

1-2-3 Magic

Simply, effective, friendly discipline for children aged 2-12

***1-2-3 Magic* allows you to get back in charge of your home and enjoy your kids again** by helping you set limits for your children, and by breaking down the complex task of parenting into three straightforward steps:

1. **Controlling Unwanted Behaviour:** Learn an amazingly simple technique to get the kids to STOP doing what you don't want them to do (whining, arguing, tantrums, etc.).

2. **Encouraging Good Behaviour:** Learn several effective methods to get your kids to START doing what you want them to do (picking up, eating, going to bed–and staying there, etc.)

3. **Strengthening Your Relationships:** Learn powerful techniques that reinforce the bond between you and your children.
