QK. In the bottom four, Broughton moved above Twentyten with a 3-0 win at Winklebury, the goalscorers Durbridge, Thorpe, and Welch.
