How Does It Work?

- Earn up to 100% off your ticket: Bring 1 participant and receive 10% off your ticket. Bring 5 and enjoy 50% off. Bring 10 and your ticket is FREE.
- The maximum discount is 100% of your ticket price.
- Planning to bring more than 10 participants? Just contact us.

Step 1. Get Your Personal Promotion Code

To get your personal promotion code, send us an email to mail@biodanzaworld.com with the following details:

Email subject: Facilitator Coupon Code

1. Full name:
2. Email address:
3. Mobile phone number:
4. City:

5. Country:
6. IBF Registration Number:

You can find your IBF Registration Number on the International Biodanza Federation website: https://www.biodanza.org/en/ibf-5/biodanza-facilitators-in-the-world/

Your IBF Registration Number will become your personal promotion code once we have activated it in our booking system.

Step 2. Receive confirmation of your Personal Promotion Code

Once we receive your email, we'll register your personal promotion code in our booking and payment system and send you a confirmation when it's ready to use.

Please wait for our confirmation before sharing your code with your dancers, so they can use it successfully when booking their tickets.

Step 3. Share your code with your dancers

Your dancers receive **€10 or AUD 15 off their ticket** when they enter your personal promotion code during the registration and payment process.

Important: The discount can only be applied when booking. We cannot apply the discount retroactively or refund it after a ticket has been purchased. So please make sure your dancers have your promotion code **before they book their tickets!**

Step 4. Calculation of your ticket price and total discount

- **Your ticket price is locked in** at the rate available on the date we receive your email requesting your promotion code.
- **One month before the Encounter**, we will contact you to confirm how many participants have booked using your code and calculate your total discount.
- Your discount is based on your secured ticket price and the number of participants you bring, up to a maximum of 100%.
- **You will then receive a payment request for the remaining balance**, after your discount has been deducted.
- If 10 or more participants have booked using your code, **your ticket is FREE!** No payment is required.
