CENTRAL KANSAS GUN CLUB OF RENO COUNTY INC.

OCTOBER 2026

WORST CASE SCENARIO:
NUNS WITH GUNS

You just never know who and what you're going to see when you come out for coffee on "Coffee Thursdays".

Club Election Results:

After leading the club through the clubhouse fire, the building of the new clubhouse and the passing of then President Trey Owston by the current Board of Directors, it was decided that this would be the time we would return to an election process as outlined in Article VI of the club bylaws as listed below.

ARTICLE VI

ELECTIONS OF OFFICERS:

Section 1. All officers shall be elected for one (1) year by a majority of the members in good standing at the annual meeting of members for election of officers and directors for the ensuing year, except each year the vice-president shall become the president in the year following his or her term as vice-president. To be a director and officer of the corporation, the member must be a member in good standing for at least one (1) year prior to taking office. The election may be held by written ballots, a show of hands, or by a verbal showing of ayes and nays.

Section 2. Should an officer resign before the term of office expires, or should a vacancy in office occur for any reason, the remaining directors shall appoint a temporary director or officer to the vacated office to serve until the next annual meeting; provided, however, in the event more than one vacancy shall occur at the same time, a special meeting of the members in good standing may, at the election of the remaining directors, be called as set forth above and held to elect the new directors. The directors shall then vote to determine the offices of the new directors.

The current board had all expressed a willingness to remain in their elected positions, as such the current board all accepted nominations to fill their office for another year if elected. The floor was opened for nominations, and Bruce Milburn was nominated for the position of Vice President. However; the current vice president declined to move into the position of President and ask that his name be dropped from the ballot. The following people were elected to be the Central Kansas Gun Club board for club year 2026-2027.

President:	**Mike Robinson**
Vice President:	**Bruce Milburn**
Executive Officer:	**Dennis Chambers**
Treasurer:	**Richard Reed**
Chief Instructor:	**Ray Bartholomew**
Safety Officer:	**Jerry Maxfield**
Secretary:	**Ron Markhart**

The board of directors would like to take this opportunity to offer a very well deserved "THANK YOU" to Mel Ralston for his leadership and his wisdom provided during his tenure as vice president of CKGC.
