Dress Guidelines

Boys
Modest length, loose fitting shorts or pants (our standard is a 5” inseam).
Shirts with the sides cut out are not acceptable.
Girls
Modest length, loose fitting shorts or pants (our standard is a 5” inseam).
Spandex, yoga pants, and leggings are only acceptable if shorts are worn over them.
General
Undergarments must always be covered by outer garments (i.e. no boxer shorts or bra straps showing, including sports bras).
No clothing should be worn that promotes ideals that could be offensive or that are not consistent with the values of Grand View (including profanity, alcohol, tobacco, drugs, or other worldly ideals).

Our goal in developing dress guidelines is to be both modest and practical. However, dress guidelines can often be a source of tension. In today’s society, the “less is more” mentality is displayed through low riding pants, extremely short shorts and tight or revealing tops. Please understand that Grand View is committed to protecting the innocence of your child while they are in our care. We appreciate your sensitivity to this subject matter, as it is our goal to create an impactful, unforgettable camp environment that is free from distractions.

Packing Guidelines

Your camper is going to have a blast at camp! There are so many fun things for your camper to do, so there is no need for your camper to bring electronic devices or sports equipment. These items should remain at home. At the beginning of the week, we will ask the campers if they have packed any of these items. If they have, we will gather the items and store them in a safe place during the week. The items will be returned to them at the end of the week.
