“He is a first class trainer” – Paul Rose, Mediator, Arbitrator

“Andrew is the person who inspired me to become a mediator. Having heard him speak at the Bar Council on mediation, I asked Andrew Goodman to put together a detailed course on mediation at my chambers (Furnival Chambers in London) for both barristers, solicitors and people from other professions. Andrew designed, organised and delivered his first course for us in 2014. Needless to say, it was hugely successful and superbly designed and delivered. Andrew has just put on the course for a second year and we were just as impressed and grateful to him this year. If you are a professional (from any field) that wants to qualify as a mediator, then Andrew must be your first port of call. I can speak on behalf of everyone from my chambers that Andrew is definitely the number one man in England and Wales to go to learn everything”. – Paul Garlick QC, Advocate, Scarmans Ltd, and Furnival Chambers
