A Message of Gratitude and Welcome Back to Church

All good things must come to an end!

We were truly blessed to be able to continue celebrating Mass in our parking lot during COVID. The ability to gather for Mass, even under such unusual circumstances, was a wonderful gift and allowed us to remain connected as a parish community without having to fully shut down.

A heartfelt **thank you to everyone who helped make our parking lot Masses possible!** Your time, dedication, and willingness to serve made this special arrangement a success. It was truly a blessing to be able to come together in faith during such a challenging time.

As we have moved forward and returned to gathering together inside our church, as of Sunday, November 29th, we no longer be offering Mass in the parking lot.

For those who have continued to attend Mass in the parking lot, we warmly invite you to join us inside the church and celebrate with the rest of our parish family. We understand that entering the church may present some challenges for some, and we want to make sure everyone feels welcome and supported.

If you need assistance getting into the church, please contact Jennifer in the parish office. We will be happy to arrange for an usher or a mobility device to be available to assist you to enter into the church.

Thank you again to everyone who made our parking lot Masses possible. We are grateful for the memories, the fellowship, and the opportunity to continue worshipping together throughout those difficult days.

Welcome back to church! We look forward to gathering together as one parish family in faith.

Prayer to St. Michael the Archangel

St. Michael the Archangel defend us in battle. Be our defense against the wickedness and the snares of the Devil. May God rebuke him we humbly pray, and do thou, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan, and all the evil spirits, who prowl about the world seeking the ruin of souls. Amen

Pope's monthly prayer intention
For the proper use of wealth
Let us pray for the proper use of wealth, that not succumbing to the temptation of selfishness, it may always be put at the service of the common good and solidarity of those who have less.

Please consider sharing your valuable time and talent

How many times do we shrink back from a challenge or an opportunity because we think we are not qualified? Or someone else is smarter, more experienced and would do a better job. This line of thinking often causes us to shrink rather than rise and step into our calling. If an opportunity comes your way that feels too big for you, remember that you are not the source of your success. God is. If something is meant for you, if it is within his will for you, God will indeed equip you to become who you need to be, to do what you need to do. God can supply you the competence and the confidence for every good work.
