** St. Joseph Catholic Church and Cemetery strongly recommend the use of our local Funeral Homes.

Their services make the Funeral Mass and Burial/Inurnment less stressful for you, your family, and St. Joseph Church staff.

In lieu of using a Funeral Home's services for the Funeral Mass and/or Burial/Inurnment, St. Joseph Church will add a fee for our additional administrative and on-site services. St. Joseph does not include many standard services provided by a Funeral Home, such as: Greeters at the door, guest book, easels, stands, reserved signs on pews, arrangements of photos/flowers, etc.).
